RULES ON ENTRIES AND EXHIBITS

GENERAL RULES:

1. All livestock entries, including showmanship, must be made by the exhibitor online by July 1. FFA Shop & Crop entries should be made by the exhibitor with their ag teacher. No one can exhibit in any livestock (including dogs) or FFA class without entry. There are no entries required in the 4-H Special Interest, Clothing and Nutrition departments.

ALL ENTRIES ARE TO BE SUBMITTED BY JULY 1. If entries are submitted between July 2 and July 8, there will be a \$10.00 cash fee, regardless of reasons or lateness. If entries are submitted between July 9 and July 16, there late \$25.00 cash late fee, regardless of reason or lateness. NO entries will be accepted after July 16 for any reason. This rule applies to showmanship entries (no showmanship entries will be accepted during the fair). The entry will not be official until the fine is paid in full in cash. Late entry fee information will be submitted to the Junior Fair Board along with the cash fee.

2. Exhibits must be on the grounds by the following times to receive premiums unless granted permission for late arrival:

- a. FFA Shop & Crop - Friday, July 30, 11:00 a.m.
- b. 4-H Booths - Monday, August 2, 2:00 p.m.
- c. School Booths - Monday August 2, 8:00 a.m.
- d. Livestock - Saturday, July 31, 8:00 a.m.

3. All livestock projects exhibited must have been owned and cared for by the individual exhibitor on and after May 1 of the current year.

Exceptions:

- Steers – ownership date is the original scheduled date of winter weigh-in
- Yearling horses - ownership date is January 1 of current year
- Market rabbits - ownership date is June 20 of current year
- Broilers - ownership date is June 30 of the current year

Ownership of any animal will be considered lost if, after May 1 of the current year, the animal has been consigned or through any auction or any other type of transaction. If questions regarding ownership arise the exhibitor will be asked to produce any of the following: registration papers, bill of sale, or valid receipt. Leasing is acceptable in the dairy and horse departments only.

Tampering or misrepresentation as to the breeding, age, ownership, and other irregularity in showing will be exposed and any premiums, trophies, awards, or sale money won by the exhibitor may be withheld.

FFA members may show in only one Junior Fair as an FFA member regardless of location of member or Chapter. FFA recommends that a member exhibit in the county the Chapter is located rather than residence of the individual. 4-H members may show in only one Junior Fair as a 4-H member. 4-H member will exhibit in the county of 4-H membership. A member could show as a 4-H member in one county, as a FFA member in another county, but the member must carry separate animals and projects. The following are recognized by the Junior Fair as separate projects: Dairy Herd Management (cows in production) and Dairy Heifer not milking; Sheep Breeding and Market Lamb; Beef Breeding and Steer; Swine Breeding and Market Hog (not a part of a breeding litter).

To be eligible for Junior Fair premiums and awards each exhibitor must have in his/her possession that official project that he/she is taking, and the exhibitor must feed, train, groom this same animal (or animals) from the time the project starts until it is completed.

4. Since fair participation is optional, the Junior Fair Board is not responsible for the lost, stolen or damaged items.

5. All exhibits must be the same the member carried as projects. A member may not enter in a department in which they do not have an official project. If unauthorized substitution is attempted all premiums and other privileges of the exhibitor will be forfeited.

6. Entries in each class are limited to two per individual except where stated in class rules.

7. Entries are free if confined to junior classes.

8. Exhibitors must show their own project. The exceptions are: a family emergency, one member with two animals in the same class, a member is showing in two departments and the classes are running simultaneously, a member is physically incapacitated and unable to show. In a case of emergency during the judging, the board can approve an alternate showman immediately. In all situations, the second showman must be an Auglaize County Junior Fair member. All exceptions must be approved by the Junior Fair Board prior to show or judging.

9. The privilege is reserved to combine classes in case of lack of entries.

10. Any exhibitor showing misconduct or poor showmanship in the show ring, show area, or animal barns will have full forfeiture of premium to that division by decision of the Junior Fair Board.

