

JUNIOR INFANT NEWSLETTER

Emma's Class
June 2026

What a year we have had!
From making brand new friends to taking part in very important research on play. Junior Infants have grown so much in confidence, creativity and curiosity. Here's a look at some of the special moments from the year.

PLAYFUL LEARNING

From painting masterpieces, exploring nature and learning songs every day brought something new. The classroom was always buzzing with activity & filled with questions, laughter and wonder. These moments may seem small but together they created a magical year of learning through play.

Reading with Buddies

Reading with our buddies from Naomi's and Aoife's class quickly became a monthly favourite! The children looked forward to sharing stories and laughing together. It was heart warming to see their confidence grow. By the end of the year we were the ones reading to our big buddies.

Our Favourite Memories:

The outdoor classroom, having cameras in our room and seeing ourselves play on the big board, art day, building structures, playing with sand.

Favourite Themes:

The Arctic, Dinosaurs, The Vet, The ice cream shop

Favourite Books

The Gruffolo, How to a Catch a Star, Commotion on the Ocean.

Trip to Newgrange farm

Our trip to Newgrange farm was the highlight of the year! The children loved meeting all the animals especially those cheeky goats. It was the perfect day of outdoor fun and learning.

On a final note....

Thank you for your incredible support throughout the whole year and for cheering your children on at every stage.

Your partnership has made all the difference to us. Wishing you all a wonderful summer.

Emma and David
