THE HOPPERS

WWW.THEHOPPERS.COM

With humble beginnings as rural farm-boys, The Hoppers were organized in 1957 by founding member and owner Claude Hopper along with brothers; Will, Steve, Paul, and Monroe. The Hoppers memoir, *After All These Years*, tells the heartwarming story of how the group later came to be known as The Hopper Brothers and Connie. In the summer of 1958, Claude Hopper took a lunch break from his part-time job at the A & P Grocery store in Madison, NC, taking a walk to the corner. Connie Shelton was driving in the little downtown section of Madison and drove up to the light at the corner, saw Claude, and glanced over his way. "It was my big chance to ask her to play piano for us!" says Claude. Smiling from the corner, Claude motioned for Connie to roll her window down and hollered: "Hey, Connie! My brothers and I are singing together in a gospel quartet. Would you be interested in playing for us?" Connie answered, "I'll have to think about it." Then, the light turned green and she found herself blurring out: "Uh-oh-okay!"

Over the years, the Hopper Brothers and Connie (now known as The Hoppers) welcomed and mentored many musicians and singers who have gone on to their acclaimed service in Christian music. Connie and Claude's two sons, Dean and Michael, joined the group full-time as lead vocalist and drummer/vocalist and business leaders in the industry.

"Christ is the reason we sing,"

Formed in 2002, the then named Integrity Quartet began their ministry together at the Louise Mandrell Theater in Pigeon Forge, Tennessee. In December of 2004, after a nationwide contest to submit entries, Integrity Quartet changed their name to Triumphant Quartet.

2012 has started out as another wonderful year for Triumphant. Their current recording, Songs from the Heart came from each member of the group. Each member wrote two songs. They have just received their 3rd number one song, Almost Home, written by Scotty Inman. Also climbing the charts is their 2nd single release Lets All Stand for America, written by David Sutton, from this same project. Triumphant's album, Song From The Heart, was named favorite Album of the Year by the Singing News Magazine.

With all of the accolades, numerous top 10 radio singles and continued success, the men of Triumphant keep their work in perspective. They are truly humbled and grateful for the support their fans have shown for their music and ministry. They reaffirm that their main focus is to keep God first in everything they do. Triumphant's powerful combination of talent, commitment, and unwavering faith insures that the years to come will bring even more success...in God's name.

SOUL'D OUT QUARTET

Friday, August 2 7:30 p.m.

Gospel Tent

Based in Georgetown, Ohio, Soul'd Out Ministries was formed in 2001 as a trio and then reformed as an all male quartet in 2004. Soul'd Out is a full time ministry touring 25 states each year. SOQT performs in churches, theatres, fairs/festivals, Dollywood, Silver Dollar City, as well as the main stage at the National Quartet Convention. Soul'd Out Quartet has been honored to win the Singing News Magazine, Horizon Group of the Year Award as well as SoGospelnews.com's Breakthrough Artist Award.

This group is young, energetic, and exciting. Their performance includes a vintage style of gospel music while keeping current with more modern styles. They have a good balance of entertainment and ministry. The goal of this group is to encourage their audiences and to set a positive atmosphere for the entire family while presenting a strong gospel message.

Soul'd Out Quartet is a great act for ALL ages. They are upbeat enough to keep the interest of a teenager, while singing a few songs that grandma will know and love.

3. Exhibitors not residents of Auglaize County, shall be entitled to compete for premiums in departments.
4. Anything exhibited, that is not exhibited by the legitimate owner, and is awarded premium, forfeits the premium on said exhibit.
5. Premiums are offered for the best animals in the different classes in order to demonstrate the benefit of good breeding, feeding and care. Animals without quality and showing neglect will receive no premium.
6. Persons desiring space for the exhibit of articles in the art hall, or machinery department, not entered for competition, must make the same known to the Secretary at as early a date as possible, and give the name of articles and the space required. The Board reserves the right to dictate the class and kind of advertising matter used for free distribution by exhibitors. Nothing of this nature will be allowed that in any way interferes with concession sold. This rule is positive and will be enforced. The posting or tacking of any advertisement upon trees or building is positively prohibited and offenders will be punished according to law.
7. Any exhibitor or employee of same abusing or not treating with respect the Awarding Committee, Judge or Superintendent of Department during the awarding of premiums taken at this Fair, shall upon report to Superintendent, be deprived of his right to premium, also shall forfeit entrance money and stall rent.

PROTESTS AND APPEALS

"Protests must be made in writing, signed by party or parties making protest and filed with the Secretary by noon of day following award, accompanied by protest fee of \$100.00 which will be retained by the Auglaize County Agricultural Society if protest is not sustained.

