GOOD TO KNOW

- This is rec soccer for 4- and 5-year-olds. Not the World Cup. Keep it light and have fun.
- Games are 4v4 with no goalies. We don't keep score, and every kid should roughly play equal minutes.
- Respect the refs. Zero tolerance for referee abuse from coaches or spectators. Many of our refs are kids themselves. Help manage your sideline and set the example.
- Keep it positive. Good sportsmanship toward players, opponents, refs, and families is expected. The kids pick up on the tone set by the adults.
- Cheer all you want, but leave the coaching to the coaches.
- Fans sit on the side opposite the teams, and not behind the goals.
- No alcohol or pets at the fields.
- See an issue? Bring it to the BAC board. Don't escalate at the field. Let us know and we'll handle it through the proper channels.
