This rule applies to showmanship entries (no showmanship entries will be accepted during the fair). The entry will not be official until the fine is paid in full in cash. Late entry fee information will be submitted to the Junior Fair Board along with**

#### the cash fee.

2. All entry corrections must be done by noon Saturday before the opening day of the fair. This rule does not allow for adding additional late entries, but correction of an entry. All entries are final in all departments as of this deadline.

3. Exhibits must be on the grounds by the following times to receive premiums unless granted permission for late arrival:

- a. FFA Shop & Crop - Friday, July 28, 11:00 a.m.
- b. 4-H Booths - Monday, July 31, 2:00 p.m.
- c. School Booths - Monday July 31, 8:00 a.m.
- d. Livestock - Saturday, July 29, 8:00 a.m.

4. All livestock project animals must have been in possession and cared for by the individual exhibitor on and after May 1 of the current year. Exceptions:

Yearling horses - ownership date is January 1 of current year  
Market rabbits - ownership date is June 20 of current year  
Market chickens - ownership date is June 30 of the current year

Breeding project animals may be owned or leased. Lease agreements and other paperwork must be turned in by the May 1 possession date for livestock. The paperwork must include the cover sheet, pictures and an actual lease agreement written and signed by the owner, the exhibitor and parent/guardian. Market animals (including feeder calves) cannot be leased and must be fully owned by the exhibitor. Proof of ownership may be requested at any time.

5. Ownership of any animal will be considered lost if, after May 1 of the current year, the animal has been consigned or through any auction or any other type of transaction. If questions regarding ownership arise the exhibitor will be asked to produce any of the following: registration papers, bill of sale, or valid receipt.

6. To be eligible for Junior Fair premiums and awards each exhibitor must have in his/her possession that official project animal(s) that he/she is taking, and the exhibitor must feed, train, groom this same animal (or animals) from the time the project starts until it is completed.

7. Tampering or misrepresentation as to the breeding, age, ownership, and other irregularity in showing will be exposed and any premiums, trophies, awards, or sale money won by the exhibitor may be withheld.

8. FFA members may show in only one Junior Fair as an FFA member regardless of location of member or Chapter. FFA recommends that a member exhibit in the county the Chapter is located rather than residence of the individual. 4-H members may show in only one Junior Fair as a 4-H member. 4-H member will exhibit in the county of 4-H membership. A member could show as a 4-H member in one county, as a FFA member in another county. Members exhibiting through both FFA and 4-H must carry separate projects and animals. The following are recognized by the Junior Fair as separate projects: Lactating Dairy Cow and Dairy Heifer/Calf not milking; Sheep Breeding and Market Lamb; Beef Breeding and Steer; Swine Breeding and Market Hog (not a part of a breeding litter).

9. In shows outside of "junior livestock show/exhibitions," a project animal may only be shown by the youth exhibitor or family members. If shown by a youth outside of the immediate family, this constitutes a change in ownership. County exceptions are noted below in rule 10.

10. Exhibitors must show their own project. The exceptions are: a family emergency, one member with two animals in the same class, a member is showing in two departments and the classes are running simultaneously, a member is physically incapacitated and unable to show. In a case of emergency during the judging, the board can approve an alternate showman immediately. In all situations, the second showman must be an Auglaize County Junior Fair member (not a 4-H cloverbud). All exceptions must be approved by the Junior Fair Board

prior to show or judging.

