

Each week, we invite you to stand with the Global Methodist Church's Assembly of Bishops as we pray boldly over the needs of our church, our communities, and the world. United in faith, let us seek God's wisdom, strength, and grace, trusting that He hears and moves through the prayers of His people.

THIS WEEK'S PRAYER FOCUS:

North Carolina Annual Conference

PRAYER POINTS:

- For continued healing in our mountains from the 2024 hurricane Helene and continuing efforts to rebuild, restore, and redeem.

North Carolina Annual Conference

- For church multiplication of Prayer Circles across NC. Pray for the Holy Spirit to help us teach how to lead a Prayer Circle so that prayer catches fire across our conference.
- For the Holy Spirit give us open doors to pray with people today and let NC congregations boldly pray for others without hesitation.
- For our delegation to General Conference.
- For General Conference to accomplish the needed work for our denomination. We pray that the legislation needed to support our movement will pass and for legislation that brings clarity to our call to spread Scriptural holiness across the land. May we be true to the Word in all we accomplish for the good name of Jesus.
- For our new assigned episcopal leader after General Conference.
- For new Churches to be developed in Charlotte, Raleigh, Durham, and Southern Pines/Pinehurst.
- For repentance, renewal, and for Holy Spirit-led biblical Wesleyan revival.

PRAYER POINTS CONTINUED

North Carolina Annual Conference

- For church and clergy vitality and continued growth in unity and mission among our churches, so that we will be about making disciples of Jesus Christ and spreading Scriptural holiness across the globe.
- For churches that have no interest in changing, that are dying on the vine, to wake up to what God is calling them to be about right now in their community, for the sake of souls, in Jesus name. May people have such love for Christ Jesus in their hearts that they feel compelled to share what they know with friends. May we shift away from being spoon-fed the Word to caring for each other's souls, as well as to discipleship and the study of the Word together through the multiplication of class meetings.
- For the equipping ministries of soul winning, healing, deliverance, and spiritual warfare.
