**SECURING  
AGRICULTURE'S  
FUTURE.**

Right now, you need a lender focused on farmers' futures. As a lending cooperative owned by farmers, we are committed to farmers. That's why our farmers have more than \$1 billion back over the last 7 years through our Patronage\* program. It's our way of supporting our farmers and strengthening their rural communities.

- **Patronage** – As a cooperative owned by farmers, we give cash back to our customers by returning a portion of our profits to them.
- **Locally-owned** – Because we are owned by our customers, we are committed to making a community investment in every county we serve.

## RULES AND REGULATIONS OF THE JUNIOR FAIR

Junior Fair Membership: Any youth belonging to any of the following organizations in Auglaize County:

1. 4-H Clubs
2. FFA Chapters or Vocational Agriculture classes
3. FCCLA Chapters, Vocational Family and Consumer Sciences, Family and Consumer Sciences classes
4. Juvenile Granges
5. Farm Bureau Youth
6. Boy and Girl Scout Troops

**Junior Fair Eligibility:** Youth who comply with the rules of the Junior Fair as given in this book and are regularly enrolled in any of the above named organizations are eligible to exhibit.

To be eligible to participate in the junior livestock shows or activities, exhibitor must be a current member in good standing of either Ohio 4-H or FFA. Member must be officially enrolled by the county deadline in the appropriate project corresponding to the class/animal they are exhibiting.

FFA members may show in only one Junior Fair as an FFA member regardless of location of member or Chapter. FFA recommends that a member exhibit in the county the Chapter is located rather than residence of the individual. 4-H members may show in only one Junior Fair as a 4-H member. 4-H member will exhibit in the county of 4-H membership. A member could show as a 4-H member in one county, as a FFA member in another county. Members exhibiting through both FFA and 4-H must carry separate projects and animals. The following are recognized by the Junior Fair as separate projects: Lactating Dairy Cow and Dairy Heifer/Calf not milking; Sheep Breeding and Market Lamb; Beef Breeding and Steer; Swine Breeding and Market Hog (not a part of a breeding litter).

All exhibits must be the same the member carried as projects. A member may not enter in a department in which they do not have an official project. If unauthorized substitution is attempted all premiums and other privileges of the exhibitor will be forfeited.

**Age Limitations for Junior Fair Exhibitors:** To participate in any Auglaize County Junior Fair activities, a person must comply with the following maximum age requirement that states that any youth must not have passed his or her 19th birthday as of January 1 of the current year. Members turning 19 on January 1 of the current year will be eligible for that year's fair.

**Fair participation:** Since fair participation is optional, the Ag Society and Junior Fair Board are not responsible for the lost, stolen, or damaged items.

**Code of Conduct:** Any exhibitor showing misconduct or poor showmanship in a judging area, show ring, show area, exhibit area or animal barn will have full forfeiture of premium to that division by decision of the Junior Fair Board.

**Parking Regulations:** A vehicle pass is necessary to enter the fair-grounds. There is no parking around the barns.

**Fire Lane:** All buildings housing livestock will have lanes 30' wide at all exits with no parking in this area. These lanes may be used for delivery and pick up but no parking. Fire lanes will be marked and vehicles parking in this area will be towed away.

**Premium Payment:** All Junior Fair premiums will be paid at pre-fair judging or during fair week. Members not receiving their premium at the designated time must request the premium payment by completing a form. The form is submitted to the Junior Fair office by noon Thursday of the fair. ### GENERAL RULES:

1. Animals must have been identified at the winter weigh-in to compete in the junior fair market show. Weights from other scales will not be accepted. Animals must be present at the designated date, hours, and location to be weighed and identified unless one of the following situations occurs. If an animal is ill and cannot be present at the designated date, hours and location, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of the illness before arrangements will be made to identify the animal. If there is a family emergency on the day of the weigh-in and the animals cannot be identified, the family must present their situation to the Junior Fair Board. The board will determine if the animals will be identified and if penalties will be imposed. If an animal is entered in another show on the day of weigh-in, the family must present proof of entry prior to the weigh-in. The sale committee will make alternate arrangements for weighing and identifying the animal that is entered in the alternate show. Family will be required to provide proof of participation for the animal entered at the alternate show. All other animals belonging to the family that are not entered in the alternate show, must be present at the designated weigh in date and hours.

2. Animals must be hornless and steers castrated at the time of the winter weigh-in. A veterinarian's certificate must accompany any animals that may be considered "questionable". Animals must be halter broken for winter weigh-in. The Junior Fair Board and Sale Committee reserves the right to refuse to register, identify and weigh any animal considered to be unruly or uncontrollable. Animals that are refused at the winter weigh-in will be ineligible for the fair.