11. Since fair participation is optional, the Junior Fair Board is not responsible for the lost, stolen, or damaged items.
12. All exhibits must be the same the member carried as projects. A member may not enter in a department in which they do not have an official project. If unauthorized substitution is attempted all premiums and other privileges of the exhibitor will be forfeited.
13. Entries in each class are limited to two per individual except where stated in class rules.
14. Entries are free if confined to junior classes.
15. The privilege is reserved to combine classes in case of lack of entries.
16. Any exhibitor showing misconduct or poor showmanship in a judging area, show ring, show area, exhibit area or animal barn will have full forfeiture of premium to that division by decision of the Junior Fair Board.
17. The Junior Fair Board requests that all junior fair exhibitors observe the designated arrival and dismissal times. Animals coming from another fair must obtain permission from department superintendents for earlier arrival. Junior Fair Board holds the right to remove any exhibitor who violates the arrival time. Anyone failing to comply with the arrival or dismissal times without acceptable reason or prior approval will be fined \$50.00, payable in cash by December 1 of the current year. If an exhibitor fails to pay their fine, they will be ineligible for placings the following year. The Junior Fair Board reserves the right to contact show officials to confirm entry, arrival, and dismissal times. In cases of sickness or other emergency situations, written notice must be given to Junior Fair Board before any animal can leave the grounds.
18. Due to conflicting dates with the Ohio State Fair, every effort will be made to allow early release so youth may show at both fairs. Exhibitors planning to show at both fairs should notify the Junior Fair Board to avoid penalty.
19. In the case of state fair livestock entries, projects of the exhibitor(s) and immediate family members may be released early if prior approval is granted by the Junior Fair Board. Proof of state fair entry must accompany the request. The Junior Fair Board reserves the right to contact show officials to confirm entry, arrival, and dismissal times. For all other departments, members participating in state fair will be granted an early release for their project only.
20. Still projects exhibited in the Exhibit and FFA Buildings must be signed out in the Junior Fair Board office when leaving for the Ohio State Fair. Projects may be signed out no more than 24 hours prior to the state fair judging date.
21. All exhibits and stall assignments will be determined by the department superintendents and assigned prior to the fair. All exhibitors shall abide by these assignments. Exhibitors needing special stall or pen arrangements must submit these requests with their fair entries by July 1. Requests after July 1 may be considered but not accommodated. Exhibitors moving assignments without prior approval, will be required to move back to their original assigned area. Exhibitors refusing to abide by the Junior Fair Board's assignment will be asked to remove their projects from the fairgrounds.
22. All junior fair livestock must be housed in their assigned pens, including overnight. Beef animals may be housed overnight in the designated tie out area. Market animals must be in their correct pens during tagging and loadout. Violations will result in a \$25.00 fine being deducted from the exhibitor's sale check.
23. **PROTEST POLICY:** Protests must be made in writing, signed by party making protest and filed with the Executive Committee of the Junior Fair board by noon of the day following the award. This written

protest must be accompanied by a protest fee of **\$100.00** in cash which will be retained by the Junior Fair board if protest is not sustained. The Executive Committee shall hear protests with the superintendent of the department involved.

## AGRICULTURE RULES:

1. Livestock health requirements for the Junior Fair are the same as for open class exhibitors (see rules and regulations for the open class). Health certificates are to be presented to the veterinarian in charge.
2. **The following rule applies to market steer, market lamb and market goat exhibitors:** A minimum of one project animal must be registered in the individual exhibitor's name at winter/spring weigh-in to be eligible to enter and show that specie at the fair. This animal may only be entered, shown and sold in that individual's name. This animal could only be transferred to another exhibitor's name using the livestock substitution rule and would not be eligible for placings if substituted. The remaining animals registered at winter/spring weigh-ins may be listed in the family's name. These "family" animals must be owned by the exhibitor or immediate family member (as defined by the Ohio Administrative Code for livestock exhibition (901-19-01 | Definitions). For example, for steers – 3 youth in a family could register a maximum of 9 steers (3 youth x 3 steers per child), sheep and goat - 3 youth in a family could register a maximum of 15 lambs or goats (3 youth x 5 lambs/goats per child). Fair weigh-in: the designated exhibitor of the family shared animal must be stated when the animal is weighed at the fair. After fair weigh-in, this animal could only be transferred to another exhibitor's name using the livestock substitution rule and would not be eligible for placings. No animal can be exhibited (entered or shown) under more than one exhibitor's name.
3. To be eligible for Junior Fair Livestock Sale, a market animal must have been shown in the appropriate market class in the Junior Fair.
4. **Livestock substitution policy:** If a project animal dies or is physically impaired and cannot be shown safely, another animal may be substituted. The Junior Fair Board must be notified of and approve of all substitutions. Failure to do so will result in the forfeiture of premiums. The substituted animal may be shown only for a project grade, no placings, or awards. Substituted animals may place in showmanship classes. Market animals will be registered in an individual child's name and may not be transferred to a sibling after that time. Transfer to another exhibitor, including a sibling, sibling would be considered a substitution and above rule would apply.

