

Why Choose *The Private Doctors*.

At The Private Doctors, our philosophy is simple: natural results, advanced science, and discreet care.

We believe in doing less, but doing it better. Every treatment is personally overseen by Dr Sandy, whose expertise in facial anatomy, skin biology, and regenerative medicine ensures results that are safe, natural, and enduring.

A full consultation is required prior to any treatment to ensure suitability and to discuss your individual goals. A deposit may be required to secure your appointment.

This will be deducted from the final cost of treatment. All treatments are strictly for patients aged 18 and over. Proof of age will be required.
