Lisa's 2nd Class 2025

It has been a wonderful year in Second Class. I am incredibly proud of all the children and everything they have achieved. They have worked hard, challenged themselves, supported one another and embraced every opportunity that came their way. From classroom learning to school events, performances, trips and celebrations, they have represented our class so well. It has been a joy to watch them grow in confidence, develop new skills and create lasting friendships throughout the year. I hope they look back on their time in Second Class with happy memories and a great sense of pride in all they have accomplished.

Highlights of Our Year

When I asked the children to think back on their year in Second Class, there were a few clear favourites!

Fort Lucan was mentioned again and again, with the water slides proving especially popular. Alex, Ailbhe, Rachel, Jasper, Noah, Grace and Margo all chose our school tour as one of their highlights, while Noah particularly enjoyed the crazy golf.

Art Day was another big hit. Eira loved having the chance to be creative, Charlie and Ethan enjoyed making pom-poms, and Oliver's highlight was making bath bombs. Many children also mentioned the tie-dye activities.

Sports Day featured heavily too. Hugo enjoyed taking part in all the different events, while Albie and Henry both chose the sponge race as their favourite activity. Louis loved the egg-and-spoon race, Conor enjoyed basketball and Julie's standout memory was getting the opportunity to speak on Ireland AM.

Many children also chose some of our special school events as their highlights. Penny enjoyed spending time with her grandparents on Grandparents' Day, while Rachel, Oliver and Daniel also mentioned it as a favourite memory. Ragnar enjoyed both the school show and Pyjama Day.

Our musical performances also featured among the children's highlights. Sadie loved playing the tin whistle during Seachtain na Gaeilge, while Daniel enjoyed performing on the violin. Cillian's favourite memory was a visit to the claw machine at the Autumn Fair, proving that sometimes it is the little things that make the biggest impression!

Thank you for all the memories, laughter and learning this year. Have a wonderful summer break and enjoy every minute of it! 🌻