Dirty pens will be tagged, and conditions corrected. Cleaning cannot be done during shows and sales. Each pen left unclean after the conclusion of the fair on Sunday by 12:00 p.m. will be assigned a \$50 fine to the corresponding exhibitor(s). If an exhibitor fails to pay any of these fines, they will be ineligible for placings the following year.

For market animals, if it is determined at load out that the animal has lacked food and/or water, a penalty will be deducted from the value of the animal: \$25.00 for steers, lambs, goats and hogs, \$10.00 for rabbits and poultry. This decision will be made by the packer and representatives from the Sale Committee. 4. This rule applies to market steers, lambs and goats. Animals must have been identified at the winter/spring weigh-in to compete in the junior fair shows. Weights from other scales will not be accepted. Animals must be present at the designated date, hours, and location to be weighed and identified unless one of the following situations occurs. If an animal is ill and cannot be present at the designated date, hours and location, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of the illness before arrangements will be made to identify the steer. If there is a family emergency on the day of the weigh-in and the animals cannot be identified, the family must present their situation to the Junior Fair Board. The board will determine if the animals will be identified and if penalties will be imposed. If an animal is entered in another show on the day of weigh-in, the family must present proof of entry prior to the weigh-in. The sale committee will make alternate arrangements for weighing and identifying the animal that is entered in the alternate show. Family will be required to provide proof of participation for the animal entered at the alternate show. All other animals belonging to the family that are not entered in the alternate show, must be present at the designated weigh in date and hours.

5. All market animals will be weighed during the designated fair weigh in times.

6. Order of sale will be determined randomly by computer for all market species. Eartags are for identification only.

7. A sale list will be prepared from those animals that are shown as steer, market hogs, market lambs, market goats, market rabbit pens and poultry pens. Junior fair exhibitors must notify Sale Committee at time of weigh-in which animal will be sold.

8. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale including steers, lambs, goats, hogs, rabbits, chickens and milk; except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

9. Each animal crossing the scale must be declared terminal or nonterminal at the fair weigh-in. If an animal is not declared terminal/nonterminal at the weigh-in, it will be considered terminal. An animal's declaration (sale, terminal or nonterminal) at the fair weigh-in may not be changed unless it is chosen as a grand or reserve champion or under the guidance of the fair veterinarian.

11. Members showing steers must provide a good rope halter for after the sale. Please don't expect buyers of steers to lead them with makeshift halters of baling twine. If the buyers give members the halters after the steers are on the truck, this is their favor to the exhibitors.

12. Members will receive payment for the animals when sufficient sale monies have been received. A commission and check-off money where appropriate will be taken out of all checks. The commission for selling junior fair livestock as determined by the Sale Committee will be up to 4 percent of the premium bid for all species, including dairy milk. This is for sale expenses, promotion and appreciation banner.

For market animals, if it is determined at load out that the animal has lacked food and/or water, a penalty will be deducted from the value of the animal: \$25.00 for steers, lambs, goats and hogs, \$10.00 for rabbits and poultry. This decision will be made by the packer and representatives from the Sale Committee.

15. Animals will only cross the scale one time at the weigh-in.

16. Animals must be able to walk across the scale on their own to be weighed, shown and sold. Incapacitated animals will not be weighed.

