General Price List

Prices are effective as of January 19, 2026 and are subject to change without notice.

The following disclosure is required by the Federal Trade Commission:

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Terms of Payment:

We understand this is a difficult time, and our team works diligently to support families through every detail. To ensure arrangements proceed smoothly, payment in full is required within 48 hours of finalizing arrangements and prior to the scheduled service.

Orders for merchandise and additional services—including caskets, urns, catering, flowers, and printed materials—are placed upon receipt of payment. If payment is delayed, some items may not be available in time for the service.

Acceptable forms of payment are:

- **Funded Funeral Prearrangement:** Many people choose to pay for a funeral in advance with a funded funeral prearrangement. Funeral Plans funded with an insurance policy, trust, or annuity are accepted.
- **Cash or Check:** Cash is always an acceptable payment option.
- **Bank Transfer:** This form of payment requires a bank account.
- **Credit Card:** All major credit cards accepted (Visa, Mastercard, AMEX, Discover).

Refund Policy:

It is the policy of this funeral home to make refunds in full for any services or merchandise that have been canceled 48 hours or more in advance and not provided by this funeral home. Any services provided and any merchandise or third-party items (such as catering, flowers, and print materials) already delivered for the service cannot be canceled or refunded.

Refunds will be made by check, only after we have received confirmation that the funds paid have cleared our bank.

Living Stones

Living Stones are beautiful handmade memorial keepsakes that combine a small portion of a loved one's cremated remains with natural minerals in a unique process that results in a stunning smooth and durable stone. They are created by skilled artisans in state-of-the-art production studios in Colorado and Ohio, and the process takes approximately 45 days to complete. The portion of a loved one's cremains required is based on the number of stones created.
