CARE Effort and Past Year Goals

Basil Fathalla

Academic Year:	07/01/2021 - 06/30/2022
Clinical % of Effort:	0
Administrative % of Effort:	0
Research % of Effort:	0
Education % of Effort:	0

Prior Academic Year Goals

Year 1:	Will promote research and scholarly activity by collaborating with other faculty in AI division. Further resources for research activity is provided through CRI.
Year 5:	1) Expand to a capacity of 3 full time Pediatric Rheumatologists 2) Expand participation in research and educational activities: In the coming 1-2 years I plan to adjust percentage of time and effort as following: Clinical work 70% (currently 90%) Education 15 % (currently 5%) Research 15 % (currently 5%)

Basil M Fathalla, MD, ABP, ABP-Rheum

CURRICULUM VITAE

Date of preparation:	July 1 st 2022
-----------------------------	---------------------------

A. GENERAL INFORMATION

Name:	Basil M Fathalla
Office address:	Division of Allergy, Immunology and Rheumatology Pediatric Specialty Center 3950 Beaubien Blvd Detroit, MI 48201
Office telephone:	(313)-832-8550
Cell phone:	(248)-225-2919
Email:	bfathall@dmc.org basilfathalla@hotmail.com

B. EDUCATIONAL BACKGROUND

Degree	Institution Name and Location	Dates attended	Year Awarded
M.D.	Damascus University – School of Medicine, Damascus, Syria	1989-1995	1995

C. PROFESSIONAL POSITIONS AND EMPLOYMENT

1. Post-doctoral training

<i>Title</i>	<i>Institution name and location</i>	<i>Dates held</i>
Intern-ship / Resident	Pediatric Residency Program Henry Ford Hospital Detroit, Michigan / USA	July 1996 – June 1999
Chief Resident	Pediatric Residency Program Henry Ford Hospital Detroit, Michigan / USA	July 1999 – June 2000
Fellowship	Pediatric Rheumatology Fellowship Program The Floating Hospital for Children Tufts University / New England Medical Center Boston, Massachusetts / USA	July 2000 – June 2003

2. Academic positions (teaching and research)

<i>Title</i>	<i>Institution name and location</i>	<i>Dates held</i>
Associate Professor of Clinical Pediatrics	Central Michigan University	November 2020 - Present
Assistant Professor of Pediatrics - Clinical track	Weill Medical College of Cornell University – Qatar branch	Feb 2013 – Jan 2016
Assistant Professor of Pediatrics - Clinical track	Wayne State University School of Medicine Detroit, Michigan / USA	May 2009 – July 2011
Assistant Professor of Clinical Pediatrics	Weill Medical College of Cornell University – Qatar branch	Jan 2008 – April 15 th 2009
Assistant Professor of Pediatrics	Drexel University School of Medicine Philadelphia, Pennsylvania / USA	April 2006 – May 2007
Assistant Professor of Clinical Pediatrics	Weill Medical College of Cornell University – Qatar branch	April 2005 – Dec 2005
Clinical Instructor	Tufts University School of Medicine Boston, Massachusetts / USA	July 2000 – June 2003

3. Hospital positions (e.g., attending physician)

<i>Title</i>	<i>Institution name and location</i>	<i>Dates held</i>
Pediatric Rheumatology faculty	Department of Rheumatology Children's Hospital of Michigan Detroit / USA	October 1 st 2020 - Present
Consultant Pediatric Rheumatology	Al Jalila Children's Specialty Hospital, Dubai, UAE	January 18 th 2016 – August 30 th 2020
Senior Consultant & Head / Division of Rheumatology	Division of Rheumatology Department of Paediatrics Hamad General Hospital, Doha, Qatar	August 1 st 2011 – January 7 th 2016
Pediatric Rheumatology faculty	Department of Rheumatology	May 1 st 2009 – July 31 st 2011

