Sixteenth Sunday in Ordinary Time – Year C**First Reading***Genesis 18:1-10a*

Abraham entertains three strangers and is promised a son.

Responsorial Psalm*Psalm 15:2-5*

Those who do justice will live in the presence of the Lord.

Second Reading*Colossians 1:24-28*

The mystery hidden from ages past has now been revealed in Christ.

Gospel Reading*Luke 10:38-42*

Jesus visits the house of Martha and Mary.

**Background on the Gospel Reading**

The story of Jesus in the home of Martha and Mary complements the story of the Good Samaritan, which immediately precedes it in Luke's Gospel. Both stories are unique to Luke. The story of the Samaritan opens with the words "a certain man." Today's reading opens with the words "a certain woman." The Samaritan is an example of how a disciple should see and act. Mary is an example of how a disciple should listen. Mary, a woman, is a marginalized person in society, like the Samaritan. Both do what is not expected of them. As a woman, Mary would be expected, like Martha, to prepare hospitality for a guest. Here again Jesus breaks with the social conventions of his time. Just as a Samaritan would not be a model for neighborliness, so a woman would not sit with the men around the feet of a teacher.

Both stories exemplify how a disciple is to fulfill the dual command which begins chapter 10—love of God (Mary) and love of neighbor (the Samaritan). These are the two essentials of life in the kingdom. By using the examples of a Samaritan and a woman, however, Jesus is saying something more. Social codes and boundaries were strict in Jesus' time. Yet to love God with all one's heart and one's neighbor requires breaking those rules. The Kingdom of God is a society without distinctions and boundaries between its members. It is a society that requires times for seeing and doing and also times for listening and learning at the feet of a teacher.

Un saludo de parte del Diácono Miguel

Jesús le respondió, “Marta, Marta, muchas cosas te preocupan y te inquietan, siendo así que una sola cosa es necesaria. María escogió la mejor parte y nadie se la quitará”. Este XVI

Domingo del Tiempo Ordinario escuchamos la historia de Marta y María. Las dos están contentas de que Jesús ha venido a su casa, quieren proveer y conseguir el provecho máximo. Marta, inmediatamente piensa en darle algo de comer, y su estrés se aumenta. Ella quiere quedar bien, quiere que Jesús cuando se vaya con la panza llena y Jesús pueda decir, “Marta es buena cocinera y buena hospitalaria.” El texto también nos dice que Marta se frustra y se enoja, porque María en vez de ayudarlo en la cocina, se sienta a los pies de Jesús. María sólo le interesa estar con Jesús, para escucharlo, sentir su amor y aprender más del Reino de Dios. Creo que esta historia de Marta y María es una historia buena para reflexionar en nuestra vida cotidiana. Callemos en la idea de que tenemos que ser mucho para agradarle a Dios. Y también nos frustramos y enojamos cuando vemos que otros no están haciendo lo correcto, lo debido, para complacer a Dios. ¿Qué necesita de Dios de nosotros? Lo único que Dios necesita de nosotros es que nos dejemos amar por Él. Que reconozcamos que somos sus hijos e hijas, hechos y creados por Él, y que nunca nos abandonará. Y una vez reconociendo su gran amor, seamos inspirados de seguir buscándolo y compartir con otros el amor que hemos recibido de Dios. Un amor que se mirará y sentirá en la paz que reflejamos a otros. ¡Dios es amor!

Annual Catholic Appeal

ACA is an important part the Church's outreach in the Diocese of San Diego. Every parish has to support the mission of the

Diocese. **Our goal this year is high: \$105,875.** It is a challenge for us to achieve it. So far, we have only collected about **\$72,000.** We need another **\$33,000 to reach our goal.** If we do not reach our goal, our parish must make up the difference. Please help us and the Diocese by making your contribution. The brochures that describe the good ministries done by ACA and how to contribute are located at the doors of the church. If you have any questions, call the parish office or stop by.

Thank you for your support!

Luke 10: 41-42

Mary has chosen what is better, and it will not be taken away from her."

Pope Leo XIV's Prayer Intention for July

During July, Pope Leo XIV asks us to pray for the gift of discernment:

Holy Spirit, you, light of our understanding, gentle breath that guides our decisions, grant me the grace to listen attentively to your voice and to discern the hidden paths of my heart, so that I may grasp what truly matters to you, and free my heart from its troubles.

I ask you for the grace to learn how to pause, to become aware of the way I act, of the feelings that dwell within me, and of the thoughts that overwhelm me which, so often, I fail to notice.

I long for my choices

to lead me to the joy of the Gospel.

