

# HVAC Multi-Family Installer

**Company:** AO Cooling & Heating LLC

**Location:** Rosenberg / Greater Houston Area

**Job Type:** Full-Time

**Compensation:** Competitive Pay (Hourly Based on Experience)

**Schedule:** Monday–Friday | Some Weekends and Travel

---

## Position Overview

This position also requires system start-up, performance verification, and troubleshooting to ensure every system meets manufacturer specifications and company standards. Seeking an experienced HVAC Multi-Family Installer skilled in fur-down, wall/stud-mounted air handlers, PTAC/VTAC, mini-split systems, heat pumps, and A/C condensers. Responsibilities include system start-up, performance verification, and troubleshooting to meet specifications and standards. Military Veteran or Bilingual English/Spanish a plus.

## Responsibilities

### HVAC Installation

- Install HVAC systems (air handlers, PTAC/VTAC, mini-split, heat pump, A/C condenser) in multi-family properties.
  - a. This includes fur-down modifications, line sets, drain lines, and electrical/low-voltage wiring, ensuring compliance with code and standards.
- Perform complete system start-ups per manufacturer guidelines.
  - a. Verify airflow, refrigerant charge, and electrical components.
  - b. Commission mini-splits (vacuum, weigh-in charge) and PTAC/VTAC (function/airflow check).
- Measure, record, and document all performance data and job completion.

### Minimum Requirements

- 0-2 years HVAC installation experience (multi-family preferred)
- Able to perform system start-ups and troubleshooting
- Proficient in reading manuals and wiring diagrams
- Valid driver's license and clean driving record
- Must own tools
- EPA Universal & TDLR Registered Technician Card
- Preferred Qualifications
- EPA Certification (required or willing to obtain)
- Commissioning and airflow measurement experience
- Familiarity with digital gauges/manifolds
- Experience in high-volume, multi-unit installations

### How to Apply

Submit your resume or contact AO Cooling & Heating LLC, [service@aocoolingandheating.com](mailto:service@aocoolingandheating.com) or 713-705-6787, to learn more about joining our team as an HVAC Multi-Family Installer.
