ADOPT A

Become a Prayer Partner

CENTER

Together, we can lift up the needs of pregnancy resource centers, strengthen their staff and volunteers, and bless their life-saving missions.

Individuals, groups, and entire churches can sign up to adopt a pregnancy resource center. Elevate Life will then send you the name of the center you will be praying for, along with the center's executive director's contact information, so you can let them know you are praying for them and learn any specific prayer needs the center may have.