Even if I must go through moments of doubt and fatigue, even if I must struggle, reflect, search, and begin again...

Because, at the end of the journey,

your consolation is the fruit of the right decision.

Grant me a deeper understanding of what moves me, so that I may reject what draws me away from Christ, and love him and serve him more fully.

Amen

16th Sunday in Ordinary Time

Jesus came into a village where a woman named Martha welcomes him into her house. As a responsible hostess Martha busily gets everything ready. Her sister Mary is found sitting with Jesus listening to him speak. Eventually, Martha addresses Jesus in the hope he will tell Mary to help her.

Sometimes we become anxious or worried because of all there is to do. Jesus reminds us that by listening to him, like Mary does, we can strive to be at peace in all we do.

Adults: Make it a habit to pause and pray before each chore or task that you do.

Children: When do you listen to Jesus?

Pray: *Jesus Christ, help us to listen to you.*

Blessings,

BirthChoice
MOBILE CLINIC & CARE CENTER

Baby Bottle Drive For Birth Choice

Once again, St. Patrick Parish will conduct a baby bottle drive to support the work of Birth Choice of San Marcos. Birth Choice is a pregnancy center and medical clinic that counsels women who are in an unplanned or crisis pregnancies. They provide free ultrasounds to all clients and receive no government funding.

The Baby Bottle Drive funds those ultrasounds. Each one costs about \$250 and the machines are in excess of \$25K. St. Patrick's donations last year enabled Birth Choice to provide our clients with over 25 free ultrasounds. Of those many were abortion minded. Birth Choice will soon be establishing a Fatherhood counseling program and also an Abortion Pill Reversal regimen.

Baby bottles will be distributed on the patio on the weekend of **July 26-27**. Please take a bottle and put your change, currency or a check in it. Each cent goes into the ultrasound ministry. **(Make checks payable to Birth Choice of San Marcos.)** Please return the filled bottles in the next week or two to the black bins located at the entrance of the church.

A WORD FROM THE PASTOR

I share the concern of many Church leaders regarding the treatment migrants in our country are receiving. Archbishop Jose Gomez has expressed it well; I quote him at length:

“Here in Los Angeles, I have been deeply disturbed by the reports of federal agents detaining people in public places, apparently without showing warrants or evidence that those they are taking into custody are in the country illegally. These actions are causing panic in our parishes and communities. People are staying home from Mass and work, parks and stores are empty, the streets in many neighborhoods are silent. Families are staying behind locked doors, out of fear.

“This situation is not worthy of a great nation. We may agree that the previous administration in Washington went too far in not securing our borders and in permitting far too many people to enter our country without vetting. But the current administration has offered no immigration policy beyond the stated goal of deporting thousands of people each day. This is not policy, it is punishment, and it can only result in cruel and arbitrary outcomes. Already we are hearing stories of innocent fathers and mothers being wrongly deported, with no recourse to appeal. A great nation can take the time and care to make distinctions and judge each case on its merits.

“It is estimated that as many as two-thirds of those in the country illegally have been living here for a decade or more. In the case of the so-called “Dreamers,” brought here as small children by undocumented parents, this is the only country they have ever known. The vast majority of “illegal aliens” are good neighbors, hardworking men and women, people of faith; they are making important contributions to vital sectors of the American economy: agriculture, construction, hospitality, health care, and more. They are parents and grandparents, active in our communities, charities, and churches.

“The last reform of our immigration laws was in 1986. That is two generations of neglect by our political and business leaders. It is not fair to punish only ordinary working men and women for that neglect. It is time for a new national conversation about immigration, one that is realistic and makes necessary moral and practical distinctions about those in our country illegally.

“I want to suggest some starting proposals for this new conversation, based on the principles of Catholic social teaching, which both recognize the duty of nations to control their borders and respects the natural rights of individuals to emigrate in search of a better life: First, we can agree that known terrorists and violent criminals should be deported, but in a way that is consistent with our values, that respects their rights to due process. We can tighten border security and use technologies and other means to help employers verify the legal status of their employees. We should reform legal immigration policies to ensure that our nation has the skilled workers it needs while continuing our historic commitment to uniting families through our immigration policy. We should restore our moral commitments to providing asylum and protective status to genuine refugees and endangered populations. Finally, and most importantly, we should find a way to offer legal status to those who have been in our country for many years, beginning with the Dreamers.

“These are not new ideas, but they are the start of a new conversation. And it is time that we start talking again and stop fighting in our streets.”

Thank you, **Archbishop Gomez**, for these wise and measured proposals. Let’s encourage our national leaders to adopt a sane and well-intentioned response to the situation in our country.

In one Heart,

Fr. Ron
