Certificate Of Legal Timber Due Diligence Certification

Veneer Technologies Inc. and Atlantic Veneer Company, LLC

611 Verdun Street, Newport, NC 28546

Capital TestingSM officially recognizes the facility on this certificate as certified to the **American National Standard for Due Diligence in Procuring/Sourcing Legal Timber** (ANS LTDD 1.0 2015). The certification program includes requirements for qualification of the facility's legal timber procurement policies and procedures, quality assurance program, risk assessment process, and document controls systems. Periodic inspections of the facility are performed by Capital Testing in order to reasonably establish confidence that illegal timber is excluded from the timber supply chain, harvested/used/consumed timber was acquired legally, and that the procurement systems employed meet all the requirements of ANS LTDD 1.0 2015.
