

Saginaw, Michigan

In Saginaw, Michigan, there are two Associate groups — one founded in the early 2000's and the second in 2016. Altogether we have 12 members. One group meets on the 1st Wednesday evening of every month and the other on the 3rd Thursday of the month (excluding July & August). All are involved in kind of ministry, many in parish ministry. Our question to each associate is: ***“What is God Accomplishing Through You?”***

My Spiritual Accomplishments are still a work in progress:

My continual seeking our Most Holy Father, his unconditional love for me and learning who is in charge of my life. Learning to Trust him ultimately.

Staying involved in my “religious/faith filled/prayerful” journey no matter what obstacles get in my way. Depending/Trusting on God my Father to pull me through whatever it is I am going through.

Learning to live for God our Most Holy Father, whatever I do may it be done to honor him. He gets all the praise and glory as he fulfills his purpose of who he wants me to be and what I am doing. It's all about him not us, he uses me to speak his words and put them into action; as he walks along side of me guiding me every step of the way.

Being a Bernadine Associate has been a trip of self reflection for me. I now realize that I need to reach out to the world and have joined and participate in several organizations that help others.

I know God is reaching out and guiding me in my ministry. He guides me and gives me grace to those who need prayers and guidance.

Working as the hands of God, a multitude of people in hospitals, nursing homes and assisted living facilities have received Jesus in Communion. Prayers have been offered for God to care for them and they have been reminded that God is always with them.

I have learned not to be afraid of trials and tribulations in my life. I turn to God to let it go and let Him walk with me, and make the suffering pure joy.

Try to be a positive person, especially to people who are down and out. Try to have a smile on my face in good and bad times. And try to be open with listening ears for people who confide in me.
