Planning a funeral can be overwhelming, but you are not alone in this. We're here to support you throughout this journey and make this process one of love, healing, and life celebration.

What to expect.

1. We'll first provide you with a general price list to give you a basic idea of what our services cost.
2. We'll then ask you about your loved one to gain an understanding of the person the services will honor.
 - Sharing your loved one's life story.
 - Revisiting memories and highlighting their accomplishments.
3. We will give your family the opportunity to communicate ideas, preferences, and thoughts on the service for your loved one.
4. Our professionals will use all this information to guide you in the creation of a personalized, meaningful celebration of your loved one's life.

"Everyone was so helpful and kind which means a lot when you're dealing with the loss of your loved one. The video with pictures and music was awesome and the new facility is beautiful. All family members and friends commented on how well-done everything was. I highly recommend this funeral home. Thank you all so much."

"The staff at Schaudt Funeral Home was very kind and helpful with the unexpected passing of my husband. It was his request that Schaudt handle his last request which was to be cremated. Schaudt worked with us to follow my husband's wishes for his final memorial service. The Schaudt staff checked on me several times and gave me updates as appropriate. They also checked to see if I needed anything even after the service needs were over. Thank you Schaudt Funeral Home for your care and support with my husband."
