

Stage Five: Renew Your Love of Fellowship

Neuroscience of Fellowship

1. According to Dunbar's model, our human _____ can support _____ friends in our social circle.
2. _____ only function when they have _____ to other neurons.
3. Your senses pick up _____ from the people in the room.

Social Development

1. Young _____ learn important social skills when _____.
2. Christ established His church to _____ for those who would _____ about Him after He was gone.
3. The precursor to a Christian fellowship was the _____ synagogue.

Four Church Activities Done Together

1. Corporate prayer is not just for _____ gatherings.
2. When we are _____ in our hearts and minds, our worship is corporate.
3. Every passage of scripture related to _____ shows it is communal.
4. John the Baptist, the last of the _____ Testament prophets, gave a new, symbolic meaning to the Jewish ceremony of _____ cleansing.

HOMEWORK:

1. Practice praying this week as a spokesperson for the people in your church fellowship or home group.
2. Work the brain God has given you! Challenge yourself to memorize the Ten Commandments or Days of Creation.