3. Heifers identified at winter weigh-in as a market heifer may not be shown as a breeding project animal. If a heifer is weighed as a market heifer, it must be shown in the market heifer class. Heifers not being weighed at the winter weigh-in will be shown in a breeding class. Classification cannot be changed after the winter weigh-in.

4. NO horns will be permitted on any beef animals entered in the junior fair. Market animals will be checked at the winter and fair weigh-ins. Any animals with horns will be sent home immediately.

5. All animals must be tied with a neck strap or chain and halter when tied in their stalls. Each exhibitor not complying will receive one warning from the Junior Fair Beef Chairman, then premiums will be forfeited.

6. Market animals must be shown in the ring to be sold in the sale.

7. Winners of the market heifer classes will compete in the final drive against the winners of the market steer classes for Grand and Reserve Champion and 3 through 5 overall market animal.

8. Health rules same as open class.

9. Limit of two entries in each class (see carcass rules regarding market entries).

10. Any animal that is registered should be registered in the exhibitor's name or as a partnership. Beef breeding project animals may be leased. Lease papers and pictures must be on file at the Extension Office by May 1. Market animals and feeder calves cannot be leased.

11. If a steer is to be entered in the dairy steer show as a Milking Shorthorn, the exhibitor must present registration papers as proof of breed. All other shorthorn steers will be shown in the beef steer class.

12. To be shown as a dairy feeder or dairy steer, the animal must be of dairy breeding. A cross between a beef and dairy breed will show in the beef feeder or steer class.

13. Beef exhibitors must designate, at the time of fair weigh-in, which animal will sell in the livestock sale if more than one animal is entered.

14. All grand and reserve champion market animals will be harvested and viewed as part of the carcass review on the Wednesday after the fair. Market animals sold through the junior fair livestock sale are required to be sent to harvest.

15. It is suggested that feeder calves be fenced in to separate them from the steers. Exhibitors must provide their own gates for this purpose.

16. Feeder calves, beef and dairy, must be castrated at least one month before the first day of the fair.

17. Heifers shown as a feeder calf may not be shown as a breeding project animal. If a heifer is weighed as a feeder calf, it must be shown as a feeder. Heifers not being weighed will be shown in breeding class. Classification cannot be changed after the weigh-in.

18. Feeder calves will be identified at fair weigh-in.

19. Maximum weight for dairy feeders at fair weigh in is 700 pounds and under. Any dairy feeders weighing more than 700 pounds will not be eligible for championship; they will show in a separate overweight class for project grade and premium only.

20. Beef exhibits will be bedded with mulch that is provided. No dyed wood products may be used. If unacceptable products are used, the exhibitor will be given one notification by the Junior Fair Board to replace the bedding with acceptable materials. If the problem is not corrected after 24 hours, the exhibitor will be fined \$25 per day per animal.

21. Generators used for grooming purposes may not be located outside of the Piehl Arena.

22. Butt fans may not be used, cage fans may be used.

23. Market animal possession date will be the original scheduled date of the winter weigh-in.

24. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

25. Unruly animals will be dismissed from the class at the discretion of the Junior and Senior Fair Board department superintendents.

26. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale, except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

27. Each animal crossing the scale must be declared terminal or nonterminal at the fair weigh-in. All declarations are final at weigh-in. If an animal is not declared terminal/nonterminal at the weigh-in, it will be considered terminal. An animal's declaration (sale, terminal or nonterminal) at the fair weigh-in may not be changed unless it is chosen as a grand or reserve champion or under the guidance of the fair veterinarian. Grand or reserve champions will be designated as terminal. If an exhibitor has other animals, their designation will not be changed, regardless of specie. See sale rules for more details on terminal/nonterminal designation.

24. Age of goat is determined by the date of the show. No goats under three (3) weeks of age are permitted on the grounds.

25. Classes with 15 or more entries will be split. The split will be a gate cut (first in) with the exception that one exhibitor with two animals may elect to go into separate classes. The top five animals in each class will return to be judged for class placings. There will be no placings in the qualifying classes, the top five will be selected but not placed.

26. The following practices are unacceptable for showing: use of ice, hot shots, slapping, wet towels and aerosols which cause an "icing" effect. Violators will not be eligible to compete for awards.

27. Building of legs with adhesives is not permitted. Violators will not be eligible to compete for awards.

28. Does identified as a market goat may not be shown as a breeding project animal in the same year. Classification cannot be changed after the spring weigh-in.

29. Market goats without ears are required to have their eartag secured around the goat's neck for fair weigh-in and for load out. This can be done by any means that is safe to the goat other than wire.

30. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

31. The Junior Fair Board requests that exhibitors with breeding animals notify them by July 1 with the total of number of pens needed per exhibitor. This total should include market goat pens if needed.