The Secretary shall hear protests with the Superintendent of the department involved and if necessary other people will be involved as designed by the Secretary.

"All protests will be considered at a time set by the Secretary of the Auglaize County Agricultural Society and all parties will be notified."

8. Fifty percent of premiums on all livestock will be paid on the week following the Fair. The remainder will be prorated according to the receipts after all necessary expenses have been deducted. Premiums have always been paid in full.

9. All premiums not called for by December 1, of the current year marked on this Premium book, go back to the Associations.

10. Entry deadlines are listed for all departments and are to be followed as listed. For those not listed, entries close one week before the Fair in the livestock departments only; all other departments will remain open for exhibitors until noon, the first day of the Fair.

11. All articles must be entered in the owner's name to compete for premiums. Any special partnership made for the purpose of gaining premiums in any department will work a forfeit of the premiums.

12. The awarding committee will sign and return their books to the Entry Clerk as soon as they have completed a class. Said books to be the guide for the Entry Clerk to make up his book.

13. Blue ribbons or cards to be the emblem of first premium, red ribbons or cards the second, but in no case will a premium card or ribbon be a voucher for a premium.

14. Examine carefully the list of premiums, and determine for what premiums you will enter before you undertake to make your entries. Prepare your list at home to avoid errors, and cause no delay to others in making your entry.

15. No articles or animal shall be removed before the close of the exhibition without the permission of the Superintendent having charge of the department. Any articles or animal removed without such permission will forfeit all premiums that may be awarded them.

16. Only animals which have a registered certificate are eligible to register as purebred can receive premium as such. Those entering such animals for premiums are required to furnish certificate or register of application signed by the Secretary of their proper association.

17. No stables or feed stalls will be furnished any animal not entered for exhibition. Any animal not exhibited according to entry will be charged \$10.00 per day for the use of stall during the Fair. Payments for the stalls are to be made in all instances to the Superintendent of each department.

18. The competitors must appear in the ring promptly on the call of the Marshall, as Judges will be instructed not to delay their examinations and decision under any circumstance.

19. In the fine art hall and fruit hall the Superintendents will be present with competent committees to receive and take charge of all articles for exhibition and will assign space

and arrange them in their separate classes. All articles for exhibition must positively be in the hands of the committee by noon on the first day of the Fair, unless stated otherwise, and tags must be attached to articles by exhibitors.

20. All stock entered for premiums must be in good condition or it will be disqualified by the Judge.

21. All stalls and pens and aisles must be kept clean or forfeit the premium.

22. The officers of the Fair will take every precaution for the safe keeping of stock and articles on exhibition after their arrival and arrangements on the grounds but will not be responsible for any loss or damage that may occur. Exhibitors are requested to give every attention to their property. In no event will the Society of Board be responsible for any accident that may happen in or on the Fair Grounds or from any of the machinery or animals located therein.

THE PUREBRED DAIRY CATTLE ASSOCIATION SHOW RING CODE OF ETHICS

Adopted April 3, 2004

PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall at all times deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Grooming and Preparation

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (1994), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. External applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be

reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally:
 - a. with an irritant or counter-irritant,
 - b. using a device to artificially create or enhance the udder crease,
 - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation.
 - d. plugging of teat canal with foreign substances.
3. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
5. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (hereinafter referred to as "Exhibitor") for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods and by direct examination of animal.

The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the national dairy breed association without recourse.

Show Ethics Committee

Each show should have an Ethics Committee. The make-up of this committee should include official breed representatives, representative(s) of show management (e.g., dairy cattle show superintendent, General Manager), the official show veterinarian, and Extension representative.

The Ethics Committee will be responsible for monitoring violations of the Show Ring Code of Ethics. The Ethics Committee will investigate the report of any violation and determine the accuracy of the allegation. The Ethics Committee will have the authority to inspect animals and related material to determine if violations have occurred.

Violations: Reporting and Investigation

Complaints of alleged violations can be reported to the breed

superintendent, the showsuperintendent, show management, and/or the Ethics Committee.

Before An Animal is Shown

If the Ethics Committee suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is reasonably well established before the animal is shown, the Ethics Committee will submit a report to show management.

Show management will discuss the violation with the Exhibitor:

1. If, at the Exhibitor's discretion, the animal in question is not shown, no violation will have occurred.
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to the Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After An Animal is Shown

All animals are subject to examination during judging. The judge and Ethics Committee are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics. When a violation may have occurred, a milkout may be called for. This call may be by breed association rule, or by request of an authorized representative of the national breed association, the judge, the Ethics Committee, or show management.