	Children's Hospital of Michigan Detroit / USA	
Consultant & Head / Division of Rheumatology	Division of Rheumatology Department of Pediatrics Hamad General Hospital	July 1 st 2007 - April 15 th 2009
Pediatric Rheumatology faculty	Department of Rheumatology St. Christopher Hospital for Children Philadelphia, USA	Feb 2006 – June 2007
Consultant & Head / Division of Rheumatology	Division of Rheumatology Department of Paediatrics Hamad General Hospital	Nov. 2003 – Dec. 2005

D. LICENSURE, BOARD CERTIFICATION

1. Licensure

a. State	Number	Date of issue	Date of Expiration
Michigan Full License	4301068418	1999	Valid up to 31/01/2023
Dubai Health Care City Authority	CS0035-16	01 Aug 2016	Valid up to 29 July 2020
Dubai Health Authority (DHA)	DHA-P-0148766	17 Jan 2016	9 December 2017
Qatar	7422	02 Sep 2015	30 September 2017
Pennsylvania Full License	MD427787	14 October 2005	31 December 2010
Massachusetts Full License	213326	2002	1 November 2004

2. Board Certification

Full Name of Board	Board Certificate	Date of 1 st Certification
American Board Certification in Pediatric Rheumatology *	000202	Nov / 2004*
American Board Certification in General Pediatrics *	069811	Oct. / 2000*
* Fulfilling requirements of Maintenance of Certification for both American Boards of General Pediatrics and Pediatric Rheumatology Certifications		

E. PROFESSIONAL MEMBERSHIPS (medical and scientific societies)

Member/Officer	Name of Organization	Dates held
Member	PRoS: Pediatric Rheumatology European Society	2014 - Present
Member	International Society of Systemic Autoinflammatory Diseases (ISSAID)	2013 - Present
Fellow Member	American Academy of Pediatrics	2005 - 2019
Member	American Academy of Pediatrics	1996 – 2019
Member	American College of Rheumatology	2002 – Present

F. EXTRAMURAL PROFESSIONAL RESPONSIBILITIES

Responsibility	Dates
Member of Educational Governance Committee – Al Jalila Children’s Specialty Hospital	2019
Member of research Committee – Al Jalila Children’s Specialty Hospital	2016 – August 2020
Founding member of Pediatric Rheumatology Arab Group-PRAG a subgroup of ARLAR (Arab League Against Rheumatism).	February 2016
Co-Chair of Scientific committee for the First Global Paediatric Conference (Dec 2-4 / 2016) in Dubai commemorating the opening of Al Jalila Children’s Specialty Hospital.	2-4 th December 2016
Reviewer for: “Pediatric Radiology”, Official journal of the European Society of Pediatric Radiology, the Society for Pediatric Radiology, the Asian and Oceanic Society for Pediatric Radiology and the Sociedad Latino Americana de Radiologia Pediatrica.	2010 – 2012
Member of Scientific committee of the 8 th PAN Arab Rheumatology Meeting held in Doha, Qatar	January 22 – 24, 2008
Member of Scientific committee of the 3 rd Qatari International Pediatric Conference, Doha, Qatar	April 6 – 9, 2005

G. HONORS and AWARDS:

Recipient of the 2022 faculty teaching award at the Associate Professor level of the Pediatric Residency Program at Children's Hospital of Michigan: Awarded to one faculty member who is deemed by the pediatric residents as (a) dedicated to the education of our residents in all settings (clinical and didactic); (b) supportive of the learning environment and the educational goals of the residency program; and (c) excellent in teaching style and method.

Poster: Unusual Presentation of TTP in a Newly Diagnosed Patient with SLE in the Setting of COVID 19

2021 ASPHO (The American Society of Pediatric Hematology / Oncology)
Conference April 20-23 / 2021 (Held Virtually in 2021)

2) Thalange N, **Fathalla BM**

Poster: Simultaneous onset of type 1 diabetes mellitus & juvenile dermatomyositis complicated by diabetic ketoacidosis in a girl of 4 years
44th Annual Conference of the International Society for Pediatric and Adolescent Diabetes (ISPAD). Hyderabad, India, October 11 – 14, 2018.

