3RD SUNDAY OF EASTER

Jesus said to them, "Come, have breakfast." And none of the disciples dared to ask him, "Who are you?" because they realized it was the Lord. Jesus came over and took the bread and gave it to them, and in like manner the fish. - Jn 21:12-13

(PRACTICING) CATHOLIC – BENEATH THE SURFACE

Mini Reflection: Love — again, even when it doesn't make sense. Forgive — again, even when it doesn't make sense. Believe — again, even when it doesn't make sense. To follow the risen Christ, you must be willing to do what makes no sense.

The Witnesses of What Makes No Sense

The disciples don't recognize Jesus until he asks them to do something that makes absolutely no logical sense. He's just some random stranger on the shore — until he gives them an order that, in any other circumstances, would have them rolling their eyes into the backs of their head: Drop the nets again. I know you haven't caught anything all night. I know you're tired. Just do it one more time. Trust me. Again.

That's when they recognize him.

The disciples display such poor recognition of Jesus after the resurrection. I'm sure there's a good, theologically sound reason for it, but whatever that reason is, it's very clear that God was carefully orchestrating these moments of realization. He is trying to tell us something about how we recognize the risen Christ — the one who has conquered sin, the one whose love was stronger than death. The one who never made any sense, and never will, because his kingdom is not of this world, and to understand him — to recognize him — you have to detach from the priorities, the expectations, the limitations of this present world.

You have to be willing to do what makes no sense.
