**A WORD FROM THE PASTOR**

I was so happy last weekend that we were able to have a beautiful celebration for the **First Reconciliation** of the students in our parish faith formation program. These were the young people who have their classes in English. We will have another service in March for those in our Spanish program. The young people who made their first confession at the service last week were so happy. I asked them how they were feeling. They shouted back words like “great,” “excited,” and “happy.” There were also some who said “nervous” but I assured them that it would be a wonderful experience. And it was! They left the church with smiles on their faces.

It was also a wonderful experience for their parents and family members who joined in the service. They were also invited to join in the celebration by going to confession. Even though it had been a while for some of them, they accepted the invitation and received this sacrament of God’s mercy. They also left the church with smiles on their faces.

I remember when I was young and some of us were afraid of confession or nervous about approaching a priest to confess. I am glad that we are now able to give people such a positive experience of the Sacrament of Reconciliation. Our priests are very welcoming and nonjudgmental. We are happy to extend God’s forgiveness to all who wish this sacrament.

As Catholics we believe that this sacrament is a special way to experience God’s mercy. Yes, there are other ways to know of God’s forgiveness. But this sacrament is an encounter with the risen Christ that is directed to each individual penitent. After confessing our sins to God’s representative, the priest offers us absolution from all of our sins. He is there to proclaim God’s mercy which is stronger than our sins. Each of us can also leave church with smiles on our faces after having celebrated this sacrament.

We have regularly scheduled times for individual confession **every Wednesday at 8:30 am and 6:00 pm**. Our neighboring parishes have confessions on other days, especially on Saturdays. The priests of our parish are also available to hear confessions by appointment. Just give a call!

During the season of Lent (which begins February 22), there will be many Penance Services scheduled throughout the parishes of North County. **Our Parish Lenten Penance Service will be on Wednesday, April 5** (just before Easter). The full schedule of all the area penance services will be published in the coming weeks.

“Give thanks to the Lord for he is good; for God’s mercy endures forever.”

In one Heart,

Fr. Ron

Un saludo del Diácono Miguel

Jesús dijo a sus discípulos, “Ustedes son la sal de la tierra... Ustedes son la luz del mundo... hagan, pues, que brille la luz de ustedes ante los hombres, para que viendo las buenas obras que ustedes hacen, den gloria a su Padre, que está en los cielos”. Mateo 5: 13a, 14ª, 16. Hoy celebramos el V Domingo del Tiempo Ordinario, y leemos del texto del Evangelio de San Mateo. Escuchamos que Jesús les habla a sus discípulos y les dice que ellos son “sal de la tierra y luz para el mundo”. La primera pregunta para nosotros es: “¿Soy un discípulo de Jesús?” La definición de “discípulo” es: PERSONA QUE RECIBE ENSEÑANZAS DE UN MAESTRO Y LO SIGUE. Todos **somos discípulos** de Jesús. Venimos a **misa**, muchos de nosotros **recibimos la Sagrada Comunión** cada semana, y **rezamos**. Pero al hacer esto, ¿qué cambia en nosotros? Jesús nos dice esta semana, que **somos “sal de la tierra y luz para el mundo”**. **Pensamos que no tenemos las palabras para predicar** las cosas de Jesús. Jesús “no nos pide” que prediquemos **con palabras**, nos dice que, por medio de **nuestras obras**, daremos **sabor a la tierra** que no tiene sabor. Que por medio de nuestras obras **seremos luz para el mundo**; y sabemos que en el mundo hay **mucha oscuridad** y necesita la **luz de Cristo**. Cristo **por medio de sus obras** curó a los **enfermos** y dio **esperanza** a los que no tenían esperanza. Ésa es **nuestra misión** como discípulos de Cristo, que **por medio de nuestras obras** los enfermos, los que **sufren y lloran**, los **oprimidos** y los **olvidados**, sienten y **miren el Reino de los Cielos**. *¿Podemos aceptar nuestra misión?*

- Diácono Miguel Enríquez

El grupo de matrimonios los invita a participar en nuestras reuniones todos los **sábados** después de la Santa Misa.

Reflection: Fifth Sunday in Ordinary Time

Jesus continues to teach his closest followers: *"You are the salt of the earth. You are the light of the world."* Jesus uses two elements that affect the things they come in contact with. Salt adds flavor to food. Light illuminates things. Jesus insists that his followers set examples in the way that they are with each other and how they treat others. *"Your light must shine before others, that they may see your good deeds and glorify your heavenly Father."* Jesus wants us to bring the brightness and flavor of God's love and mercy into our world.

Children: How can you let the light of Christ in you shine for others this week?

Adults: How can your family take the light of goodness and bring it out to your neighborhood and spread hope to others?

Prayer: Jesus Christ, be our Light.

Fifth Sunday of Ordinary Time – Year A

First Reading

Isaiah 58:7-10

In the work of justice, light shall break through darkness.

Responsorial Psalm

Psalm 112:4-9

The just person will be a light in the darkness.

Second Reading

1 Corinthians 2:1-5

Paul shows that he came to Corinth preaching Christ crucified.

Gospel Reading

Matthew 5:13-16

Jesus teaches that his disciples are to be the salt of the earth and the light of the world.

Background on the Gospel Reading

After teaching his disciples the Beatitudes (last Sunday's gospel), Jesus uses the now familiar metaphors of salt and light to describe the life of discipleship. We take salt and light for granted in our society, but these commodities were more precious in ancient cultures. Just as now, salt was used in Jesus' time for flavoring, as a preservative, and as a healing agent. Similarly, the widespread use of electricity in the modern world makes us less aware of the value and importance of light in our lives.

Still, our familiarity with this passage from Matthew's Gospel speaks well to the abiding power of the imagery that Jesus presented. Jesus' call to be salt for the earth and light for the world powerfully states our mission as Church and as Christians. Our commitment to social justice flows from the exhortation that Jesus gives us in today's Gospel. Some of the activities that this commitment leads us to are given more concrete expression as the Corporal and Spiritual Works of Mercy. When we feed the hungry, clothe the naked, console those who mourn, and so on, we show ourselves to be the salt of the earth and the light of the world. When we do these things with the community of faith, the Church, we are indeed acting as "a city set on a mountain" that cannot be hidden!