3) **Fathalla BM**

Poster: Spectrum of Childhood Rheumatic diseases in Dubai and Northern Emirates in a New Tertiary Care Center: The First year Experience
Asia Pacific League of Associations for Rheumatology Congress (APLAR 2018). Kaohsiung, Taiwan, September 6 - 9, 2018.

4) **Fathalla BM**, Khan I, Khurram D, Gurbaxani A

Poster: The Yield of Laboratory Investigations in Evaluating Childhood Uveitis.
Asia Pacific League of Associations for Rheumatology Congress (APLAR 2018), Kaohsiung, Taiwan, September 6 - 9, 2018.

5) Al-Adba B, ZahrAldin K, El Bashir HO, Thomas R, Al-Khalifa M, Al-Marwani AA, Al-Faridi D, Al Dabbagh MM, **Fathalla BM**

Poster: Antiphospholipid Antibodies in Children with Down Syndrome
2017 Pediatric Rheumatology Symposium (PRSYM 2017). Houston, USA 05/17/2016 - 20/20/2017

6) Malik EU, Gurbaxani A, **Fathalla BM**

Poster: Autoinflammatory and Autoimmunity Overlap: Familial Mediterranean Fever and ANA-Positive Chronic Anterior Uveitis
9th Congress of International Society of Systemic Auto-Inflammatory Diseases (ISSAID). North Cyprus, May 4-7/2017.

7) Daia A, Kini V, **Fathalla BM**

Poster: Chronic Recurrent Multifocal Osteomyelitis in a Patient with Familial Mediterranean Fever
8th Congress of International Society of Systemic Auto-Inflammatory Diseases (ISSAID). Dresden, Germany Sep 29 – Oct 3, 2013.

8) Aladbe B, Aly A, Moussa T, El-Shanti H, Taha R, Al-Amri F, **Fathalla BM**

Oral Presentation: Autoinflammatory Disorders in Qatar.
Asia Pacific League of Associations for Rheumatology Congress (APLAR 2014). Cebu, Philippines April 2-4, 2014.

9) Moussa T, Bhat V, **Fathalla BM**

Poster: Chronic recurrent Multifocal Osteomyelitis: A case series from Qatar.
Asia Pacific League of Associations for Rheumatology Congress (APLAR 2014). Cebu,
Philippines April 2-4, 2014.

10) Moussa T, Aladbe B, Aly A, Taha R, El-Shanti H, **Fathalla BM**

Poster: Overlap of FMF and HIDS in one Arabic family.
7th Congress of International Society of Systemic Auto-Inflammatory Diseases (ISSAID).
Lausanne, Switzerland May 22-26, 2013.

11) Aladbe B, Aly A, Moussa T, El-Shanti H, Taha R, AlAmri F, **Fathalla BM**

Poster: Autoinflammatory Disorders in Qatar.
7th Congress of International Society of Systemic Auto-Inflammatory Diseases (ISSAID).
Lausanne, Switzerland May 22-26, 2013.

12) **Fathalla BM**, Al-Mutawa M, Al-Amri F, Al-Dosari S, Kambouris M, El-Shanti H.

Poster: A Novel Mutation in PSTPIP1 is Responsible For PAPA Syndrome in a Child.
7th Congress of International Society of Systemic Auto-Inflammatory Diseases (ISSAID).
Lausanne, Switzerland May 22-26, 2013.

13) Chiwane S, Chandrakasan S, Joshi A, Adams M, **Fathalla BM**

Poster: Childhood Takayasu Arteritis: A Case Series and Review of Literature.
2013 Pediatric Academic Society meeting (PAS 2013). Washington DC, USA May 4-7 2013

14) Chandrakan S, Savasan S, Sethi S, Poulik J, Kamat D, **Fathalla BM**, Buck S, RavindrathY.