32. All blankets, coats and tubes must be removed for initial veterinary inspection. The Junior Fair Board reserves the right to have these covers removed at any time for inspection.

33. Muzzles may not be used on any goat at any time.

34. Each exhibitor showing a market animal must take one animal through the Junior Fair Livestock Sale. Junior exhibitors are limited to one entry in the sale, except by exhibitors having more than one champion or reserve champion market animal. It will be the exhibitor's option to sell their remaining market animals to the packer or take them home.

35. Each animal crossing the scale must be declared terminal or nonterminal at the fair weigh-in. All declarations are final at weigh-in. If an animal is not declared terminal/ nonterminal at the weigh-in, it will be considered terminal. An animal's declaration (sale, terminal or nonterminal) at the fair weigh-in may not be changed unless it is chosen as a grand or reserve champion or under the guidance of the fair veterinarian. Grand or reserve champions will be designated as terminal. If an exhibitor has other animals, their designation will not be changed, regardless of specie. See sale rules for more details on terminal/ nonterminal designation.

## **MARKET GOAT RATE OF GAIN CONTEST:**

2. Market goats must have been weighed at the spring weigh-in to be eligible for this contest.

4. Top two rate of gain class winners will be recognized at the sale according to draw number. They will not be sold at the top of the goat sale.

### GENERAL RULES:

1. All Junior Fair Horse Shows are conducted according to the Uniform Rules for 4-H Horse Shows. All rules within that book apply. Included in this rule book are the requirements for wearing helmets and class restrictions. The rules contained in this department are in addition to the Uniform Rules.

2. 4-H members may exhibit only two project horses/ponies.

3. All horses must be identified by the ownership/lease form and pictures which are due to Extension Office by May 1.

4. Horses and ponies used as project animals shall either be owned by the member or immediate family or leased. The purpose of a lease is to provide an educational experience for youth who might not otherwise have the opportunity. If the animal is leased, the lease agreement should have the approval of the county 4-H professional and a copy of the lease form on file in the Extension Office by May 1 of the current year.

5. The Horse and Pony Committee reserves the right to combine classes with five (5) or less entries. Large classes may also be split.

6. Yearling projects must be in the member's possession by January 1 of the current year. All other horses, including weanling projects, must be in the member's possession by May 1.

7. All exhibits must be graded during presentation to be eligible for premiums and entry into all other classes. The only exception is those exhibitors who are showing a horse at the Ohio State Fair on the day of the presentation class. The judge will go through the barn, horse in stall, exhibitor by the stall to assign project grades. Barns will be closed. If there is no presentation grading prior to a show, then advisor grade will be used to determine placings and premium.

8. Members who enter the Walk-Trot Class must be first year horse members or experienced rider with a novice horse. Horses entered in this class may not ridden in any other performance riding class. Exhibitors entering this class may enter other performance riding classes with a different horse.

9. Walk-Trot exhibitors may also enter the Walk Trot Trail, Ground Roping, Driving Reinsmanship and Driving classes. This entry is allowed because these classes are not riding

classes.

10. If a horse is incapacitated and cannot lope, a member may enter in the Walk-Trot class if they provide a veterinarian's certificate at the time of entry. Horse must be entered as of July 1st. Horses entered in walk trot with a veterinarian's certificate for multiple years will have their certificate reviewed by the fair veterinarian. It is not acceptable to enter a horse in walk trot multiple years due to a chronic condition. All other rules regarding the Walk-Trot class apply.

11. Easy Gaited horses may not show in riding classes that require a trot. Correct tack and attire for Easy Gaited Pleasure is Western tack and attire. Easy Gaited classes will be two-gaited classes (no canter). Gaits will be a Show Walk and a Show Gait. Easy Gaited horses may show in Gymkhana if the class does not require a trot.

12. A member may enter and show only one horse in any showmanship class (see rule #13 for the exemption for Showman of Showmen). For example, an exhibitor may show one horse in Western Showmanship and the other in Hunter Showmanship, but not both horses in Western Showmanship.

13. First and second place winners in all showmanship classes will compete in the Showman of Showmen class. If an exhibitor has placed first or second in more than one showmanship class, they may show both horses in the Showman of Showmen.

14. According to the Uniform Rules for 4-H Horse Shows, an exhibitor cannot show the same horse in Western and Ranch classes at the same show. Ranch discipline exhibitors may enter Reining and Western Riding since there is no "Ranch" option for these classes.

15. Because they are riding classes, an exhibitor cannot enter two horses in horsemanship/equitation, western pleasure or ranch pleasure.

16. Members entering ground roping/moving dummy roping are expected to be enrolled in the 4-H Roping Project. If a member is entering ground roping only and not showing a horse, they will need to complete the presentation class for their project grade and premium.