11. The Junior Fair Board requests that all junior fair exhibitors observe

the designated arrival and dismissal times. Animals coming from another fair must obtain permission from department superintendents for earlier arrival. Junior Fair Board holds the right to remove any exhibitor who violates the arrival time. Anyone failing to comply with the arrival or dismissal times without acceptable reason or prior approval will be fined \$50.00, payable in cash by December 1 of the current year. If an exhibitor fails to pay their fine, they will be ineligible for placings the following year. The Junior Fair Board reserves the right to contact show officials to confirm entry, arrival and dismissal times.

In cases of sickness or other emergency situations, written notice must be given to Junior Fair Board before any animal can leave the grounds.

12. Due to conflicting dates with the Ohio State Fair, every effort will be made to allow early release so youth may show at both fairs. Exhibitors planning to show at both fairs should notify the Junior Fair Board to avoid penalty.

In the case of state fair livestock entries, projects of the exhibitor(s) and immediate family members may be released early if prior approval is granted by the Junior Fair Board. Proof of state fair entry must accompany the request. The Junior Fair Board reserves the right to contact show officials to confirm entry, arrival and dismissal times. For all other departments, members participating in state fair will be granted an early release for their project only.

Still projects exhibited in the Exhibit and FFA Buildings must be signed out in the Junior Fair Board office when leaving for the Ohio State Fair. Projects may be signed out no more than 24 hours prior to the state fair judging date.

13. All exhibits and stall assignments will be determined by the department superintendents and assigned prior to the fair. All exhibitors shall abide by these assignments. Exhibitors needing special stall or pen arrangements must submit these requests with their fair entries by July 1. Requests after July 1 may be considered but not accommodated. Exhibitors moving assignments without prior approval, will be required to move back to their original assigned area. Exhibitors refusing to abide by the Junior Fair Board's assignment will be asked to remove their projects from the fairgrounds.

14. All junior fair livestock must be housed in their assigned pens, including overnight. Beef animals may be housed overnight in the designated tie out area. Market animals must be in their correct pens during tagging and loadout. Violations will result in a \$25.00 fine being deducted from the exhibitor's sale check.

15. **PROTEST POLICY:** Protests must be made in writing, signed by party making protest and filed with the Executive Committee of the Junior Fair board by noon of the day following the award. This written protest must be accompanied by a protest fee of \$100.00 in cash which will be retained by the Junior Fair board if protest is not sustained. The Executive Committee shall hear protests with the superintendent of the department involved.

AGRICULTURE RULES:

1. Livestock health requirements for the Junior Fair are the same as for open class exhibitors (see rules and regulations for the open class). Health certificates are to be presented to the veterinarian in charge.

2. To be eligible for Junior Fair Livestock Sale, a market animal must have been shown in the appropriate market class in the Junior Fair.

3. **Livestock substitution policy:** If a project animal dies or is physically impaired and cannot be shown safely, another animal may be substituted. The Junior Fair Board must be notified of and approve of all substitutions. Failure to do so will result in the forfeiture of premiums. The substituted animal may be shown only for a project grade, no placings or awards. Substituted animals may place in showmanship classes. Market animals will be registered in an individual child's name and may not be transferred to a sibling after that time. Transfer to another exhibitor, including a sibling, sibling would be considered a substitution and above rule would apply.

4. Exhibits must be kept clean. Periodic checks will be made by superintendent in charge. All feeding and cleaning is to be done by 10:00 a.m. daily. Dirty pens will be tagged and conditions corrected. Cleaning cannot be done during shows and sales. Exhibitors not cleaning their pens during or after the fair will be fined \$50.00, payable in cash by December 1 of the current year. Each pen left unclean after the conclusion of the fair on Sunday by 12:00pm will be assigned a \$50 fine to the corresponding exhibitor(s). If an exhibitor fails to pay any of these fines, they will be ineligible for placings the following year.

5. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, a penalty will be deducted from the value of the animal: \$25.00 for steers, lambs, goats and hogs, \$10.00 for rabbits and poultry. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This will be the decision of the Junior and Senior Fair Board superintendents of the department.

