Employee of the Month

Sabrin has been with the company since February and is 23 years old. She enjoys spending time with family and friends, caring for animals—especially her cat—and loves shopping and exploring new places. She is passionate about helping others and making a positive impact on their lives. In 10 years, she sees herself continuing to grow professionally, owning a home, and building a successful future. Her favorite part of the job is building relationships with residents and providing comfort, support, and care. One thing many people may not know about her is that she is naturally shy when first meeting people, but once she feels comfortable, she becomes very outgoing and enjoys connecting with others.

Resident of the Month

Jacqueline has a love for simple pleasures, especially enjoying chicken and medium-well steak. Her favorite song is Landslide, a song that holds a special place in her heart. If she could have any superpower, she would choose to be Superwoman so she could make all the wrongs in the world right. Of the four seasons, fall is her favorite because it reminds her of love and peace. Jacqueline grew up in West Allis, Wisconsin, and one of her fondest childhood memories is meeting her best friend, Cindy, when they were just 12 years old. The two have remained inseparable ever since, doing everything together and becoming more like sisters than friends. If Jacqueline could share one piece of advice, it would be to be good to everyone, be helpful, show kindness, and always be there for one another. Growing up, her family loved animals and had many different kinds of pets. The one she remembers most fondly is Heidi, their beloved dog. She also cherishes memories of the many family picnics they enjoyed together. What Jacqueline loves most about Caraton Commons is that it is a wonderful place to live, filled with caring people and a welcoming atmosphere.
