**A WORD FROM THE PASTOR**

In a very short time, **Lent will begin**. The traditional Lenten practices of prayer, fasting and almsgiving will be encouraged for each of us as we are able. I'd like to say a word about **almsgiving**.

A simple definition for almsgiving is the act of giving charity to another. Almsgiving has been around for thousands of years and is referred to as charity, philanthropy, or giving to the poor. Giving (alms) is the primary means by which many Christians and other faith traditions express faith. Some Christians tithe 10% of their income (or something close to it) to the church, give offerings to pastors and missionaries and attend camps, retreats, and mission trips.

Giving alms, or giving to the poor, is another way someone can express their faith and is a way in which they can put "love our neighbors as ourselves" into action. That said, giving to the poor is not about giving handouts, nor is it about charity; it is about sharing one's blessings with those experiencing poverty. It also provides a way for us to share in the Church's ministry of evangelization and outreach.

Not all of us can directly serve the poor, or educate people in the faith, or evangelize in formal ways. But we can support the various ministries and agencies of the Church in San Diego that reach out on our behalf.

By contributing to the **Annual Catholic Appeal (ACA)** of the Diocese of San Diego, we are engaging in almsgiving. Lent is a good time to remind ourselves of our obligation to share with others. No matter how much we have been given, we each have an obligation to share.

You will be receiving a mailing from me that will once again ask for your support for ACA. The brochure describes the many ways people are helped through our donations. Our almsgiving extends our love and concern to those we could never be able to reach. **I ask you to prayerfully consider how much you can contribute.** Give from the heart; let it express your faith.

I know that some people are concerned that this money might be used to pay legal fees or taken through lawsuits. Since this money is contributed for a specific purpose and designated funds, it cannot be touched by the courts or used for any other purpose. The intention of the donor must be respected. It would be a shame if the good works that ACA makes possible were deprived of our support because of needless fears about legal proceedings. I can assure you that your donations will be used only for the purpose which you intend them.

On behalf of all those who benefit from your contribution, thank you for your generosity and almsgiving. As Mother Teresa said: "It is not how much we give, but how much love we put into the giving."

In one Heart,

Fr. Ron

### Un saludo de parte del Diácono Miguel

*“En aquel tiempo, al salir Jesús de la sinagoga, fue con Santiago y Juan a casa de Simón y Andrés. La suegra de Simón estaba en cama, con fiebre, y enseguida le avisaron a Jesús. Él se le acercó, y tomándola de la mano, la levantó. En ese momento se le quitó la fiebre y se puso a servirles”. (Evangelio según san Marcos 1:29-39).*

Dentro de **10 días** terminamos con el Tiempo Ordinario e **iniciamos el tiempo de Cuaresma** con el **Miércoles de Ceniza**. Y en este tiempo de cuaresma somos **invitados a examinar** nuestra vida y miremos esas **actitudes o hábitos** que tenemos que **nos apartan de Dios**. ¿Qué es lo que **vemos** en nuestros **teléfonos**? ¿Son cosas buenas que **nos dan paz**, o son cosas que **nos quitan la paz** y nos traen conflictos? ¿**Cómo hablamos**? Sabemos orar a Dios, **dándole gracias** por tantas **bendiciones** que nos da. ¿Pero que **sale de nuestra boca** cuando alguien nos quiere corregir? O, ¿qué tal cuando **“nos entran ideas”** en nuestra mente, de **ser algo incorrecto**, de juzgar o **criticar a alguien**? ¿Qué hacemos con esos pensamientos? ¿Le **pedimos a Dios** que nos ayude con estos pensamientos y que **no los quite**? O ¿le “damos vida” a esos pensamientos incorrectos?” En el Evangelio de este **V Domingo del Tiempo Ordinario** miramos que **Jesús sana a muchos y a todos que le traen**. Jesús quiere **sanar a nosotros mismos**. Las enfermedades vienen de diferentes maneras, **físicas, psicológicas y espirituales**. Lo bueno es que **Dios nos ama**. Que para Dios **no hay pecado tan grande** de su perdón. Dios esta listo para **darnos su perdón**, sanar nuestras heridas y **caminar con nosotros**. Dios nos espera, **no se da por vencido**, que nosotros **tampoco nos cansemos de buscarlo** y pedirle su ayuda.

