**A WORD FROM THE PASTOR**

Back in March 2022, like all the parishes of the Diocese, we held a series of listening sessions. People were asked to share their joys as well as their hopes for our parish. All of the input was summarized and sent to the Diocese. The diocesan committee summarized the input from all the parishes. Ultimately, all these thoughts and suggestions have made their way to the Synod of the Church that will take place in Rome this Fall.

At that time, Cardinal McElroy also expressed a wish that each parish take a look at these valuable insights that were shared by parishioners and determine how the parish can address the needs expressed as well as build on the successes achieved. I strongly endorsed this suggestion as a good way for us as a parish to plan for our future.

Recently, I convened a small planning committee of parishioners and staff to delve more deeply into the wisdom that was shared by Catholics from across the Diocese during the synod process. I am very grateful to the committee who worked very hard to discern the following goals:

- \* To continue to provide quality liturgical celebrations as expressions of the faith of the community.
- \* To develop ways to attract and retain more families to rejuvenate the future of the parish and the Church.
- \* To promote Faith Formation across generations with a particular family focus.
- \* To continue to build on community activities that include all age groups, cultural backgrounds, and our school.
- \* To develop a ministry to and with young adults.
- \* To emphasize leadership development among parishioners.
- \* To build bridges among the diverse cultural communities of St. Pat's by hosting community building events that are both social in nature as well as spiritual, & educational.
- \* To continue to do all that is necessary to provide a safe environment for minors and other vulnerable persons by carefully implementing all existing and future protocols.

For each of these goals the committee also suggested a number of strategies that provide some ways to achieve the goals. We will be trying to implement these goals not only this year but for some years to come.

Please pray with me that the Holy Spirit will continue to guide us as a parish as we confidently look to the future and build up our community of faith.

In one Heart

Fr. Ron

### *Una palabra de parte del pastor*

En marzo del 2022, como todas las parroquias de la diócesis, realizamos una serie de sesiones de escucha. Se les pidió a las personas que compartieran sus alegrías y sus esperanzas para nuestra parroquia. Todos los aportes fueron resumidos y enviados a la diócesis. El comité diocesano resumió los aportes de todas las parroquias. Como último paso, todos estos pensamientos y sugerencias han llegado al Sínodo de la Iglesia que tendrá lugar en Roma este otoño.

En ese momento, el cardenal McElroy también expresó el deseo de que cada parroquia echara un vistazo a estos valiosos conocimientos que compartieron los feligreses y determinar cómo la parroquia puede abordar las necesidades expresadas y aprovechar los éxitos logrados. Respaldé firmemente esta sugerencia como una buena manera para que nosotros, como parroquia, planifiquemos nuestro futuro.

Recientemente, convoqué a un pequeño comité de planificación de feligreses y personal para profundizar más en la sabiduría que compartieron los católicos de toda la diócesis durante el proceso del sínodo. Estoy muy agradecido con el comité que trabajó muy duro para discernir los siguientes objetivos:

- Continuar brindando celebraciones litúrgicas de calidad como expresión de la fe de la comunidad.
- Desarrollar formas de atraer y retener a más familias para rejuvenecer el futuro de la parroquia y de la iglesia.
- Promover la Formación en la Fe a través de las generaciones con un enfoque familiar particular.
- Continuar desarrollando actividades comunitarias que incluyan a todos los grupos de edad, orígenes culturales y nuestra escuela.
- Desarrollar un ministerio para y con los jóvenes adultos.
- Para enfatizar el desarrollo de liderazgo entre los feligreses.
- Construir puentes entre las diversas comunidades culturales de St. Pat's, organizando eventos de desarrollo comunitario que sean tanto de naturaleza social, como espiritual y educativa.
- Continuar haciendo todo lo necesario para proporcionar un entorno seguro para los menores y otras personas vulnerables mediante la implementación cuidadosa de todos los protocolos existentes y futuros.

Para cada uno de estos objetivos, el comité también sugirió una serie de estrategias que brinden algunas formas de lograr los objetivos. Intentaremos implementar estos objetivos no sólo este año sino durante algunos años por venir.

Oren conmigo para que el Espíritu Santo continúe guiándonos como parroquia mientras miramos con confianza hacia el futuro y construimos nuestra comunidad de fe.

