the digital survey.

Also access downloads
and printable versions.

or visit online:
micro.page/ycat-foothills

This research is solely for data collection and analysis. Information gathered will be used to assess community interest and potential needs as part of a broader evaluation process. There is no commitment to the expansion or modification of transit service. Future changes would require additional analysis, funding availability, and approval by the Board of Directors.

See where it takes you!