17. A gallon of milk will be auctioned, and the proceeds divided among the junior fair dairy cattle exhibitors.

18. Members must be present to sell their own animal unless prior permission has been given by junior fair superintendent in charge of that department. If permission is granted, another Auglaize Co. junior fair member may walk the animal through the sale ring. If permission is granted for a specie not selling live animals, exhibitor is expected to provide a picture of their project animal for the other junior fair exhibitor to hold in the sale ring. Dairy members must be present at the gallon of milk sale to share in the proceeds unless prior permission is granted as stated above.

19. If a member is not present to sell their animal and no permission has been granted for another exhibitor to sell that animal, then the animal will not be sold through the sale ring. The exhibitor will receive the packer bid only, no premium bids.

If a market animal is removed from the fairgrounds without proper authorization, the following penalties will apply: the exhibitor will be banned from further competition for the next 2 years of their junior fair eligibility. If removed after the sale, in addition to the above penalty, the exhibitor will forfeit all premium monies. The premium monies will be returned to the sale buyer with a letter of explanation.

24. If a market animal is sent home by fair officials for any reason, the exhibitor will not receive any payment for the value of the market animal. If sent home by fair officials after the sale, the exhibitor will receive the premium amount from the sale only.

25. The Senior Fair, Junior Fair, and Sale Committee will take every precaution for the safe keeping of livestock on exhibition after their arrival on the grounds but will not be responsible for any animal loss that may occur. Exhibitors are requested to give every attention to their animals. Animals are the responsibility of the exhibitor until the animals are loaded to the packer or released.

26. If a market animal dies before the sale, and the exhibitor does not have another market animal that has been shown in junior fair, the exhibitor will not participate in the livestock sale. All checks not cashed after 90 days will become a donation to the Auglaize Co. Junior Fair.

## JUNIOR MEMBERS EXHIBITING IN OPEN CLASS

Junior fair members may compete in open class with their project animals provided they pay \$3.00 per head for dairy, beef and swine; \$.50 per head for sheep. The animals are housed in space provided for the junior division. No membership tickets are required. These entries must be on the official open class entry form and submitted directly to the superintendent of the open class show involved.

Junior fair members may instead of following the procedure suggested above pay the full open class charges, purchase a membership ticket and house their animals in space provided for the senior division. If this plan is followed, open class entries and fees must be submitted to the superintendent of the department in which they enter. The junior entries must be submitted to the Extension office with a statement that no housing will be required in the junior division.

## SHOWMANSHIP RULES

1. There shall be contests for beef, sheep, swine, dairy, rabbits, goats, horses and poultry.

1. Steers must have been identified at the winter steer weigh-in to compete in the junior fair steer show. Weights from other scales will not be accepted. Steers must be present at the designated date, hours, and location to be weighed and identified unless one of the following situations occurs. If a steer is ill and cannot be present at the designated date, hours and location, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of the illness before arrangements will be made to identify the steer. If there is a family emergency on the day of the weigh-in and the animals cannot be identified, the family must present their situation to the Junior Fair Board. The board will determine if the animals will be identified and if penalties will be imposed. If an animal is entered in another show on the day of weigh-in, the family must present proof of entry prior to the weigh-in. The sale committee will make alternate arrangements for weighing and identifying the animal that is entered in the alternate show. Family will be required to provide proof of participation for the animal entered at the alternate show. All other animals belonging to the family that are not entered in the alternate show, must be present at the designated weigh in date and hours.

2. Steers must be hornless and castrated at the time of the winter weigh-in. A veterinarian's certificate must accompany any steers that may be considered "questionable". Steers must be halter broken for winter weigh-in. The Junior Fair Board and Sale Committee reserves the right to refuse to register, identify and weigh any steer considered to be unruly or uncontrollable. Steers that are refused at the winter weigh-in will be ineligible for the fair.

14. Feeder calves, beef and dairy, must be castrated at least one month before the first day of the fair.

16. Feeder calves will be identified at fair weigh-in.

17. Beef exhibits will be bedded with mulch that is provided. No dyed wood products may be used. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. 23. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale, except by exhibitors having more than one

champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

23. Age of goat is determined by the date of the show. No goats under three (3) weeks of age are permitted on the grounds.

