

WEEKLY PRAYER GUIDE

JUNE 28 - JULY 4

THIS WEEK'S PRAYER FOCUS:

North Georgia Annual Conference

PRAYER POINTS

- ◆ For a Holy Spirit-infused revival of our Wesleyan faith—within existing churches and in the culture-at-large. So many of our churches have, over time, “lost their first love.” We must regain our passion for the Lord and for the lost.
- ◆ For the conference to embrace a multiplication mindset as it relates to both making disciples and planting churches. We are working to change church culture and we are finding the task daunting.
- ◆ For our churches and individuals to take responsibility for their own spiritual growth and maturity. Too many are waiting for the GMC to tell them what to do. We need to challenge, empower and encourage them to follow Jesus where He leads—they don't need permission, they simply need faith and courage.

WEEKLY PRAYER GUIDE

JUNE 28 - JULY 4

North Georgia

PRAYER POINTS (CONTINUED):

- ◆ During this time of transition, pray for the many new people taking on leadership roles within our conference, as well as those on the Connectional Council. .
- ◆ That we learn how to trust each other in North Georgia. We don't assume that this is a denomination wide issue, but the conference's initial response is sometimes to react with distrust. Our prayer is that the Holy Spirit shifts us to operate with a mindset of trust.