If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Ethics Committee and show management for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations.

Violations are subject to the disciplinary provisions of show management, the state in which the show occurs, and the national dairy breed association. Sanctions may include any one, or combination of the following:

- forfeiture or return of awards, prizes, premiums or proceeds;
- written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor");
- disqualification of the exhibition livestock from an exhibition;
- disqualification of the Exhibitor from the show;
- publication of offense.

Disqualification may include any or all shows and classes and may be for any number of years.

History: Adopted by PDCA in March 1969, revised March 1971, February 1977, February 1981, February 1986, February 1988, February 1989, February 1992, February 1993, November 1995, April 2002; April 2004.

About PDCA

The Purebred Dairy Cattle Association, Inc. is a federation of the national dairy breed registry associations serving breeders and owners of Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn and Red and White dairy cattle. PDCA and its member organizations promote the added value and profitability registered dairy cattle offer all dairy business owners.

OTHER PDCA RECOMMENDATIONS

- A. It is recommended that exhibitor and breeder be defined as follows: "Where a herd is registered in the names of different members of a family residing on one farm and where the herd is one unit, all entries may be considered as a single exhibitor for Premier Exhibitor, Premier Breeder, Dairy Herd, Junior Best Three Females, Breeder's Get of Sire, State Herd and Best Three Female Classes."
- B. For an exhibitor to be eligible to show an animal, the title of ownership of the exhibitor shall show on the registration certificate, and in the respective breed's permanent herd book or registry at the time of the exhibition. The registration papers should be checked for this purpose. It is not considered necessary to have a requirement which states that an animal must be owned for a given number of days in advance of the show.
- C. Substitutions within and outside of a class shall be permitted.
- D. Animals owned in partnership or by syndicate may be shown in the name of the partnership or syndicate only; except that at time of entry a determination shall be made that such animals will be shown in the name of one partner or syndicate member and the animals must be shown the same way in the group classes, including State Herd, as they are in the open individual classes.
- E. In states where the state breed association is carrying out a Parrish, District or Canton Show Program, it is recommended that the fol-

lowing class be added:

1. District Herd. Group to consist of eight animals including two females two years old or over, three females under two years of age, and three other females any age or one bull and two females. The cattle must be owned by not less than three exhibitors with no exhibitor furnishing more than three head.
 2. It is recommended that the state be divided into zones based upon distance from the state fair and that the money allocated to each district herd shown be on the basis of distance.
- F. It is recommended that 50% additional premium be paid to the milking classes to those cows with official milk records 30% above breed average. Records to be sent in with entry and all such cows be recognized individually in the show ring prior to hearing the judge's reasons.
 - G. In shows that do not have four milking cow classes, it is recommended that the three year old and four year old cow classes be combined to read, "Cow, three years old and under five years old."
 - H. If insufficient numbers of animals are entered in the Junior and Senior Two Year Old Cow classes, they should be combined into one Two Year Old class.
 - I. Blemishes. Evaluation of defects as listed on the Unified Dairy Cattle Score Card, published by the Purebred Dairy Cattle Association,

shall be used by the judge as his basis for placing or ruling out an animal shown with blemishes.

J. The fees and expenses offered to judges by show management should be commensurate with the size of the show and the amount of the premiums; and such fees should be agreed upon in writing prior to the show, at the time the invitation is extended to the judge.

- K. Definitions:
 - Best Three Females: any age, all are to have been bred by and at least one be owned by exhibitor. Each exhibitor limited to one entry.
 - Breeder's Get of Sire: Group to consist of four animals, either sex, not more than one bull, any age, the get of one sire, at least three to have been bred by exhibitor. Animals may be owned by one or more exhibitor. Sire must be named.
 - Senior Get of Sire. Group to consist of four (4) animals all sired by the same bull; either sex, but not more than one bull, and at least one must be two years of age or older.  - Produce of Dam. Group to consist of two animals, any age, either sex, the produce of one cow. The dam must be named. Animals need not both be owned by one exhibitor.

RULES AND REGULATIONS OF THE JUNIOR FAIR

Junior Fair Membership: Any youth belonging to any of the following organizations in Auglaize County:

1. 4-H Clubs
2. FFA Chapters or Vocational Agriculture classes
3. FCCLA Chapters, Vocational Family and Consumer Sciences, Family and Consumer Sciences classes
4. Juvenile Granges
5. Farm Bureau Youth
6. Boy and Girl Scout Troops

Junior Fair Eligibility: Youth who comply with the rules of the Junior Fair as given in this book and are regularly enrolled in any of the above named organizations are eligible to show with the exception that FFA members living in Auglaize County but enrolled in and out of county school may show when the chapter provides one adult advisor and one superintendent to the fair.

