

Special Educational Needs (SEN) Support

At our nurseries we are committed to providing a fully inclusive environment where every child is valued, supported, and given the opportunity to thrive. We recognise that children develop in different ways and at different rates, and we are dedicated to meeting the individual needs of all children, including those with Special Educational Needs and Disabilities (SEND).

Our Inclusive Approach

We believe that early identification and support are key to helping children reach their full potential. Our experienced and caring staff work closely with children and families to ensure that each child's needs are understood and supported in a positive, nurturing way.

We provide:

- A welcoming and inclusive environment for all children.
- Individualised support tailored to each child's needs.
- Staff trained in supporting a range of SEN and developmental needs.
- Adapted activities and resources to support learning and development.

Working in Partnership

We value strong partnerships with parents and carers and believe open communication is essential. We work closely with families to share observations, celebrate progress, and agree on next steps.

Where appropriate, we also collaborate with external professionals such as:

- Speech and Language Therapists
- Health Visitors
- Early Years SEN Advisory Teams
- Educational Psychologists

SENCO Support

Our nursery has a designated **Special Educational Needs Coordinator (SENCO)** who oversees SEN provision and ensures that appropriate support strategies are in place. The SENCO supports staff, works with families, and coordinates with external agencies to ensure consistent and effective support for each child.

Our Commitment

We are committed to:

- Promoting equality and inclusion
- Supporting children's confidence, independence, and wellbeing
- Helping every child feel safe, respected, and included

If you have any questions or would like to discuss your child's individual needs, please speak to a member of our team.

We are always happy to help.