Oral Presentation: Study of Macrophage Activation in Systemic Juvenile Idiopathic Arthritis.
Resident and Fellow Research Program / Children's Research Center of
Michigan, Detroit, MI, USA (May 11 2011)

15) Chandrakasan S, Adams M, **Fathalla BM**

Poster: Genetic Testing for Periodic Fever Syndromes in a Cohort of Patients from a Single
Center in Southeast Michigan.
Clinical Immunology Society 2nd Annual Meeting, Chicago, USA. (May 19 – 22, 2011).

16) **Fathalla BM**, Goldsmith D

Poster: Undifferentiated Connective Tissue Disease in Children.
71st annual meeting of the American College of Rheumatology in
Boston, USA (6 – 1 November 2007).

4. Presentations – Invited Speaker :

- 1) Dermatological Manifestations of Childhood Rheumatic Diseases
Grand Rounds 5/4/2022 – Department of Dermatology / Henry Ford Hospital
- 2) Neonatal Rheumatology: An Overview of an Evolving Frontier
Annual CHM Clinics Day 5/13/2022

- 3) Autoinflammatory Disorders: Classification and disease Mechanisms
Grand Rounds 6/10/2022 – Department of Allergy/Immunology and Rheumatology CHM
- 4) Diagnostic Approach of Childhood Rheumatic Diseases for Emergency Physicians
Grand Rounds 6/15/2022 – Department of Emergency CHM
- 5) Neonatal Rheumatology for the Adult Rheumatologist
Grand Rounds 6/24/2022 – Adult rheumatology Program – Harper Hospital
Detroit Medical Center / Wayne State University
- 6) Horror Autoinflammaticus
Grand Rounds October 1st 2021 – Department of Pediatrics / CHM
Children' Hospital of Michigan
- 7) Autoinflammatory Disorders – Lessons Learned from Clinical Practice
Grand Rounds June 25th 2021 - Adult rheumatology Program – Harper Hospital
Detroit Medical Center / Wayne State University
- 8) Juvenile Idiopathic Arthritis
Pediatric Residency Program Academic Day June 25th 2021
Children' Hospital of Michigan
- 9) Laboratory tests in Pediatric Rheumatology
Allergy Immunology Fellowship Program Academic Day June 25th 2021
- 10) Transition of Care to Adult Rheumatology
Quarterly meeting – Emirates Society of Rheumatology
13 September 2019
- 11) When is Time to Withdraw Biologics in JIA
Saudi Society of rheumatology annual meeting – Riyadh, KSA
29 – 30 March 2019
- 12) Neonatal Rheumatology – An Overview of an Evolving Frontier
Pediatric Rheumatology Arab Group-PRAG – Luxor Egypt
12 – 13 February 2019
- 13) Pediatric Rheumatology Cases: *Something old, something new*
Kalba Hospital Pediatric Conference
5 May 2018
Kalba, UAE
- 14) Childhood auto inflammatory diseases (work shop)
Antiphospholipid antibodies in children
Arab League against Rheumatism (ARLAR) – Muscat, Oman
23 – 25 February 2018
- 15) Spectrum of Childhood Rheumatic Diseases in Dubai and Northern Emirates
4th Emirates Society of Rheumatology meeting – Abu Dhabi, UAE
16 December 2017
- 16) Autoinflammatory disorders in Arabic Children
19th Congress of the Asia Pacific League of Associations for Rheumatology (APLAR 2017) -
Dubai, UAE , 16 – 20 November 2017

