JULY 2026

To Our Residents:
This Month we celebrate everyone's independence. Here at Villa, we take pride in our Mission by honoring and respecting each person. Please continue to lead with love and compassion. Give grace and understanding in times of need. Continue praying for others and providing guidance to our great resources available. We start this great month with a Independence Day BBQ meal for all residents and team-members. Thank you,

Adonnys

Wishing you a meaningful Independence Day filled with reflection and pride. May we all remember the sacrifices that made our freedom possible and strive to carry forward their legacy by fostering a spirit of unity and compassion in our daily lives.