17. All horses must be weaned by the time they arrive on the fairgrounds.

18. If a horse kicks, a red ribbon must be tied to the tail when the horse is out of the stall.

19. If it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

20. Walk Trot Trail class exhibitors will complete the trail pattern with no lope, trot only. This class is open only to exhibitors entered in the Walk Trot class.

21. Horses with a body condition score of less than a 4 (ribs easily discernable, tops of spinous process easily discernable, tailhead prominent with hook pins easily discernable, withers accentuated, and neck obviously thin), obviously sick horses, and horses with a Grade 3 or greater lameness (consistently observable at the trot; marked nodding, hitching, or shortened stride; and minimal weight bearing in motion or at rest) should not be entered. Questionable animals will be reviewed by fair officials in consultation with the fair veterinarian.

3. Market lambs may be wethers or ewes. Wethers must be castrated at the time of the spring weigh-in.
4. All market lambs must be identified at the spring weigh-in to compete in the junior fair market lamb show. An exhibitor may identify a maximum of five lambs. Weights from other scales will not be accepted. Lambs must be present at the designated date, hours, and location to be weighed and identified unless one of the following situations occurs. If a lamb is ill and cannot be present at the designated date, hours and location, the exhibitor must contact the Junior Fair Board immediately. The exhibitor will be required to present a veterinarian's certification of the illness before arrangements will be made to identify the lamb. If there is a family emergency on the day of the weigh-in and the animals cannot be identified, the family must present their situation to the Junior Fair Board. The board will determine if the animals will be identified and if penalties will be imposed. If an animal is entered in another show on the day of weigh-in, the family must present proof of entry prior to the weigh-in. The sale committee will make alternate arrangements for weighing and identifying the animal that is entered in the alternate show. Family will be required to provide proof of participation for the animal entered at the alternate show. All other animals belonging to the family that are not entered in the alternate show, must be present at the designated weigh in date and hours.
5. An animal that is registered must be registered in the name of the exhibitor or in a partnership of which the exhibitor is a partner. Papers must be available day of the show. Breeding project animals may be leased. Lease papers and pictures must be on file at the Extension Office by May 1. Market lambs cannot be leased.

Only one exhibitor per animal in any class will be permitted except in the yearling classes. Second showman in yearling classes may only assist the exhibitor and must be a junior fair member. All showmen must be Auglaize County junior fair members but cannot be a 4-H Cloverbud.
10. Champion and Reserve Champion Market Lambs will be viewed as part of the carcass review on Wednesday after the fair. All market lambs sold through the junior fair livestock sale

18. Exhibitors must care for their animals until the animals are loaded off the fairgrounds. For market animals, if it is determined at load out that the animal has lacked food and/or water, \$25.00 will be deducted from the value of the animal. This decision will be made by the packer and representatives from the Sale Committee. For breeding animals, if it is determined that the animal has lacked food and/or water, the exhibitor will not receive a fair pass the following year. This determination will be the decision of the Junior and Senior Fair Board superintendents of the department.

4. All hogs must be entered on FairEntry by July 1. Exhibitors may change their entry at the scale - both gender and breed. For purebred hogs – registration papers must be presented at fair weigh in. Purebred animals must be registered within the immediate family as defined by the ODA definition of immediate family.
5. Each breed listed at the end of the department rules will show separately (regardless of the number of entries), there will not be an "all other breeds" class. Other breeds not on the list and crossbreds will show in the crossbred class.

# GIRL SCOUTS OF AMERICA

Girl Scouting is a program that gives girls from all segments of American life a chance to develop their potential to make friends and to become a vital part of their community. Based on ethical values, it opens up a world of opportunity for youth, working in partnership with adult volunteers.

Girl Scouting is continuous adventure in learning that offers girls a broad range of activities which address both their current interests and their future roles as women. Through activities that stimulate self-discovery, they are introduced to the excitement in the worlds of science, the arts, the outdoors, and people. Girls grow in skill and in self-confidence. They have fun, make friends, and through meaningful community service, they acquire understanding about themselves and others.

Girl Scouting is one continuous program open to all girls 5 through 17, including Daisy Girl Scouts (ages 5-6), Brownie Girl Scouts (ages 6-8), Junior Girl Scouts (ages 8-11), Cadet Girl Scouts (ages 11-14), and Senior Girl Scouts (ages 14-17).

Today's troop program is carried on by over three million girls in over 192,000 troops, including USA Girl Scouts overseas in 60 countries where members come from U.S. Military and civilian families living abroad.

Girl Scouts of the USA is part of an international movement. It is linked with other Girl Scouts and Girl Guides through membership in over 112 countries around the world.

The Girl Scouts consider participation in the Auglaize County Fair a privilege and an opportunity to share their accomplishments, interests, and ideals. All exhibits must show high quality in effort, originality, neatness, and Girl Scout Program.
