

**Lake Elsinore** is a stunning city in the western part of California. According to the 2010 census, the population recorded here was about 51,821. The city acts as an abode to the baseball club of Lake Elsinore. As per the Census Bureau of the United States, Lake Elsinore has an area of 41 square miles out of which 36.2 square miles comprises of land. <br /><br />

The city, formerly known as Laguna Grande, is regarded as the largest lake in South California. It is located at a low point within the watershed in San Jacinto at the finishing of the Jacinto River. The headwaters emerge from the western parts of Jacinto peak with the Northern Fork and in the South Fork with Lake Hemet. The levels of the lake are above the sea level with a volume of 30,000 feet and generally fluctuate. <br /><br />

The city is bounded by the mountains in the west, which is a division of the Santa Mountain and receives rainfall for a few months every year. The Santa Mountains include El Cariso and Cleveland Forest. The city forms a major division of the Temecula Valley and the northern part is regarded as a part of the Canyon. It is a city which adjoins a large ecological area. For differentiating the broad variety of neighborhoods the city is planned in 12 districts. Every district observes a unique geography, age, background and culture which make the city diverse. The Ballpark, East Lake Historic, Lake Elsinore Hills, Riverview Districts and Lake Edge are some of the neighboring places. <br /><br />

**Lake Elsinore** normally has a pleasant weather round the year. On an average, July is the warmest month and December, the coolest. The city is also popular for its flourishing economic conditions. The first shopping mall of California was built in the north western area of Lake Elsinore in 1990 on the Collier Road. The mall consists of wide varieties of retailers selling shoes, food products, perfumes, garden boutiques, delicacies and electronic goods. The Visitor Bureau of the city takes every effort for expanding tourism in this area. <br /><br />

**Lake Elsinore** also offers affordable housing opportunities. With lots of Homeowner Association projects. The Lake Elsinore rentals offer reasonable housing options to people living here. One of the easiest ways of finding affordable houses in the city is to find the best rental. Lake Elsinore rentals are available in different types, sizes and prices to people from all across the world. Some of the apartments in this city are meant for the couples, whereas there are also houses designed especially for the college students. <br /><br />

Before choosing any of the houses in Lake Elsinore, you should consider some points like: <br /><br />

How many rooms are required <br />

- Do you need balconies or patios to be covered? <br />
- Are you looking for a house that has a garage? <br />
- Do you want to have a well equipped kitchen? <br /><br />
