2026 Kansas Society of Dermatology & Dermatologic Surgery Conference

The Kansas Society of Dermatology & Dermatologic Surgery (KSDDS) is proud to host its annual in-person conference, bringing together a vibrant community of dermatology professionals from across the state. We invite your organization to participate in this exclusive event, where you can connect directly with the dermatology community and showcase your solutions.

Why Exhibit at KSDDS 2026?

- **Engage** directly with practicing dermatologists in a collaborative, face-to-face setting
- **Promote** your brand, services, and products to a targeted audience
- **Build relationships** with healthcare decision-makers and clinical influencers
- **Stay informed** on the latest developments and innovations in dermatologic care

150+ professionals are expected to attend, including:

Board-certified dermatologists

Mid-level providers (PAs and NPs)

Key stakeholders in dermatologic medicine
