

The term “soft skills” refers to a collection of different skills and abilities, and they also go by many different names. List some of them below:

---

---

What is the difference between soft skills and hard skills? Can you suggest some that fit into each category?

Soft skills are:

---

---

---

Hard skills are:

---

---

---

Think about someone you admire / look up to / think is successful, and recorded their name in the space below. If you can't identify someone real, think about your favourite superhero or most admired game character.

My role model is: \_\_\_\_\_

What **soft skills** does that person have that make them successful? \_\_\_\_\_

\_\_\_\_\_

What **hard skills** does that person have that make them successful? \_\_\_\_\_

\_\_\_\_\_

How do you know they have those skills? \_\_\_\_\_

\_\_\_\_\_

How do they use them? \_\_\_\_\_

\_\_\_\_\_
