PUZZLE PAGE

Riddle time!

Someone living in a round tower
stole a precious diamond ring.

These are the suspects and their
alibis:

The father was mowing the grass.
the twin brothers were on the
trampoline.

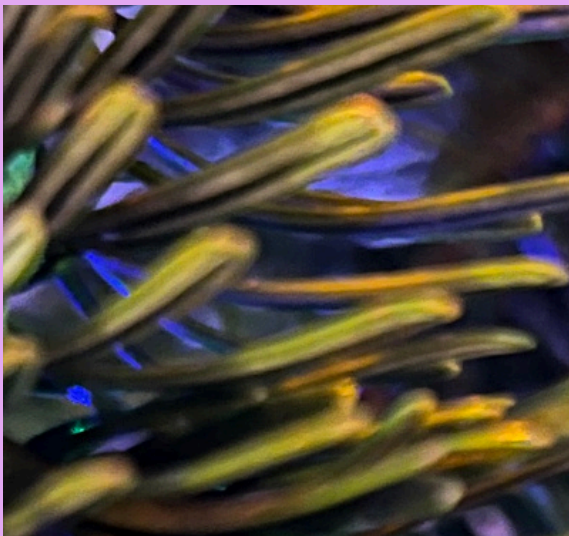

the granny was knitting in the
corner.

The aunt was making dinner.

Who stole the ring?

the granny! because remember, it's a round tower so it has no corners!

What's this?

Christmas poems

Clara, Aoife's 5th class

Winter is here

Look at the sky, It's turning grey

I think we are in for a winter day

Snow starts falling all around

This is a day for the snow to be ploughed

Snowmen, snowballs, lots of cheer

Everyone is having fun because winter is here