24. Classes with 15 or more entries will be split. The split will be a gate cut (first in) with the exception that one exhibitor with two animals may elect to go into separate classes. The top five animals in each class will return to be judged for class placings. There will be no placings in the qualifying classes, the top five will be selected but not placed.

25. The following practices are unacceptable for showing: use of ice, hot shots, slapping, wet towels and aerosols which cause an "icing" effect. Violators will not be eligible to compete for awards.

26. Building of legs with adhesives is not permitted. Violators will not be eligible to compete for awards.

27. Does identified as a market goat may not be shown as a breeding project animal in the same year. Classification cannot be changed after the spring weigh-in.

28. Market goats without ears are required to have their eartag secured around the goat's neck for fair weigh-in and for load out. This can be done by any means that is safe to the goat other than wire.

29. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

30. The Junior Fair Board requests that exhibitors with breeding animals notify them by July 1 with the total of number of pens needed per exhibitor. This total should include market goat pens if needed.

31. All blankets, coats and tubes must be removed for initial veterinary inspection. The Junior Fair Board reserves the right to have these covers removed at any time for inspection.

32. Muzzles may not be used on any goat at any time.

33. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale, except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

34. Each animal crossing the scale must be declared terminal or nonterminal (home) at the weigh-in. If an animal is not declared terminal/ nonterminal at the weigh-in, it will be considered terminal. An animal's declaration (sale, terminal or nonterminal) at the weigh-in may not be changed unless it is chosen as a grand or reserve champion or under the guidance of the fair veterinarian.

#### **MARKET GOAT RATE OF GAIN CONTEST:**

1. Open to all 4-H and FFA market goat exhibitors.

2. Market goats must have been weighed at the spring weigh-in to be eligible for this contest.

3. The top two goats with the fastest rate of gain per day will be awarded trophies. All ties will be broken by giving the animals with the heaviest starting weight the advantage.

4. Top two rate of gain class winners will be recognized at the sale according to draw number. They will not be sold at the top of the goat sale.

### GENERAL RULES:

1. All Junior Fair Horse Shows are conducted according to the Uniform Rules for 4-H Horse Shows. All rules within that book apply. Included in this rule book are the requirements for wearing helmets and class restrictions. The rules contained in this department are in addition to the Uniform Rules.
2. 4-H members may exhibit only two project horses/ponies.
3. All horses must be identified by the ownership/lease form and pictures which are due to Extension Office by May 1.
4. Horses and ponies used as projects animals shall either be owned by the member or immediate family or leased. The purpose of a lease is to provide an educational experience for youth who might not otherwise have the opportunity. If the animal is leased, the lease agreement should have the approval of the County 4-H Extension Agent and a copy of the lease form on file in the Extension Office by May 1 of the current year.
5. The Horse and Pony Committee reserves the right to combine classes with five (5) or less entries. Large classes may also be split.
6. Yearling projects must be in the member's possession by January 1 of the current year. All other horses, including weanling projects, must be in the member's possession by May 1.
7. All exhibits must be graded during presentation to be eligible for premiums and entry into all other classes. The only exception is those exhibitors who are showing a horse at the Ohio State Fair on the day of the presentation class. The judge will go through the barn, horse in stall, exhibitor by the stall to assign project grades. Barns will be closed. If there is no presentation grading prior to a show, then advisor grade will be used to determine placings and premium.
8. Members who enter the Walk-Trot Class must be first year horse members or experienced rider with a novice horse. Horses entered in this class may not ridden in any other performance riding class. Exhibitors entering this class may enter other performance riding classes with a different horse.
9. Walk-Trot exhibitors may also enter the Walk Trot Trail, Ground Roping, Ground Driving, and Driving classes. This entry is allowed because these classes are not riding classes.
10. If a horse is incapacitated and cannot lope, a member may enter in the Walk-Trot class if they provide a veterinarian's certificate at the time of entry. Horse must be entered as of July 1<sup>st</sup>. Horses entered in walk trot

with a veterinarian's certificate for multiple years will have their certificate reviewed by the fair veterinarian. It is not acceptable to enter a horse in walk trot multiple years due to a chronic condition. All other rules regarding the Walk-Trot class apply.