Age Limitations for Junior Fair Exhibitors: To participate in any Auglaize County Junior Fair activities, a person must comply with the following maximum age requirement which states that any youth must not have passed his or her 19th birthday as of January 1 of the current year. Members turning 19 on January 1 of the current year will be eligible for that year's fair.

Parking Regulations: A vehicle pass is necessary to enter the fairgrounds. There is no parking around the barns.

Fire Lane: All buildings housing livestock will have lanes 30' wide at all exits with no parking in this area. These lanes may be used for delivery and pick up but no parking. Fire lanes will be marked and vehicles parking in this area will be towed away.

Premium Payment: All Junior Fair premiums will be paid at pre-fair judging or during fair week. The deadline to claim premiums will be noon the last day of fair.

Members not receiving their premium at the designated time must request the premium payment by completing a form. The form is submitted to the Junior Fair office. Requested premiums not picked up during the fair will be put in the club packets the last day of fair. **Members not picking up premiums at the designated time or requesting them during the fair will not receive premium money.**

Fair Passes: Junior Fair passes will be issued to all members through the advisors. All advisors will receive the passes prior to the fair and will distribute the passes to the members prior to the first day of the fair. Only members exhibiting in the fair should receive a fair pass.

Overnight Privileges: Junior Fair exhibitors are not required to stay on the fairground overnight. All Junior Fair livestock exhibitors staying overnight must have a pass signed by a parent or guardian and a Senior Fair board member.

Being able to stay overnight at the fairgrounds is a privilege and an opportunity extended to junior fair exhibitors and their parents by the Ag Society. Junior fair exhibitors conduct and cooperation with fair officials will determine if this privilege continues.

RULES ON ENTRIES AND EXHIBITS

GENERAL RULES:

1. All entries are to be made on official entry blanks, filled out by the exhibitor, signed by the advisor and delivered or mailed to the Extension Office, 208 S. Blackhoof St., Wapakoneta, by July 1. No one can exhibit in any livestock, dog or FFA class without an entry. There are no entries required in the 4-H Non-Livestock, 4-H Family and Consumer Sciences and 4-H Small Animal Divisions.

ALL ENTRIES ARE TO BE TURNED INTO THE EXTENSION OFFICE OR POSTMARKED JULY 1. If entries are late, there will be a \$25.00 cash late fee, regardless of reason or lateness. The entry will not be official until the fine is paid in full in cash.

2. Exhibits must be on the grounds by the following times:

- a. FFA Shop & Crop - Friday, July 26, 11:00 a.m.
- b. 4-H Booths - Monday, July 29, 2:00 p.m.
- c. School Booths - Monday July 29, 8:00 a.m.
- d. Livestock - Saturday, July 27, 11:00 a.m.

3. All projects exhibited must have been actually owned and cared for by the individual exhibitor on and after May 1 of the current year. Exceptions - steers - effective date of ownership is the date of the winter weigh-in and yearling horses - effective date of ownership is January 1 of current year, market rabbits - effective date of ownership is June 20 of current year and broilers - effective date of ownership is June 30.

Ownership of any animal will be considered lost if, after May 1 of the current year, the animal has been consigned or through any auction or any other type of transaction. If questions regarding ownership arise the exhibitor will be asked to produce any of the following: registration papers, bill of sale, or valid receipt. Leasing is acceptable in the dairy and horse departments only.

Tampering or misrepresentation as to the breeding, age, ownership, and other irregularity in showing will be exposed and any premiums, trophies, awards, or sale money won by such exhibitor may be withheld.

FFA members may show in only one Junior Fair as an FFA member regardless of location of member or Chapter. FFA recommends that a member exhibit in the county the Chapter is located rather than residence of the individual. 4-H members may show in only one Junior Fair as a 4-H member. 4-H recommends exhibiting in the county where the 4-H club is located. A member could show as a 4-H member in one county, as a FFA member in another county depending on the location of the club or Chapter, but the member must carry separate animals and projects. The following are recognized by the Junior Fair as separate projects: Dairy Herd Management (cows in production) and Dairy Heifer not fresh; Sheep Breeding and Market Lamb; Beef Breeding and Steer; Swine Breeding and Market Hog (not a part of a breeding litter).

To be eligible for Junior Fair premiums and awards each exhibitor must have in his/her possession that official project that he/she is taking, and the exhibitor must feed, train, groom this same animal (or animals) from the time the project starts until it is completed.