- 17) Approach to autoimmune systemic connective tissue diseases in children
Dubai Pediatric Club Group - Dubai / UAE
13 November 2017
- 18) Horror Autoinflammaticus: Lessons we have learned from clinical practice
Grand Round - Al Jalila Children Specialty Hospital
23 February 2017
- 19) Periodic Fever Syndromes: A Regional Experience
First Global Pediatric Conference - Dubai / UAE
2 – 4 December 2016
- 20) Chronic Arthritides of Childhood: Past, Present, Future
Dubai Pediatric Club Group - Dubai / UAE
30 November 2016
- 21) Chronic Arthritis in Children
Grand Round – Al Jalila Children Specialty Hospital
16 March 2016
- 22) Juvenile Idiopathic Arthritis: Classification and Management
3rd Qatar Ophthalmology Conference – Doha, Qatar
21 – 24 January 2014
- 23) Autoinflammatory Disorders in Children: Reflections on the Experience from Qatar
11th PAN Arab Rheumatology Society Congress - Dubai, UAE
14 – 17 January 2014
- 24) Childhood Autoinflammatory Disorders
The 7th Annual Pediatric Conference of Tawam Hospital - Al-Ain City, UAE
March 2013
- 25) Childhood CNS Vasculitis AND / Idiopathic Inflammatory Myopathies in Children
The 2nd Pediatric Neurology Conference of Mafraq Hospital, Abu Dhabi, UAE
9 – 10 February 2013
- 26) Autoinflammatory Disorders in Children: New Advances in Disease Mechanisms
Classification and Management of Systemic onset Juvenile Idiopathic Arthritis
15th Congress of the Asia Pacific League of Associations for Rheumatology (APLAR 2012) -
Dead Sea, Jordan, 10 – 14 September 2012
- 27) Autoinflammatory Disorders of the Bones
Advances in JIA treatment: lessons learned from clinical trials
10th PAN Arab Rheumatology Society Congress - Jeddah, Saudi Arabia
16 – 19 January 2012
- 20) Pediatric Rheumatology for the American Board of Pediatrics Exam
Annual Pediatric Board Review Course
Children's Hospital of Michigan - Detroit, MI, USA
4 April 15th 2011
- 21) Systemic Autoimmune Connective Tissue Diseases in Children
Department of Pediatrics / St. John Hospital and Medical Center - Detroit, 21 May 2010

- 22) Juvenile Idiopathic Arthritis: New Insights into Classifications and treatment
Department of Pediatrics / St. John Hospital and Medical Center - Detroit, MI. USA
6 May 2010
- 23) Extra-renal manifestations in Juvenile Systemic Lupus Erythematosus
Second Jordanian Rheumatology Congress
9th PAN Arab Rheumatology Society Congress - Dead Sea, Jordan
19 – 22 April 2010
- 24) Pediatric Rheumatology for the Primary Care Provider
Wayne State University's College of Nursing - Detroit, MI. USA
14 July 2009
- 25) Autoinflammatory Disorders: *New Insights into Ancient diseases*
The 3rd Annual Pediatric Conference of Tawam Hospital - Al-Ain City, UAE
15 – 17 April 2009
- 26) Diagnosis and Management of Joint Pain in Obese Children and Adolescent
Continuing medical education activity City of Philadelphia District Health Care Center's /
Sponsored by the Arthritis Foundation.
In-Service Program for Pediatric and Family Practice Clinicians.
Philadelphia, PA, USA , 27 April 2007
- 27) Juvenile Idiopathic Arthritides
Rheumatology Grand Rounds / Albert Einstein Medical Center - Philadelphia, PA. USA
16 November 2006
- 29) Fever of Unknown Origin: Expanding the Differential Diagnosis
55th Annual Update Pediatrics Seminar - Philadelphia, PA. USA
17 – 19 May 2006

☒ I, Basil Fathalla, Certify that the CV that is uploaded (reviewed) is accurate and up to date.

Clinical Evaluation

Basil Fathalla

Rating:	Excellent
---------	-----------

Faculty Highlights:

- 1) I am the only provider covering a very busy pediatric rheumatology service in an academic tertiary children hospital - historically this service was covered by three providers
- 2) Four clinics per week with multiple add on clinics to accommodate seeing patients on the waiting list
- 3) 24/7 coverage for out-side consults, ER, PICU, NICU and in-patient services
- 4) Maintaining Board certification in both General Pediatrics and Rheumatology

Please use the next step to optionally upload supporting documentation.

