

BIGGENDEN STATE SCHOOL AWARDS NIGHT

Best of the best honoured

QUEENSLAND Police Inspector Kevin Gutteridge told Biggenden State School students to have passion, dedication and commitment and to "aim as high as you want to go".

Explaining he was a simple copper by trade, the inspector inspired his audience outlining his life as a policeman across rural and regional Queensland for 27 years.

"I always get a special feeling coming to Biggenden," Insp Gutteridge said.

"It is an incredible humbling experience to attend these awards.

"There is always a degree of pride across this community."