4. Since fair participation is optional, the Junior Fair Board is not responsible for the lost, stolen or damaged items.

5. All exhibits must be the same the member carried as projects. A member may not enter in a department in which they do not have an official project. If unauthorized

substitution is attempted all premiums and other privileges of the exhibitor will be forfeited.

6. Entries in each class are limited to two per individual except where stated in class rules.

7. Entries are free if confined to junior classes.

8. Exhibitors must show their own project. The exceptions are: a family emergency, one member with two animals in the same class, a member is showing in two departments and the classes are running simultaneously, a member is physically incapacitated and unable to show. In a case of emergency during the judging, the board can approve an alternate showman immediately. In all situations, the second showman must be an Auglaize County Junior Fair member. All exceptions must be approved by the Junior Fair Board prior to show or judging.

9. The privilege is reserved to combine classes in case of lack of entries.

10. Any exhibitor showing misconduct or poor showmanship in the show ring, show area, or animal barns will have full forfeiture of premium to that division by decision of the Junior Fair Board.

11. The Junior Fair Board requests that all junior fair exhibitors observe the designated arrival and dismissal times. Animals coming from another fair must obtain permission from department superintendents for earlier arrival. Junior Fair Board holds the right to remove any exhibitor who violates the arrival time. Anyone failing to comply with the arrival or dismissal times without acceptable reason or prior approval will not receive a fair exhibitor's pass the following year.

In cases of sickness or other emergency situations, written notice must be given to Junior Fair Board before any animal can leave the grounds.

12. Due to conflicting dates with the Ohio State Fair, every effort will be made to allow early release so youth may show at both fairs. Exhibitors planning to show at both fairs should note this on the county fair entry cards to avoid premium penalty.

In the case of state fair livestock entries, projects of the exhibitor(s) and immediate family members may be released early if prior approval is granted by the Junior Fair Board. For all other departments, members participating in state fair will be granted an early release for their project only.

Still projects exhibited in the Exhibit and FFA Buildings must be signed out in the Junior Fair Board office when leaving for the Ohio State Fair. Projects may be signed out no more than 24 hours prior to the state fair judging date.

13. All exhibits and stall assignments will be determined by the department superintendents and assigned prior to the fair. All exhibitors shall abide by these assignments. Exhibitors needing special stall or pen arrangements must submit these requests with their fair entries by July 1. Requests after July 1 may be considered but not accommodated. Exhibitors moving assignments without prior approval, will be required to move back to their original assigned area. Exhibitors refusing to abide by the Junior Fair Board's assignment will be asked to remove their projects from the fairgrounds.

14. PROTEST POLICY:

Protests must be made in writing, signed and sworn by party making protest and filed with the Executive Committee of the Junior Fair board by noon of the day following the award. This written protest must be accompanied by a protest fee of \$100.00 in cash which will be retained by the Junior Fair board if protest is not sustained. The Executive Committee shall hear protests with the superintendent of the department involved.

AGRICULTURE RULES:

1. Livestock health requirements for the Junior Fair are the same as for open class exhibitors (see rules and regulations for the open class). Health certificates are to be presented to the veterinarian in charge.

2. To be eligible for Junior Fair Livestock Sale, a market animal must have been shown in the appropriate market class in the Junior Fair.

3. **Livestock substitution policy:** If a project animal dies or is physically impaired and cannot be shown safely, another animal may be substituted. The Junior Fair Board must be notified of and approve of all substitutions. Failure to do so will result in the forfeiture of premiums. The substituted animal may be shown only for a project grade, no placings or awards. Substituted animals may place in showmanship classes.

4. Exhibits must be kept clean. Periodic checks will be made by superintendent in charge. All feeding and cleaning is to be done by 10:00 a.m. daily. Dirty pens will be tagged and conditions corrected. Cleaning cannot be done during shows and sales. Exhibitors not cleaning their pens during or after the fair will not receive a fair exhibitor's pass the following year.

5. Pens may not be cleaned while the sale animals are being loaded out to the

packers. Violators will be fined \$30.00.

6. Grade livestock will show with the breed they must closely resemble unless otherwise noted.

7. For further information governing Junior Fair, see rules under the separate Junior Fair division.

8. No straw will be furnished by the Senior Fair Board for the first or subsequent beddings.

9. During junior shows and sales, exhibitors must wear long pants or skirts (no shorts). Tops should cover the shoulder area, no tops with straps are permitted. Junior exhibitors shall not wear farm shirts or shirts with any advertising while showing in the junior shows or sales, 4-H club and FFA chapter shirts are permitted. No hats are permitted, except for those designated by individual departments. The Junior Fair reserves the right to ask exhibitors to change clothing which they feel is offensive or inappropriate.