To maintain a high degree of confidence in the livestock shows, the Auglaize County Junior Fair Board, reserves the right to disqualify any animal that has been fitted in an unethical manner. 21. If an animal is removed from the fairgrounds without authorization, the following penalties will apply: the exhibitor will be banned from further competition for the next 2 years of their junior fair eligibility. 7. A sale list will be prepared from those animals that are shown as steer, market hogs, market lambs, market goats, market rabbit pens and broiler pens. Junior fair exhibitors must notify Sale Committee at time of weigh-in which animal will be sold.

8. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale including steers, lambs, goats, hogs, rabbits, broilers, and milk; except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

9. Each animal crossing the scale must be declared terminal or nonterminal at the fair weigh-in. If an animal is not declared terminal/nonterminal at the weigh-in, it will be considered terminal. An animal's declaration (sale, terminal or nonterminal) at the fair weigh-in may not be changed unless it is chosen as a grand or reserve champion or under the guidance of the fair veterinarian.

10. Animals declared as nonterminal will be identified by the Sale Committee. Nonterminal animals will observe the designated release times. Nonterminal hogs will be released Friday between 1:00 a.m. and 7:00 a.m. and Friday after sale through 9:00 p.m. All other species of nonterminal (home) will be released Sunday between 12:00 a.m. (midnight) and 2:00 p.m.

11. Members showing steers must provide a good rope halter for after the sale. Please don't expect buyers of steers to lead them with makeshift halters of baling twine. If the buyers give members the halters after the steers are on the truck, this is their favor to the exhibitors.

12. Members will receive payment for the animals when sufficient sale monies have been received. A commission and check-off money where appropriate will be taken out of all checks. The commission for selling junior fair livestock as determined by the Sale Committee will be up to 4 percent of the premium bid for all species, including dairy milk. This is for sale expenses, promotion and gratitude ads in local newspapers.

13. Exhibitor will stand the loss of any condemned carcass. Exhibitor will stand the cost of any extra processing fees passed on by the packer.

14. All members will be responsible for feeding, watering and general care of their animals until loaded by the packer or Sale Committee. For market animals, if it is determined at load out that the animal has lacked food and/or water, a penalty will be deducted from the value of the animal: \$25.00 for steers, lambs, goats and hogs, \$10.00 for rabbits and poultry. This decision will be made by the packer and representatives from the Sale Committee.

15. Animals will only cross the scale one time at the weigh-in.

16. Animals must be able to walk across the scale on their own to be weighed, shown and sold. Incapacitated animals will not be weighed.

17. A gallon of milk will be auctioned and the proceeds divided among the junior fair dairy cattle exhibitors.

18. Members must be present to sell their own animal unless prior permission has been given by junior fair superintendent in charge of that department. If permission is granted, another Auglaize Co. junior fair member may walk the animal through the sale ring. If permission is granted for a specie not selling live animals, exhibitor is expected to provide a picture of their project animal for the other junior fair exhibitor to hold in the sale ring. Dairy members must be present at the gallon of milk sale to share in the proceeds unless prior permission is granted as stated above.

19. If a member is not present to sell their animal and no permission has been granted for another exhibitor to sell that animal, then the animal will not be sold through the sale ring. The exhibitor will receive the packer bid only, no premium bids.

20. All animals sold in the sale ring must go to harvest. Animals sold through the sale ring must go to the designated packer and may not be taken home by the buyer or returned to the junior fair exhibitor.

21. All market animals sold through the sale must be sent to harvest to the designated packer. Market animals not sold through the sale may be sent to the packer or declared nonterminal. Exhibitors must notify the Sale Committee at weigh-in about this animal's destination.

22. All market livestock sold through the junior fair livestock sale are required to be sent to harvest. In the case of illness or injury, the fair veterinarian will determine how the animal will be handled. If an animal declared as terminal is treated and has a withholding time, it will be quarantined until the withholding time has elapsed and then sent to harvest.

23. If a market animal is removed from the fairgrounds without proper authorization, the following penalties will apply: the exhibitor will be banned from further competition for the next 2 years of their junior fair eligibility. If removed after the sale, in addition to the above penalty, the exhibitor will forfeit all premium monies. The premium monies will be returned to the sale buyer with a letter of explanation.