11. Members enrolled in Horseless Horse project may enter ground roping (no horse required) in addition to attending 4-H Special Interest judging.
12. A member may enter and show only one horse in any showmanship class (see rule #13 for the exemption for Showman of Showmen). For example, an exhibitor may show one horse in Western Showmanship and the other in English Showmanship, but not both horses in Western Showmanship.
13. First and second place winners in all showmanship classes will compete in the Showman of Showmen class. If an exhibitor has placed first or second in more than one showmanship class, they may show both horses in the Showman of Showmen.
14. Easy Gaited Pleasure - correct tack and attire is Saddle Seat or Western tack and attire, respectively. Easy Gaited classes will be two gaited classes (no canter). Gaits will be a Show Walk and a Show Gait.
15. According to the Uniform Rules for 4-H Horse Shows, an exhibitor cannot show the same horse in Western Pleasure and Ranch Pleasure at the same show. In addition, an exhibitor cannot show the same horse in Western Pleasure and Ranch Riding at the same show.

16. All horses must be weaned by the time they arrive on the fairgrounds.

17. If a horse kicks, a red ribbon must be tied to the tail when the horse is out of the stall.

18. If it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

19. Walk Trot Trail class exhibitors will complete the trail pattern with no lope, trot only. This class is open only to exhibitors entered in class #718 Walk Trot.

20. Horses with a body condition score of less than a 4 (ribs easily discernable, tops of spinous process easily discernable, tailhead prominent with hook pins easily discernible, withers accentuated, and neck obviously thin), obviously sick horses, and horses with a Grade 3 or greater lameness (consistently observable at the trot; marked nodding, hitching, or shortened stride; and minimal weight bearing in motion or at rest) should not be entered. Questionable animals will be reviewed by fair officials in consultation with the fair veterinarian.

25. Clubs/chapters will be assigned times to supervise the rabbit barn. Two supervisors must be provided for each shift. Supervisors must personally sign in to be given credit. Groups will be fined \$10.00 for each shift they do not supervise. Any group not providing the required two supervisors will be also fined \$10.00 per shift. These fines are to be paid to the Jr. Fair Board by January 1 of the following year. Those groups not paying their fine will forfeit their club members' fair passes for the following year.
26. All market rabbits sold through the junior fair livestock sale are required to be sent to harvest. All market rabbits sell as a pen of two. The grand and reserve champion single fryers must sell and go to harvest. The second rabbit of the pens that the grand/reserve champion fryers were shown in, must go to harvest also.
27. Show boxes must be placed under the pens or placed along the outside walls of the building. No boxes may obstruct the aisles.
28. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$10.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor

will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

29. If a market rabbit dies after fair weigh-in, the remaining rabbit in the pen can be sold as a single. The exhibitor will receive the animal value for that rabbit.

30. Every pen will be assigned a number that will be used for barn management.

31. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale, except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

1. Health requirements are the same as open class.
2. Limit of two entries in each class per exhibitor. In breeding classes, exhibitors may have two entries in each class per breed. Each breed will be shown separately. Crossbreeds will be shown as a separate breed division.
3. Market lambs may be wethers or ewes. Wethers must be castrated at the time of the spring weigh-in.
4. All market lambs must be identified at the spring weigh-in to compete in the junior fair market lamb show. An exhibitor may identify a maximum of five lambs. Weights from other scales will not be accepted. Lambs must be present at the designated date, hours, and location to be weighed and identified unless one of the following situations occurs. If a lamb is ill and cannot be present at the designated date, hours and location, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of the illness before arrangements will be made to identify the lamb. If there is a family emergency on the day of the weigh-in and the animals cannot be identified, the family must present their situation to the Junior Fair Board. The board will determine if the animals will be identified and if penalties will be imposed. If an animal is entered in another show on the day of weigh-in, the family must present proof of entry prior to the weigh-in. The sale committee will make alternate arrangements for weighing and identifying the animal that is entered in the alternate show. Family will be required to provide proof of participation for the animal entered at the alternate show. All other animals belonging to the family that are not entered in the alternate show, must be present at the designated weigh in date and hours.