10. There are no weight limits imposed for sale purposes. There will be weight limits for the following market animals for show purposes only:

Steers - 900 pounds and over

Hogs - 220 - 280 pounds

Lambs - 90 - 140 pounds

Broilers - 4 - 7 pounds per bird

Rabbits - 4 - 6 pounds per rabbit

Goats, dairy and boer - 40-130 pounds

Turkeys - 20 pounds and over

Over and under weight classes will be placed 1 through 5 **BUT** will not be eligible to compete for champion. Only animals meeting the above weight requirements will be eligible for champion.

11. No junior fair livestock are permitted in the midway area or in the campgrounds. Animals should be walked back in the livestock barn area only.

12. Tampering and/or misrepresentation as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception. Any premiums, trophies, awards or sale money won by such exhibitor will be withheld.

To maintain a high degree of confidence in the livestock shows, the Auglaize County Junior Fair board, reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting means to alter or change the natural appearance, weight, musculature or conformation of an animal in an unnatural or artificial manner, including but not limited to, the removal of animal tissue or body part, to cut or tear the hide, to cover, dye or color the hair or hide (neutral coloring only may be used), to add artificial tail heads, switches, polls, hair, or heels, or to administer, feed, give or inject any substance or drug to an animal exhibited, except when medically necessary or when drug used has been approved for such use by the Food and Drug Administration or or United States Department of Agriculture. All animals, and the exhibitors involved, giving evidence of such treatment will be barred from competition at the Auglaize County Junior Fair.

Should fraud or deception, and deception, and proof, as determined by the Auglaize County Junior Fair Board, be discovered after the animal or animals have been shown and prior to the sale, such animal(s) shall not be permitted to sell. The animals placing next in line shall move up.

Should violation be discovered after the sale, all sale money shall be returned to the buyer and the animal or carcass returned to the exhibitor. All placings in show will stand. No animals will move up.

13. If any Junior Fair project animal is suspected of being abused, malnourished or mistreated; the Junior Fair Board reserves the right to have the animal inspected by the fair veterinarian. If the veterinarian determines that the animal has been mistreated, the animal will be disqualified from competition.

14. Any exhibitor pulling their animal from competition once they have entered the show area or any exhibitor who stood first or second in their class does not return for the championship class, the exhibitor will be disqualified from the show and will forfeit all premiums and awards won at the current year's fair.

15. The drenching of any livestock at the Auglaize Co. Fair is prohibited. Should a violation be discovered, the violator will be punished under rule 12 (above) of the General Agriculture Rules.

16. Members exhibiting market steers, hogs, lambs, goats, rabbits, turkeys, broilers and lactating goats and dairy cattle must participate in a Quality Assurance program or test out of the program prior to July 1st. Members, in all species, enrolled for the first time in a QA required project, must have a parent attend with them. Members may attend a production animal quality assurance program, which is species sponsored - a certificate must be issued in the junior fair mem-

ber's name. A copy of this certificate must be filed by July 1st. Members not completing this requirement will not be allowed to enter into the Junior Fair.

17. Exhibitors will follow these rules for bedding:

Sheep - Wood products, carpet or straw. Those using straw must dispose of waste in the dairy pit on the east side of the dairy barn.

Swine - wood products only.

The Senior Fair Board asks that exhibitors please recycle. Wood products and straw must be kept separate. Straw can only be placed in the dairy pit. All other pits are for wood products.

18. All grand and reserve champions will be tested according to Ohio law. All grand and reserve champion samples will be collected in an area designated by the Ag Society. Collection will be done under the supervision of a veterinarian appointed by the Ag Society.

19. **Liability for livestock** – In consideration for exhibiting livestock at the Auglaize County Fair, on the grounds at 1001 Fairview Drive, Wapakoneta, Ohio 45895, I understand that for myself and those under my leadership we hereby will covenant and agree to save said Society harmless from any and all claims of every type, character and description pertaining to or growing out of the usage of said premises, and furthermore, covenant and agree that every effort will be made to conduct exhibiting of animals in a lawful and business manner and any activity pertaining to livestock upon said premises will be handled in such a manner as to avoid injury or damage to the public or the property of said Society.

20. The Junior Fair Board reserves the right to dismiss an animal from the show area if that animal becomes uncontrollable and becomes dangerous to the public, other exhibitors or animals in the show.

21. All animals shown as market livestock must go to harvest. In the case of illness or injury, the fair veterinarian will determine how the animal will be handled. If the animal is treated and has a withholding time, it will be quarantined until the withholding time has elapsed and then sent to harvest.

