# PARTNERSHIP PROGRAM

Since its launch in May 2012, the ICOG Partnership Program has grown into a vital platform for collaboration, innovation, and resource development across Iowa. Over the years, this program has helped strengthen relationships with a wide range of government, nonprofit, and corporate partners—fueling new initiatives and expanding the capacity of Iowa’s Councils of Governments (COGs).

**\$500/year**

FOR CORPORATE MEMBERS

**\$400/year**

FOR GOVERNMENT/  
NON-PROFIT MEMBERS

Today, the Partnership Program continues to support the development of forward-thinking projects and services that benefit communities across the state. By joining, organizations become part of a long-standing network committed to regional growth, innovation, and shared success. ICOG partners receive ongoing recognition and access to exclusive opportunities, including:

- Visibility on our website
- Recognition in newsletters and other publications
- Display opportunities at the annual ICOG Staff Retreat
- Subscription to ICOG’s quarterly newsletter
- Networking with Iowa’s COGs and fellow partners
- Priority access to ICOG’s professional staff for insights, collaboration, and support
- Organizations may join at either the corporate or government/non-profit level.