Administrative Evaluation

Basil Fathalla

Rating: Not Applicable

Faculty Highlights:

Research / Scholarship Evaluation

Basil Fathalla

Rating: Satisfactory

Faculty Highlights:

Priority was given this year to clinical work because I am the only pediatric rheumatologist covering a very busy pediatric rheumatology service in an academic tertiary Children's Hospital. Moreover, there is scare alternatives to most of our patients due to the very limited number of pediatric rheumatologists in the state of Michigan. Nonetheless, several important initiatives and work was conducted last year and highlighted herein:

1) Publications:

Al-Antary ET, Arar R, Persaud Y, Fathalla BM, Rajpurkar M, Bhambhani K. Unusual Presentation of Thrombotic Thrombocytopenic Purpura in a Newly Diagnosed Pediatric Patient With Systemic Lupus Erythematosus in the Setting of MIS-C. J Pediatr Hematol Oncol. 2022 Apr 1;44(3):e812-e815. doi: 10.1097/MPH.0000000000002370. PMID: 35319513.

2) Scientific groups:

Member in the newly formed Children's Immune Dysregulation Group - a scientific collaborative group based at Children's Hospital of Michigan including Immunology, Rheumatology, and Hematology/Oncology disciplines for the purpose of collaborating at the level of clinical care and research activities.

3) Research Projects:

Project 2021-1151-CHM

Title: Cellular Characteristics and Mediators in Hemophagocytic Lymphohistocytosis (HLH)/Macrophage Activation Syndrome (MAS)

Role: co-author

Status: IRB approval pending

2022-619-CHM

Title: Spectrum of childhood rheumatic diseases in Southeast Michigan: A Retrospective Review

Role: PI

Status: IRB approval pending

Please use the next step to optionally upload supporting documentation.

Education Evaluation

Basil Fathalla

Rating: Excellent

Faculty Highlights:

1) Recipient of the faculty teaching award at the associate professor level: Awarded to the faculty member who is deemed by the pediatric residents as (a) dedicated to the education of residents in all settings (clinical and didactic); (b) supportive of the learning environment and the educational goals of the residency program; and (c) excellent in teaching style and method.

2) Electives in pediatric rheumatology expanded this past academic year to the following groups:

Pediatric Residents at Children's Hospital of Michigan

Allergy / Immunology Fellows at Children's Hospital of Michigan

Adult rheumatology Fellows - Adult rheumatology Program – Harper Hospital at Detroit Medical Center / Wayne State University

Dermatology Fellow - Department of Dermatology / Henry Ford Hospital

3) Invited speaker:

Neonatal Rheumatology for the Adult Rheumatologist

Grand Rounds 6/24/2022 – Adult rheumatology Program – Harper Hospital

Detroit Medical Center / Wayne State University

Diagnostic Approach of Childhood Rheumatic Diseases for Emergency Physicians

Grand Rounds 6/15/2022 – Department of Emergency / Children's Hospital of Michigan

Autoinflammatory Disorders: Classification and disease Mechanisms

Grand Rounds 6/10/2022 – Department of Allergy/Immunology and Rheumatology - Children's Hospital of Michigan

Neonatal Rheumatology: An Overview of an Evolving Frontier

Annual Clinics Day 5/13/2022 - Children's Hospital of Michigan

Dermatological Manifestations of Childhood Rheumatic Diseases

Academic Goals

Basil Fathalla

Prior Academic Year Goals

Please review your 1-year goals that were set at the beginning of the Academic Year. These goals described the objectives and products, etc., to be reached and produced in the coming year that move toward fulfillment of the 5-year vision describe in your 5-year goals. Please use the below box to discuss the extent to which you have achieved your 1-year goals.

Year 1:	Collaboration with other clinical services was ensued. Currently primary investigator and co-investigator for two projects undergoing IRB approval.
---------	---

Please review the 5-year goals that were set at the beginning of the Academic Year. These goals described your professional vision and trajectory for the upcoming 5-year period. Your plan might have included a succinct statement of overall goals, a list of intermediate objectives to be reached along the way, suggestions of additional educational or training experiences to assist you, and an enumeration of the products (publications, presentation, grants; courses taught; skills gained; etc.) of your work. Please use the below box to reflect upon which goals you have made progress on.

