About Us

At No Wine Left Behind, our mission is simple:
to make wine fun again.

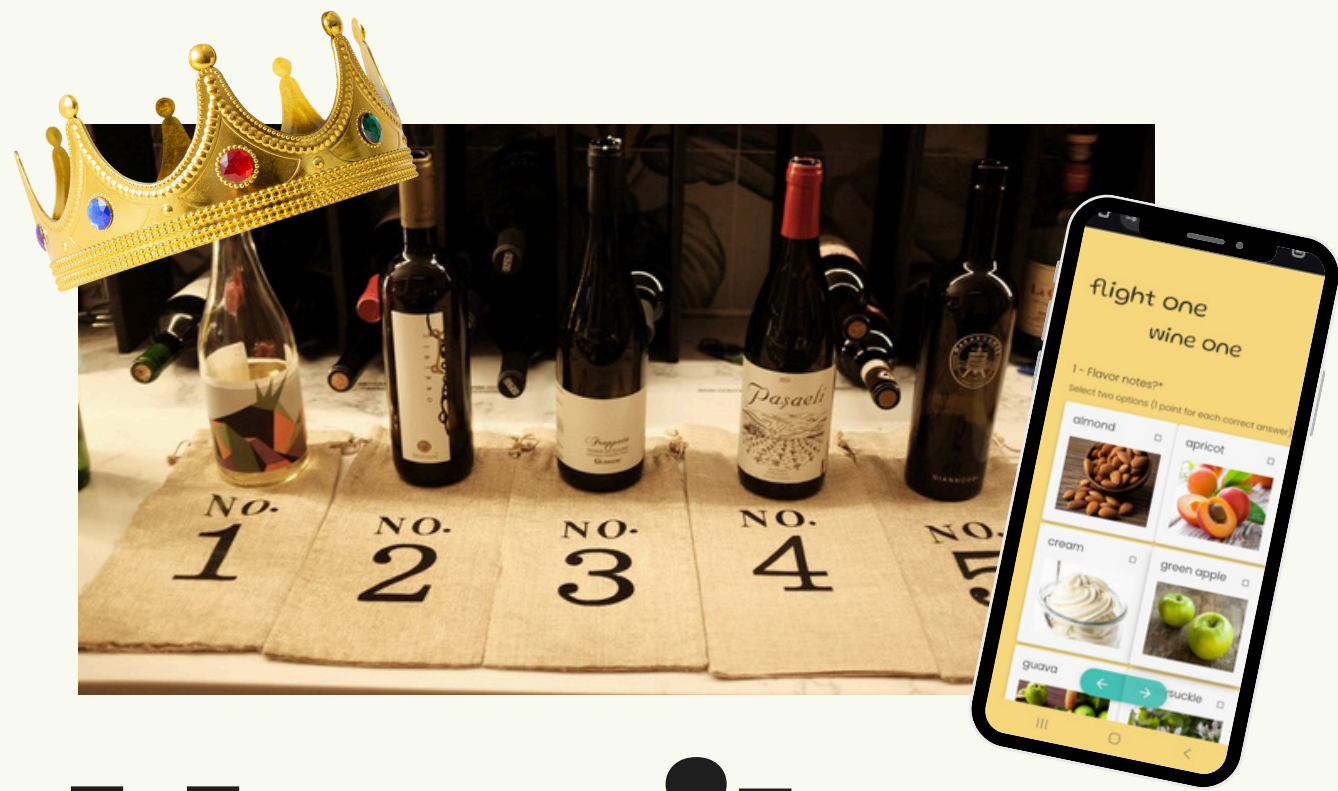

We're here to turn wine tasting into an experience that's playful, unpretentious, and genuinely unforgettable. Whether you're a curious newbie or a seasoned sipper, we believe wine is best enjoyed with a little mystery, a lot of laughs, and zero snobbery.

Why NWLB?

We're not your average tasting—we're a whole vibe. Our blind tasting format turns wine into a game, creating connection, conversation, and just the right amount of chaos.

Our blind tasting experiences are built to break the ice, spark curiosity, and leave guests laughing. It's the kind of event people won't stop talking about (and will try to crash next time).

Step 1: Choose your experience

How it works

Each event is built around a blind wine tasting game led by our NWLB hosts. You'll choose an experience, we'll curate the wines, and your guests will sip, guess, and laugh their way through each pour.

It's approachable, interactive, and crafted to bring the good times—no wine knowledge required.

FAQ

Experience & Atmosphere

What happens at a blind wine tasting?

You'll taste a selection of wines without knowing what's in your glass. We'll guide you through each pour with tips on what to look for—like aromas, flavors, and acid —before revealing what you've been sipping. Expect a few surprises and plenty of chances to guess, learn, and laugh.

Am I blindfolded at a blind wine tasting?

Nope! Unless you want to really up the ante (but you'll have to bring your own blindfold)

Pricing & Policies

What is “all-in” pricing?

All-in means exactly that—your quoted price includes wine, service, staffing, setup, breakdown, and tip. No surprises, no hidden fees.

Payment policy

A 50% deposit is due at booking to secure your date. The remaining balance is due 7 days before your event. We accept payment via Apple Pay, Venmo, PayPal, all major credit cards (visa, mastercard, discover, american express) and bank account.

Refund policy

Deposits are refundable up to 7 days in advance. We get that life happens—just keep us in the loop.

Fun Incentives, Post-Event Follow-Up & Offerings

Is there a prize if I guess the wines correctly?

You bet! While guessing isn't required to have fun, those who do will have a chance to wear the crown (and special prizes—like a bottle of wine, NWLB merch, or a discount on future events—are available as an add-on).

Can I buy the wines I liked after the tasting?

Not at our events, but we'll send you an email with where to find all the wines you've tried (and flag your favorites for you!)

How do you select/source wines?

We work with a mix of wine shops and wine makers who specialize in small-batch, sustainable, and just plain cool wines. Each bottle is handpicked to match your event and bring some surprise to the table.

Knowledge & Accessibility

Can you accommodate GF, Kosher, Vegan, or Non-Alc?

Absolutely! We are a team full of allergy-girlies ourselves, and our founder is a Celiac Baddie passionate about safe, fun, delicious experiences ...so... we get it. We are happy to offer gluten-free or vegan snacks and non-alcoholic or kosher wine options upon request.

Do I need to know a lot about wine to enjoy a blind tasting?

Not at all! Our events are designed to be fun and accessible for all levels—from total beginners to seasoned sippers. The focus is on exploring new wines and having a good time, not getting everything right.

Will there be help if I don't know wine terms?

Absolutely. Our hosts will explain everything in down-to-earth language—no wine snobbery here! We'll guide you through each wine's characteristics with easy-to-understand tips and suggestions.
