Eucharistic Adoration and Divine Mercy Chaplet

The former St. Casimir Church in Kulpmont, where the Bernardine Sisters previously served, is now the St. Pauline Visintainer Center. The center is named in honor of St. Pauline Visintainer, a native of Brazil. St. Pauline had relatives in Mount Carmel, PA who attended her canonization in 2002. There, they received a First Class Relic of St. Pauline and were the impetus for the development of the foundation. The center in Kulpmont is open on Fridays and Saturdays for Eucharistic Adoration under the supervision of the pastor of Holy Angels Parish. Since 2016, Holy Angels BFAssociates have been faithful in leading the Divine Mercy Chaplet at the center every Friday at 3:00pm.