Year 5:	Efforts to expand to a capacity of 3 full time Pediatric Rheumatologists is in process. Expanding participation in research and educational activities is also moving forward as detailed in the evaluation. Increased time and effort allocated to education and research activities from 5% of time to 10% of time for each.
---------	--

Upcoming Academic Year Goals

ONE YEAR GOALS- Please list your goals for the upcoming academic year. These goals should describe the objectives and products, etc., to be reached and produced in the coming year that move toward fulfillment of the 5-year vision describe in your 5-year goals.

Primary goal remains to recruit additional pediatric rheumatologist, nonetheless, by the time this difficult goal is achieved we will work on recruiting one nurse practitioner for the purpose of training in the field of rheumatology as such training will need a minimum of 1-2 years of work, this will help expand the service by the time the ultimate goal of recruiting rheumatologist is achieved.

FIVE YEAR GOALS- Please review your 5-year goals and adjust those goals or add new goals in the box below.

- 1) Expand to a capacity of 3 full time Pediatric Rheumatologists
- 2) Expand participation in research and educational activities
- 3) Adjust percentage of time and effort as following: Clinical work 70% (currently 80%) Education 15 % (currently 10%) Research 15 % (currently 10%)
- 4) Complete at least one research project and at least 2 publications

Faculty Information Form

Basil Fathalla

Do you plan to apply for promotion or
tenure as applicable next 12 to 24 months?

No

Please describe how the College of
Medicine can support you in your career.

Provide opportunities for funding for research projects.

Chair Review Form

Basil Fathalla

Clinical Chair Evaluation:	Excellent
Chair/Reviewer Comments:	Dr. Fathalla is an excellent and very knowledgeable clinician. He sees patients with wide ranges of rheumatologic disorders. Dr. Fathalla is also a founding member of Children's Immune Dysregulation Committee which is a multidisciplinary workgroup to discuss and improve co-management of patients with complex medical diagnoses that span the disciplines of rheumatology, hematology/oncology and immunology. I agree with his self-evaluation.
Administrative Chair Evaluation:	Excellent
Chair/Reviewer Comments:	Dr. Fathalla has done a great job in managing, improving and accommodating patients access in pediatric rheumatology clinic as a sole pediatric rheumatologist of our department.
Research Chair Evaluation:	Very Good
Chair/Reviewer Comments:	Dr. Fathalla is a PI in a research project, a co-PI in research projects within our division (Immune profile in Children taking immunosuppressants), and a co-PI on a research project with Hematology/Oncology department, regardless of his clinical service commitment. He also published 2 case reports in 2021-2022. I believe his research/scholarship evaluation is very good.
Education Chair Evaluation:	Excellent
Chair/Reviewer Comments:	Dr. Fathalla is an excellent teacher. As highlighted in his self-evaluation, he is the recipient of pediatric residency faculty teaching award. He also gives multiple formal lectures for Allergy/Immunology fellows and pediatric residents at CHM. He also contributes locally as an invited lecturer for various institutions.
Professionalism Chair Evaluation:	Excellent
Chair/Reviewer Comments:	Dr. Fathalla is very pleasant to work with and is very well respected. He works very well with other faculty, trainees, nurses and other hospital staffs.
1 Year Goal Chair/Reviewer Comments:	Dr. Fathalla has a good progression towards accomplishing 1-year goals.
5 Year Goal Chair/Reviewer Comments:	I believe Dr. Fathalla will accomplish his 5-year goals at his current rate of service and contributions. His involvement with the division research projects and publications are highly encouraged. Application to Children's Foundation as a research PI or co-PI will also be encouraged. The division recruitment effort for pediatric rheumatologist is on-going and is highly supported.
Review and Suggestions for new one-year goals:	Continue as highlighted in the self-report.
Did the faculty member indicate that they will be applying for promotion or tenure within the next 12 to 24 months?	No
