

Healthcare Services

Your recovery is our priority. We offer a variety of services to assist in your recovery — skilled nursing care; physical, occupational and speech therapies; and personal care.

Broad Acres Health and Rehabilitation offers short-term rehabilitation, long-term care and outpatient therapy services, and Country Terrace offers personal care and outpatient therapy services. We accept Medicare, Medicaid, private pay and most commercial insurances.

Our Mission

To provide compassionate care and service through a holistic approach to our customers.
