

WEEKLY PRAYER GUIDE

OCTOBER 10 - 16

Each week, we invite you to stand with the Global Methodist Church's Assembly of Bishops as we pray boldly over the needs of our church, our communities, and the world. United in faith, let us seek God's wisdom, strength, and grace, trusting that He hears and moves through the prayers of His people.

THIS WEEK'S PRAYER FOCUS:

Kenya Annual Conference

PRAYER POINTS:

- For a smooth transition into clergy retirement life for our outgoing Bishop Scott Jones. May God grant him divine favor, good health and long life for his dedication during his tenure in office and for a smooth landing for our incoming Bishop Carolyn Moore.
- For northern Kenya (Turkana District) - the district has been hit by prolonged famine, driven by multi-seasonal droughts with shrinking humanitarian aid.
- For sustained peace, love and unity in the Global Methodist Church across the globe, as we continue to thank God for our life together as one body in Christ Jesus.
- For the financial stability of the conference, as some congregations worship under tree shades and in classrooms, where it is not conducive for worship during wet or hot seasons. May God open blessings for construction of church buildings.
- For education needs for school and college students; school fee issues have been rampant and parents are not able to provide for both education and their family's needs.
- Kenya is approaching election season (2027), where political temperatures rise up and cause post-election violence resulting to unrest and economy instability.
