Dear St. Peter Catholic School Families,

I would like to take this opportunity to thank you for choosing St. Peter Catholic School for your child's Catholic education. We know that one of the most important decisions you make as a parent/guardian is that of choosing the best education you can for your child.

St. Peter Parish Finance Council approved tuition and childcare rates for the 2026-2027 school year with recommendations from the School Advisory Committee. When determining the tuition and childcare rates for 2026-2027 we considered the current inflation rate, staff salaries/wages, tuition rates of all the Catholic Schools in our deanery, and the current cost of childcare in the Washington and Dodge County areas.

Please note that tuition assistance is available for the families that need help with tuition costs. Tuition Assistance is kept confidential and only the principal and pastor review the tuition assistance forms.

St. Peter Catholic School is participating in **School Choice** for the fourth year in a row. Please review the flyer to see if you are eligible for School Choice at St. Peter Catholic School (**WPCP ONLY INCOME LIMITS Chart Only**).