24. If a market animal is sent home by fair officials for any reason, the exhibitor will not receive any payment for the value of the market animal. If sent home by fair officials after the sale, the exhibitor will receive the premium amount from the sale only.

25. The Senior Fair, Junior Fair, and Sale Committee will take every precaution for the safe keeping of livestock on exhibition after their arrival on the grounds but will not be responsible for any animal loss that may occur. Exhibitors are requested to give every attention to their animals. Animals are the responsibility of the exhibitor until the animals are loaded to the packer or released.

26. In the event that a market animal dies before the sale, and the exhibitor does not have another market animal that has been shown in junior fair, the exhibitor will not participate in the livestock sale. If the exhibitor has an animal that is part of a market pen die before the sale, the exhibitor may sell the remaining animals in the pen through the

livestock sale.

27. In the event that a market animal dies after the sale, the exhibitor will receive the premium bid minus commission, but not the market value of the animal.

28. In the event that an animal declared for sale dies prior to the sale, and the exhibitor has another market animal, the other animal must be sold through the livestock sale, regardless of previous declaration.

29. Market goats without ears are required to have their eartag secured around the goat's neck for fair weigh-in and for load out. This can be done by any means that is safe to the goat.

30. Market animals must be in their assigned pens during tagging and load out, a \$25.00 fine will be deducted from the exhibitor's sale check.

31. Exhibitors whose premium payments are over \$599, will need to have a W-9 Form completed. These forms are required by the State of Ohio in order to process payment.

32. All exhibitor checks are VOID AFTER 90 DAYS. If the sale committee treasurer has to reprint a livestock check there will be a \$35.00 reissue fee or if exhibitor lost a check, the exhibitor will be charged \$45.00 for stop payment. All checks not cashed after 90 days will become a donation to the Auglaize Co. Junior Fair.

JUNIOR MEMBERS EXHIBITING IN OPEN CLASS

Junior fair members may compete in open class with their project animals provided they pay \$3.00 per head for dairy, beef and swine; \$.50 per head for sheep. The animals are housed in space provided for the junior division. No membership tickets are required. These entries must be on the official open class entry form and submitted directly to the superintendent of the open class show involved.

Junior fair members may instead of following the procedure suggested above pay the full open class charges, purchase a membership ticket and house their animals in space provided for the senior division. If this plan is followed, open class entries and fees must be submitted to the superintendent of the department in which they enter. The junior entries must be submitted to the Extension office with a statement that no housing will be required in the junior division.

First place animals in each class are eligible to compete for Grand Champion. Reserve champion will be chosen from remaining first place animals and the second place from Grand Champion's class.

Grand Champion and Reserve Champion Market, Dairy, and Carcass Steers will be sold at the beginning of the steer sale.

GENERAL RULES:

1. Steers must have been identified at the winter steer weigh-in to compete in the junior fair steer show. If a steer is ill and cannot be identified at the designated date, hours and location, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of the illness before arrangements will be made to identify the steer. If there is a family emergency on the day of the weigh-in and the animals cannot be identified, the family must present their situation to the Junior Fair Board. The board will determine if the animals will be identified and if penalties will be imposed.
2. Steers must be homless and castrated at the time of the winter weigh-in. A veterinarian's certificate must accompany any steers that may be considered "questionable". Steers must be halter broken for winter weigh-in. The Junior Fair Board and Sale Committee reserves the right to refuse to register, identify and weigh any steer considered to be unruly or uncontrollable. Steers that are refused at the winter weigh-in will be ineligible for the fair.
3. NQ horns will be permitted on any beef animals entered in the junior fair. Steers will be checked at the winter and fair weigh-ins. Any animals with horns will be sent home immediately.
4. All animals must be tied with a neck strap or chain and halter when tied in their stalls. Each exhibitor not complying will receive one warning from the Junior Fair Beef Chairman, then premiums will be forfeited.
5. Steers must be shown in the ring to be sold in sale.
6. Health rules same as open class.
7. Limit of two entries in each class (see carcass rules regarding steer entries).
8. Any animal that is registered should be registered in the exhibitor's name or as a partnership.
9. If a steer is to be entered in the dairy steer show as a Milking Shorthorn, the exhibitor must present registration papers as proof of breed. All other shorthorn steers will be shown in the beef steer class.
10. To be shown as a dairy feeder or dairy steer, the animal must be of dairy breeding. A cross between a beef and dairy breed will show in the beef feeder or steer class.
11. Beef exhibitors must designate, at the time of fair weigh-in, which animal will sell in the livestock sale if more than one steer is entered.
12. All grand and reserve champion steers will be harvested and viewed as part of the carcass review on the Wednesday after the fair. Steers sold through the junior fair livestock sale are required to be sent to harvest.
13. It is suggested that feeder calves be fenced in to separate them from the steers. Exhibitors must provide their own gates for this purpose.
14. Feeder calves, beef and dairy, must be castrated at least one month before the first day of the fair.
15. Heifers shown as a feeder calf may not be shown as a breeding project animal. If a heifer is weighed as a feeder calf, it must be shown as a feeder. Heifers not being weighed will be shown in breeding class. Classification cannot be changed after the weigh-in.
16. Feeder calves will be identified at fair weigh-in.
17. Beef exhibits will be bedded with mulch that is provided. No dyed wood products may be used. If unacceptable products are used, the exhibitor will be given one notification by the Junior Fair Board to replace the bedding with acceptable materials. If the problem is not corrected after 24 hours, the exhibitor will be fined \$25 per day per animal.

19. Butt fans may not be used, cage fans may be used.
20. Steer possession date will be the original scheduled date of the winter weigh-in.
21. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.
22. Unruly animals will be dismissed from the class at the discretion of the Junior and Senior Fair Board department superintendents.
23. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale, except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.
24. Each animal crossing the scale must be declared terminal or nonterminal (home) at the weigh-in. If an animal is not declared terminal/nonterminal at the weigh-in, it will be considered terminal. An animal's declaration (sale, terminal or nonterminal) at the weigh-in may not be changed unless it is chosen as a grand or reserve champion or under the guidance of the fair veterinarian.

BOY SCOUTS OF AMERICA

Scouting for boys was begun by Sir Robert Baden Powell of England in 1908 and has since spread throughout the World. In 1910, the Boy Scouts of America was founded to promote the ability of boys to do things for themselves and others, to train them in Scout craft and to teach them patriotism, courage, self-reliance and kindred virtues. Scouts wear a distinctive uniform and are led by adults and boy leaders. Badges are awarded for achievement and proficiency in various crafts and skills. Membership today is over 6,000,000 in the United States, including Cub Scouts aged 8 to 10, Boy Scouts ages 11-18, and Explorers, ages 16 and over.

BLACK SWAMP COUNCIL

The purpose of the Boy Scouts of America is character building, citizenship training, physical fitness, and belief in the ideals of Scouting. The program of Scouting is offered to and used by organizations for the youth of the community and organization.

All exhibits will be under the supervision of competent persons at all times and every effort will be made to protect them from loss or injury. However, neither the management of the Auglaize County Fair nor the Boy Scouts will be responsible for any loss or injury to exhibits.

GIRL SCOUTS OF AMERICA

Girl Scouting is a program that gives girls from all segments of American life a chance to develop their potential to make friends and to become a vital part of their community. Based on ethical values, it opens up a world of opportunity for youth, working in partnership with adult volunteers.

Girl Scouting is continuous adventure in learning that offers girls a broad range of activities which address both their current interests and their future roles as women. Through activities that stimulate self-discovery, they are introduced to the excitement in the worlds of science, the arts, the out-of-doors and people. Girls grow in skill and in self-confidence. They have fun, make friends and through meaningful community service, they acquire understanding about themselves and others.

Girl Scouting is one continuous program open to all girls 5 through 17, including Daisy Girl Scouts (ages 5-6), Brownie Girl Scouts (ages 6-8), Junior Girl Scouts (ages 8-11), Cadet Girl Scouts (ages 11-14), and Senior Girl Scouts (ages 14-17).