En un Corazón,

**Padre Ron**

### Religious Education & Family Ministry

(PreK – 8<sup>th</sup> grade)

*Reflection: 12<sup>th</sup> Sunday in Ordinary Time*

Jesus assures his apostles how much their heavenly Father cares for his creation and instructs them to boldly trust God. If God sees the tiny sparrows, he will care for us even more. No matter is too small for God! We all need reassurance of God's love for ourselves and for our families. If there is something you are struggling with, bring it to God in prayer. Encourage others to ask God for protection and help in times of difficulties or pain. Trust in God's care.

Parents: How has God been with you in difficult times?

Children: How do you know God is watching over you?

Act: *Seek to help a neighbor or family member with an act of kindness.*

Pray: *Lord, in your great love, answer us.*

**Liturgy of the Word for Children** will be offered during the 9am mass in the summer months.

### GOSPEL MEDITATION

When I was in middle school, there were times I didn't want my fellow students to see my parents drop me off or pick me up in the school parking lot. I was embarrassed of my parents. Why? I have no idea. Maybe it was our station wagon. Or I didn't want to look like a little kid. But in retrospect that was a silly thing to do. I was a kid. And I had two parents who loved me and had built a wonderful family. I was afraid of the other kids' judgment. How silly! I should have been afraid of forgetting or downplaying my family, which is where my identity had its deep roots.

This is a way to understand Jesus' words to his disciples this Sunday, when he says, **"Don't be afraid of those who kill the body but cannot kill the soul; rather, be afraid of the one who can destroy both soul and body in Gehenna."** Fear, in this sense, refers to where we find our deepest identity and our highest love. That's why Jesus says next that when we acknowledge him before others, he will acknowledge us before the Father. It doesn't mean we're brash or boastful. But rather we unhesitatingly and humbly embrace our identity as followers of Jesus and children of God the Father. After all, if we love who we are and where we come from, who cares what the other kids think about us?

— Father John Muir

## Twelfth Sunday in Ordinary Time – Year A

### First Reading

*Jeremiah 20:10-13*

Jeremiah expresses confidence that the Lord will protect him.

### Responsorial Psalm

*Psalm 69:8-10,14,17,33-35*

God responds to the prayers of those in need.

### Second Reading

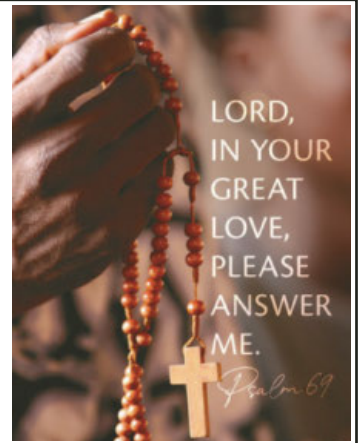

*Romans 5:12-15*

Sin came into the world through one person; so salvation came through one person for many.

### Gospel Reading

*Matthew 10:26-33*

Jesus assures the Twelve that God cares about them.

### Background on the Gospel Reading

We read today's Gospel in the context of last week's Gospel in which Jesus sent the twelve disciples to proclaim the kingdom of heaven. In between last week's reading and today's reading, Jesus has predicted that the disciples will face difficulties in their mission. Many people will not receive them well, even within the land of Israel. Even family members will turn away from the disciples because of the disciples' commitment to Jesus and the kingdom. Today's Gospel offers the disciples consolation against this difficult truth.

This section of Matthew's Gospel should be read in the context of Matthew's intended audience, a Jewish-Christian community. The Gospel alludes to the dangers and persecutions that this community has most likely already faced and will continue to face. To reassure this community, Matthew recalls for them the encouraging words of Jesus that we read today.

In this Gospel passage, Jesus might be understood as putting suffering in perspective. The disciples of Jesus are called upon to keep their focus on God. Those who can harm the body do not have ultimate power; God does. Still persecution and suffering can not be avoided or prevented. But Jesus reassures his disciples that God knows and cares about what happens to his children.

We might not face the same type of persecution, but we do experience difficulties as we endeavor to live a Christian life. Sometimes we let the opinions of others prevent us from doing what we know to be right. We need the reminder that what God thinks about us is more important. We are reassured by the promise that God cares for us and protects us.

DO NOT BE  
**AFRAID**
