2026–2027 Student Lunch Account Information

Welcome to the 2026–2027 school year!

We are excited to continue our partnership with St. Vincent Pallotti High School as the caterer for student lunches. Below you will find information and step-by-step instructions for creating and funding your student's lunch account.

Creating Your Student's Lunch Account

1. Visit [Pallotti's School Dining page](#).
2. Click on "Lunch Payment System."
3. You will be prompted to create a school account.
4. Once your account is created, click "Add Child." Each student needs a separate account.
5. Enter your student's Student ID number when prompted. The Student ID can be found at the top of your student's schedule and begins with 1000**.
6. Once your student is added, you can add funds to their lunch account and set up optional automatic payments and/or low-balance alerts.

Payment Options

There are three ways to add money to your student's lunch account:

1. ACH Payment – 3.5% fee

Payments can be made using your checking account and routing number.

2. Credit or Debit Card – 3.8% fee

Major credit and debit cards are accepted.

3. Cash or Check – No Fee

Checks should be made payable to Zest Food Service.

If paying by cash or check, please have your student give the payment directly to Mrs. Hare. She can be found in the front office next to Ms. Edwards or in the cafeteria.

Important Information

- All student lunch purchases must be made through the cafeteria plan using the student's Student ID.
- If your student is new to Pallotti and does not know their Student ID number, Mrs. Hare can look up their account.
- Student IDs will be provided to students during the second week of school.
- As payments are made, each student's account balance will be updated and available for viewing.
- Cash is also accepted for cafeteria purchases.
