## A WORD FROM THE PASTOR

I want to thank the many people who have expressed their appreciation for the messages and content of our print bulletin and our email newsletter. I think of them not only as a way to communicate or advertise parish events, but also as a means of faith formation for adults and families. We will try to keep the topics relevant, timely and inspiring.

However, this week I want to speak about something more practical and mundane, but still quite important. Our parish owns just one vehicle. It is a 1996 white Chevy van. It is used for errands and shopping, for moving furniture/chairs or large objects from building to building, for picking up supplies that will be used for building and repair, and for delivering things that need to be brought in for repair.

**To say that this van has seen better days would be an understatement.** Among a host of other issues, it has a major problem with the steering mechanism. Over the years we have put a lot of money into repairing this van, but it has reached a point that it is “throwing good money after bad.” Last year I asked if anyone had a used van that they would donate. No one came forward. At this point, I have told our staff that the van can only be used for trips on campus or to our house on Tamarack. I don’t think it is safe for longer trips.

**Fortunately, we were able to find another used van that is in good condition.** We are able to purchase it for **\$10,000**. While it is a necessary expense, it is a big budget item for us. That is why I am asking for your help. We will pay for the (new) used van from our **Parish Construction and Repair Fund** (the “gold envelopes” that were formerly used to pay off our loan). The money in that fund is restricted to use for just such expenses. **Thank you to all of you who have continued to use your gold envelopes to contribute to this fund.**

During the month of November, we hope to raise the money for the van through extra donations from parishioners. You can use the gold envelope that comes in your bimonthly packet of envelopes. You can also use our online giving portal to make a donation to this fund. Or you may simply take a plain envelope and write “van” on it and put it in the collection basket. Anything that you can contribute will be a big help.

Thank you again for your ongoing support of our parish. As always, we take seriously the stewardship that has been entrusted to us to maintain the parish facilities, at the same time as we share the Good News of the Lord and strengthen the faith of parishioners of all ages, celebrate the sacraments joyfully, and reach out to those in need. May the Lord continue to bless this community of faith.

In one Heart,

Fr. Ron

### Un saludo del Diácono Miguel

Jesús dijo, “Y que los muertos resucitan, el mismo Moisés lo indica en el episodio de la zarza, cuando lo llama el Señor, **Dios de Abraham, Dios de Isaac, Dios de Jacob**. Porque Dios no es Dios de los muertos, sino de vivos, pues para Él todos viven”. Este domingo, el 32º Domingo de Tiempo Ordinario, en el Evangelio de San Lucas encontramos una conversación entre Jesús y los Saduceos. Los Saduceos eran muy apegados al Templo y aceptaban el Pentateuco, que eran los primeros 5 libros de la Biblia. Pero los Saduceos no creían en la Resurrección, ellos pensaban que cuando morían la vida que seguía era una continuación de esta vida. Y es por eso que la pregunta que le hacen a Jesús sobre la resurrección es sólo para ponerle una trampa para que caiga. Pero Jesús les responde que habrá distinción de esta vida que vivimos en este mundo a la vida futura, la vida celestial, “porque seremos como los ángeles e hijos de Dios”. ¿Cuál es tu idea sobre la resurrección? ¿Nos encontraremos con nuestros seres queridos que murieron antes? O, ¿tendremos que correr desesperadamente buscándolos? Muchas preguntas sin respuestas claras. Hay que recordar lo que nos dice Jesús, esta vida es muy diferente a lo que nos espera en la vida celestial. En esa vida celestial, ¡estaremos con el Dios de los Vivos, no el Dios de los muertos! No nos faltará nada, estaremos en su presencia mirándolo cara a cara. Es ese Dios que nuestros seres queridos difuntos están gozando hoy. Y es por eso que nuestras vidas deben reflejar lo que nos espera: gozo, alegría, compasión, inclusión, unidad, amor, perdón, etc. ¿Estamos reflejando esto?

- Diácono Miguel Enríquez

*LIFE-LONG PARISHIONERS*

## Thirty-Second Sunday in Ordinary Time – Year C

### First Reading

*2 Maccabees 7:1-2,9-14*

Jewish martyrs give witness to their faith, even unto death.

### Responsorial Psalm

*Psalm 17:1,5-6,8,15*

The just person will live in God's presence.

### Second Reading

*2 Thessalonians 2:16—3:5*

Paul encourages the Thessalonians and asks for their prayers.

### Gospel Reading

*Luke 20:27-38*

Jesus answers a question from some Sadducees about the resurrection of the dead. (short form Luke 20:27, 34-38)

### Background on the Gospel Reading

In today's Gospel, we hear about an encounter between Jesus and some Sadducees. The Sadducees were a party of Judaism active in Jesus' time, descended from the priestly family of Zadok. They were literal interpreters of the written Law of Moses, which means that they were in disagreement with the position of the Pharisees, who offered an oral interpretation of the Law of Moses.

The Sadducees are described in this Gospel as opponents to the belief in resurrection. In the dialogue presented here, we see an example of the means of disputation that was common in first century Judaism. The Sadducees use the example of Levirate marriage, found in the Law of Moses, to disprove belief in the resurrection.

According to Deuteronomy 25:5-10, if a man died without producing an heir, the man's brother should marry his wife and the offspring of this union would inherit the property and carry on the name of the man who had died. The Sadducees use this as an example to challenge belief in the resurrection.

Jesus argues from the same written Law of Moses to show that there is resurrection. Using the texts from the Book of Exodus (Chapter 3) that describe Moses' encounter with God in the burning bush, Jesus shows that God is the God of the living, not the dead. Here Jesus uses the same method and texts of the Sadducees to counter them. As the Gospel text suggests, he beat them at their own game!

More importantly, in this discourse Jesus shows the limits of our imaginations when it comes to eternal life. The Sadducees argued against resurrection because of the limits of earthly existence. They did not imagine another possibility for existence and relationship with God. Jesus proposes that the possibilities of resurrected life are beyond our imaginations. Jesus' conclusion suggests something else as well: To spend time worrying about resurrected life is to miss the point. The point is eternal relationship with God is possible, for God is the God of the living, “. . . for to him all are alive.”