#### El mayor médico para todos Marcos 1, 29-39

Jesucristo está empezando su vida pública. Después de 30 años oculto en la casa de Nazaret, ahora recorre Palestina predicando la buena noticia.

Jesús, desde el inicio de su ministerio apostólico, se encontró con una realidad muy humana: la enfermedad, y nos enseñó su deseo de liberarnos de ella. Llegó a la casa de la suegra de Pedro, y con sólo tocarla, la fiebre desapareció. Jesús ha venido a curar al hombre y a la sociedad de sus males. Sólo necesita una cosa: que nos acerquemos a Él, con humildad, reconociendo nuestra debilidad.

Un médico, para poder curar una enfermedad, necesita que el enfermo acuda a él y le diga: *me duele aquí; tengo este problema concreto*. En su gran corazón, Jesús va todavía más allá: no sólo cura a los enfermos que acuden a Él, sino que sale a buscar a otros enfermos, también necesitados de él. Se levantó muy de mañana a orar, nos dice el evangelio, y a continuación explica a sus primeros seguidores: *Vamos a otra parte, a los pueblos vecinos, para predicar también allí, pues para esto he venido*, para buscar al hombre, necesitado de salud, necesitado de salvación, en busca de sentido.

### Fifth Sunday in Ordinary Time

Jesus patiently cures all who are brought to him with all kinds of illnesses. His words "For this purpose have I come," show that God desires for all persons to be whole in body, mind, and soul. Through Jesus' preaching and healing, other things were set into place. People, who have been healed do not have to live in fear anymore. Communities that have heard the Good News can come together to take care of each other's need.

*Reflect:* How does Jesus still heal our bodies, minds, and souls?

*Act:* Pray for each other by name and be confident in the good that flows from faith.

*Pray:* Merciful God, we pray for healing and peace in our hearts, families, and communities.

*Blessings. Margit Dornisch*

## Week of Prayer for Christian Unity Concludes

In the North County of San Diego, the annual Week of Prayer for Christian Unity concluded with a beautiful prayer service at St. Andrew Episcopal Church in Encinitas. St. Patrick's choir provided beautiful hymns that greatly enhanced the celebration. Our parish was also well-represented by many parishioners and a large representation of our parish staff (including three of our priests). We are already looking forward to next year's celebration.

Pope Francis closed the week of prayer in Rome with representatives of various Christian religions in Rome. This link describes what happened and what the Holy Father said during the prayer service.

### **Gospel Reading**

Mark 1:29-39

Jesus cures Simon's mother-in-law and many others as well.

### **Background on the Gospel Reading**

Today we continue to read from Mark's Gospel, learning more about the ministry of Jesus. Jesus cured Simon's mother-in-law, and she immediately began to serve Jesus and his disciples. Jesus also cured many others who were brought to him, healing their illnesses and driving out demons. As we will see throughout Mark's Gospel, Jesus did not permit the demons to speak because they knew his identity and would have revealed it to those who were present.

On the morning after this busy day, Jesus retreated in prayer, but was pursued by Simon and others who brought news that many people were looking for him. At this point in Mark's Gospel, we begin to see a distinct role for the inner circle of Jesus' disciples—they act as intermediaries between Jesus and the people. Jesus reports to his disciples that they need to leave Capernaum to preach in other places.

Today's Gospel completes a picture of Jesus' ministry: preaching, curing the sick, driving out demons, and then moving on to continue this work in another place. Mark's Gospel tells us that Jesus did this throughout Galilee.

Jesus' compassion and healing of the sick is a sign of the Kingdom of God. The Church continues to extend Christ's healing presence to others in its ministry to the sick. In the Sacrament of the Anointing of the Sick, the Church prays for spiritual and physical healing, forgiveness of sins, and comfort for those who are suffering from illness.

In today's Gospel we also notice the importance of prayer in Jesus' daily life. Jesus rose early in the morning, removed himself from the crowds, and went to a deserted place to pray. When the disciples found him, he told them that it was time to move on. We believe that in his prayers Jesus found guidance and direction from God. We also bring our decision-making to God in prayer, asking for his guidance and direction in our lives.
