Special Ministry Partner Highlight: Butterflies & Birdies

Butterflies & Birdies Foundation donated 50 Owlets to CPC! FDA-approved and retailing for \$300, the **Owlet Dream Sock** tracks a baby's heart rate and oxygen levels—alerting parents if readings fall outside preset ranges. It offers peace of mind and potentially lifesaving early warnings. Our clients have been so excited to get their Owlets! Thank you to their incredible team for this beautiful gift! **THANK YOU to all who participated in our 2026

Congratulations to our TOP 5 Churches!