22. If a market animal is removed from the fairgrounds without authorization, the following penalties will apply: the exhibitor will be banned from further competition for the next 2 years of their junior fair eligibility. If removed after the sale, in addition to the above penalty, the exhibitor will forfeit all premium monies. The premium monies will be returned to the sale buyer with a letter of explanation.

JUNIOR FAIR SALE RULES AND REGULATIONS

The 2013 Junior Fair Livestock Sales will be:

Friday, August 2, 9:00 a.m., Show Barn 1

– Steers, Poultry, Rabbits, Goats

Saturday, August 3, 9:00 a.m., Hog Arena

– Hogs, Sheep, Dairy Milk

2. Junior exhibitors are limited to one entry in the sale including steers, lambs, hogs, rabbits, broilers, turkeys and milk; except by exhibitors having more than one champion or reserve champion meat animal.

3. All champion and reserve champion meat animals must sell as listed in rule # 2. All champion and reserve champion steers, lambs and hogs will be harvested by Kah Meats and be viewed as part of the carcass review. Grand and reserve champion market goats, pens of rabbits and poultry will be harvested but not used as part of the carcass review.

4. Market animals requiring identification must be tattooed on the designated date, hours and location. If an animal is ill at the time of tattooing, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of illness before arrangements will be made to tattoo the animal.

5. All market animals will be weighed during the designated times.

6. Order of sale will be determined randomly by computer for hogs, rabbits and poultry. Steers are determined by draw at the winter weigh-in. Lambs and goats are determined by draw at the spring weigh-in.

7. A sale list will be prepared from those animals that are shown as steer, market hogs, market lambs, market goats, rabbit pens and poultry pens. Junior fair exhibitors must notify Sale Committee at time of weighing which animal will be sold.

8. Members must provide a good rope halter for steers after the sale. Please don't expect buyers of steers to lead them with makeshift halters of baling twine. If the buyers give members the halters after the steers are on the truck, this is their favor to the exhibitors.

9. Members will receive payment for the animals when sufficient sale monies have been received. A commission and check-off money where appropriate will be taken out of all checks. The commission for selling junior fair livestock as determined by the Sale Committee will be up to 4 percent of the premium bid for all species, including dairy milk. This is for sale expenses, promotion and gratitude ads in local newspapers.

10. Exhibitor will stand the loss of any condemned carcass. Exhibitor will stand the cost of any extra processing fees passed on by the packer.

11. Exhibitors own the animal until it is purchased by a bidder at the consignment auction. However, all members will be responsible for feeding, watering and general care of their animals until it is loaded by the buyer or Sale Committee. Exhibitors failing to care for their animals will not receive a fair pass the following year.

12. Animals will only cross the scale one time at the weigh-in.

13. Animals must be able to walk across the scale on their own to be weighed, shown and sold. Incapacitated animals will not be weighed.

14. A gallon of milk will be auctioned and the proceeds divided among the junior dairy cattle exhibitors.

15. Buyers must make arrangements for hauling or picking up animals at the time of the sale with the Livestock Sale Committee. All accounts must be settled immediately following the sales.

16. Members must be present to sell their own animal unless prior permission has been given by junior fair superintendent in charge of that department. Dairy members must be present at the gallon of milk sale to share in the proceeds unless prior permission is granted as stated above.

17. If a member is not present to sell their animal and no permission has been granted for another exhibitor to sell that animal, then the animal will not be sold through the sale ring. The exhibitor will receive the packer bid only, no premium.

18. All animals sold in the sale ring must go to harvest. The animal may be sent to the packer or for custom processing by the sale buyer. Animals sold through the sale ring may not be taken home by the buyer or returned to the junior fair exhibitor.

19. All market animals must be sent to harvest. Market animals not sold through the sale may be sent to the packer or used for custom processing. Exhibitors must notify the Sale Committee at weigh-in about this animal's destination. All animals will be handled by the Sale Committee, not the exhibitor.

20. All animals shown as market livestock must go to harvest. In the case of illness or injury, the fair veterinarian will determine how the animal will be handled. If the animal is treated and has a withholding time, it will be quarantined until the withholding time has elapsed and then sent to harvest.

21. If a market animal is removed from the fairgrounds without proper authorization, the following penalties will apply: the exhibitor will be banned from further competition for the next 2 years of their junior fair eligibility. If removed after the sale, in addition to the above penalty, the exhibitor will forfeit all premium monies. The premium monies will be returned to the sale buyer with a letter of explanation.

22. If a market animal is sent home from the fair for any reason, the exhibitor will not receive any payment for the value of the market animal. If sent home after the sale, the exhibitor will receive the premium amount from the sale only.

