Group Bookings:

Groups over five require two greeters. All bookings need a local contact number; no-shows are fully charged. If a Greeter meets a group from multiple vehicles, they wait for all before entering. Separate guidance counts as additional billable service. Arrangements must be made at least four days prior.

Baggage:

Provide accurate baggage count 72 hours before travel. Extra bags without notice incur fees. Sam Talwar is not liable for lost or valuable items. Greeters do not handle personal belongings but can assist with necessary documentation if items are left onboard.

US Customs and Immigration:

Greeters cannot enter secure Customs areas. International meet-and-greet starts at the Customs exit; greeters do not carry passengers' baggage.

Greeter Availability:

Greeters arrive up to two hours before domestic flights, three hours before international departures, and are present one hour prior. Contact details are for travel coordination only. Early passenger arrivals do not constitute a service failure.

Requests must be made at least 24 hours in advance; service starts one hour before arrival/departure. A Greeter will be assigned.

Inbound Flight Gate Assignments:

Gate changes are monitored, and Greeters aim to meet passengers at updated locations, but cannot guarantee in rare cases.
