Teamsnap ONE System Emails

In order to reach all of the account contacts we use Teamsnap 1 to send out most of our emails. Do you feel like you might be missing emails from us?

- Check Your Email and search for subject lines that include 'TeamSnap ONE'
- Search for emails from: donotreply@email.teamsnap.com
- Check all folders: Spam/Junk, Promotions/Updates, and Trash/Bin.
- Make sure you don't have any email rules that are filtering out TeamSnap emails

TeamSnap ONE

Teamsnap ONE is the new platform we are using for registration, our website and to help manage communications.

Tips:

1. Use TS1 chats for logistics, not for grievances...Email Admin or TD for this. We want your feedback!
2. Leave the main team chat for one-way coach communication
3. Create separate chats to streamline communications (E.g. carpooling, tournaments, parents chat)