23. The Senior Fair, Junior Fair, and Sale Committee will take every precaution for the safe keeping of livestock on exhibition after their arrival on the grounds but will not be responsible for any animal loss that may occur. Exhibitors are requested to give every attention to their animals. Animals

are the property of the exhibitor until the animals are loaded to the packer or custom processor.

24. The locations for the custom processing of large animals (swine, beef, sheep and goats) will be limited to the following: Kah Meats, Keystone Meats, Curley's Meats and Winner's Meats. Exhibitors must notify the Sale Committee at weigh-in about the animal's destination. Custom harvest for small animals (rabbits, broilers and turkeys) will be done at a processor approved by the Sale Committee. All animals will be handled by the Sale Committee, not the exhibitor.

JUNIOR FAIR KING & QUEEN CORONATION - 7 p.m.
and
CHEERLEADING COMPETITION - 7:30 p.m.

2013
Ohio Fairs Queen
 Sarah Wilker

University of Dayton freshman Sarah Wilker, the daughter of Gene and Cindy Wilker of St. Marys, took home the title of Ohio Fairs Queen for 2013 following a competition during the first week of January in Columbus. Wilker qualified for the event when she was named the 2012 Auglaize County Junior Fair queen in July.

Wilker competed with 66 other girls from across Ohio for the position of Ohio Fairs Queen 2013. The competition was multi-faceted across several days and in the end, Wilker was crowned at a gathering during the Ohio Fair Managers Convention in Columbus.

As Ohio Fairs Queen, Wilker will be visiting as many Ohio county fairs as possible during the summer fair season. The win also made a bit of local history as Wilker is the first state fair queen from Auglaize County.

"You have to travel around to all the area fairs and promote them," Wilker said. "I'll be looking forward to that this summer."

In addition to promoting the fairs, Wilker will get the chance to promote the 4-H program. Sarah was a 13-year member of the Buckeye Beavers 4-H Club.

Wilker also thanked members of the Auglaize County Senior Fair Board for their support during the competition.

"They supported me financially as well as in person by going to the state competition," Wilker said. "It was really cool to see a lot of the senior fair board members there with all my family watching. It was something I definitely appreciated."

BOY SCOUTS OF AMERICA

Scouting for boys was begun by Sir Robert Baden Powell of England in 1908 and has since spread throughout the World. In 1910, the Boy Scouts of America was founded to promote the ability of boys to do things for themselves and others, to train them in Scout craft and to teach them patriotism, courage, self-reliance and kindred virtues. Scouts wear a distinctive uniform and are led by adults and boy leaders. Badges are awarded for achievement and proficiency in various crafts and skills. Membership today is over 6,000,000 in the United States, including Cub Scouts aged 8 to 10, Boy Scouts ages 11-18, and Explorers, ages 16 and over.

GIRL SCOUTS OF AMERICA

Girl Scouting is a program that gives girls from all segments of American life a chance to develop their potential to make friends and to become a vital part of their community. Based on ethical values, it opens up a world of opportunity for youth, working in partnership with adult volunteers.

Girl Scouting is continuous adventure in learning that offers girls a broad range of activities which address both their current interests and their future roles as women. Through activities that stimulate self-discovery, they are introduced to the excitement in the worlds of science, the arts, the out-of-doors and people. Girls grow in skill and in self-confidence. They have fun, make friends and through meaningful community service, they acquire understanding about themselves and others.

Girl Scouting is one continuous program open to all girls 5 through 17, including Daisy Girl Scouts (ages 5-6), Brownie Girl Scouts (ages 6-8), Junior Girl Scouts (ages 8-11), Cadette Girl Scouts (ages 11-14), and Senior Girl Scouts (ages 14-17).

Today's troop program is carried on by over three million girls in over 192,000 troops, including USA Girl Scouts overseas in 60 countries where members come from U.S. Military and civilian families living abroad.

Girl Scouts of the U.S.A. is part of an international movement. It is linked with other Girl Scouts and Girl Guides through membership in over 112 countries around the world.

The Girl Scouts consider participation in the Auglaize County Fair a privilege and an opportunity to share their accomplishments, interests, and ideals. All exhibits must show high quality in effort, originality, neatness, and Girl Scout Program.

Every registered Girl Scout troop in Auglaize County is eligible to enter. All exhibits must be made by the troops expressly for the Girl Scout program. Fair exhibits should be an outgrowth of good Girl Scout programming either in troop meetings, troop camping, or Day Camp.

All exhibits will be under the supervision of competent persons at all times and every effort will be made to protect them from loss or injury. However, neither the management of the Auglaize County Fair nor the Girl Scouts will be responsible for any loss or injury to exhibits.