Only one exhibitor per animal in any class will be permitted except in the yearling classes. Second showman in yearling classes may only assist the exhibitor and must be a junior fair member. All showmen must be Auglaize County junior fair members but cannot be a 4-H cloverbud.

If the problem is not corrected after 24 hours, the exhibitor will be fined \$25 per day per pen.

18. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. ## GIRL SCOUTS OF AMERICA

Girl Scouting is a program that gives girls from all segments of American life a chance to develop their potential to make friends and to become a vital part of their community. Based on ethical values, it opens up a world of opportunity for youth, working in partnership with adult volunteers.

Girl Scouting is continuous adventure in learning that offers girls a broad range of activities which address both their current interests and their future roles as women. Through activities that stimulate self-discovery, they are introduced to the excitement in the worlds of science, the arts, the out-of-doors and people. Girls grow in skill and in self-confidence. They have fun, make friends and through meaningful community service, they acquire understanding about themselves and others.

Girl Scouting is one continuous program open to all girls 5 through 17, including Daisy Girl Scouts (ages 5-6), Brownie Girl Scouts (ages 6-8), Junior Girl Scouts (ages 8-11), Cadet Girl Scouts (ages 11-14), and Senior Girl Scouts (ages 14-17).

Today's troop program is carried on by over three million girls in over 192,000 troops, including USA Girl Scouts overseas in 60 countries where members come from U.S. Military and civilian families living abroad.

Girl Scouts of the U.S.A. is part of an international movement. It is linked with other Girl Scouts and Girl Guides through membership in over 112 countries around the world.

The Girl Scouts consider participation in the Auglaize County Fair a privilege and an opportunity to share their accomplishments, interests, and ideals. All exhibits must show high quality in effort, originality, neatness, and Girl Scout Program.

Every registered Girl Scout troop in Auglaize County is eligible to enter. All exhibits must be made by the troops expressly for the Girl Scout program. Fair exhibits should be an outgrowth of good Girl Scout programming either in troop meetings, troop camping, or Day Camp.

A minimum cash bonus of \$2,000 for 1st, \$1,000 for 2nd and \$500 for 3rd will be awarded for each gait to the horses with the most points accumulated during the series. Cash bonuses may be increased on a year by year basis at the discretion of the committee. If a horse changes ownership during the series, the owner at the time the series is over is eligible for this cash bonus. Cash bonuses in 2022 totaled \$10,000

Accumulated points remain with the horse. When horses are tied in summary for total points, all horses are considered a winner and the bonus monies are added together and divided equally.

The point system is as follows: Win-51, Second-26, Third-13, Fourth-9, Fifth-6 and all remaining starters-1. In the event of a dead-heat, as with purse money division, horses shall receive the standard distribution of points for their particular order of finish. Any pending appeal of a placing ruling issued by the judges shall not alter the point standing.

Tie breakers for Delaware: #1 - Money Earned in Signature Series Events in 2022, #2 - Coin Flip. The Signature Series Executive Committee will make final determination of any disputes and/or interpretations of the rules in a timely manner.

Should a member fair's speed committee deem it necessary to limit the number of entries for a Signature Series event, the conditions shall be restricted first to Ohio Sired.

Points will be posted on our website throughout the series every week.

Purses divided 50%, 25%, 12%, 8% and 5%  
Estimated purses for 2023 on the following page.
