

WEEKLY PRAYER GUIDE

AUGUST 22-28

Each week, we invite you to stand with the Global Methodist Church's Assembly of Bishops as we pray boldly over the needs of our church, our communities, and the world. United in faith, let us seek God's wisdom, strength, and grace, trusting that He hears and moves through the prayers of His people.

THIS WEEK'S PRAYER FOCUS:

North Alabama Annual Conference

PRAYER POINTS:

- For God's clear direction as leadership prayerfully discerns and selects a new Presiding Elder as one of our Presiding Elders is entering retirement status. We ask the Holy Spirit to prepare the person God is calling with wisdom, humility, courage, and a deep love for Jesus.
- For every delegate, leader, volunteer, and participant from the conference traveling to Johannesburg for General Conference. Pray for safe travel, good health, protection, endurance, and spiritual discernment.
- For the pastors serving throughout the conference and for their families. Ask God to strengthen those who are weary, encourage those who are discouraged, and renew their passion for ministry. Pray for protection over their marriages, children, homes, and personal time with the Lord.

PRAYER POINTS CONTINUED

North Alabama Annual Conference

- For the laity who faithfully serve in our congregations and communities. Ask God to awaken a renewed passion for discipleship, evangelism, prayer, and service.
- Pray that our churches, pastors, and laity would be united around the mission of making disciples of Jesus Christ. Ask God to protect us from division, pride, competition, and distraction and help us demonstrate what it means to the body of Christ.
- For a genuine movement of God throughout North Alabama; ask the Holy Spirit to revive our churches, call people to salvation, raise up new leaders, heal broken communities, and give us boldness to take the Gospel beyond the walls of our churches.
- Above all, pray that everything we do as the North Alabama Annual Conference would bring glory to Jesus Christ and advance His Kingdom.
