Dear Valued Partners,

I am excited to introduce **Fast Pro Bags and Textiles, Inc.**... the same manufacturing operations in Mexico of over 25 years, but with a new name. We are proud to maintain our vertically integrated FIBC and fabric manufacturing operations in Mexico with the same tax ID for your convenience. Under this new banner, we remain committed to delivering the same high standards of quality, safety, innovation, and operational efficiency that you have come to expect from us.

Leadership:

- **Jodi Williamson Simons** – Chief Executive Officer, bringing over 30 years of visionary leadership.
- **Krystavel Zulaica** – Vice President of Operations, with over 15 years of dedicated service in the FIBC industry, will oversee operations and sales to maintain our exceptional standards.

BAG Corp has changed ownership and is now officially part of the **United Bags** family.

We deeply value your continued partnership and trust. I look forward to working together to unlock new opportunities and build an even stronger future.

Sincerely,
Jodi Williamson Simons
