Employee & Resident of the Month

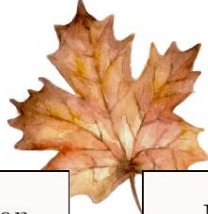

Jerome

Jerome's favorite meal is eggs, bacon, and toast with strawberry jelly. Any country song will get him out onto the dance floor! If he could have one superpower, it would be getting himself a good rifle and heading out for some deer hunting. Of the four seasons, summertime is his favorite because it is the warmest, and he enjoys sitting by the beach and taking in the breeze.

Jerome grew up in Green Bay, where he spent lots of time bike riding with family and friends. Some of his favorite memories include living just a street away from the beach and spending time swimming with his family and friends. During the holidays, the whole family would get together and enjoy time with one another.

If Jerome could give one piece of advice, it would be, "When you are young, go out and enjoy life and do lots of things." What Jerome likes most about Caraton Commons is knowing that the staff make sure he is taken care of, along with the good food and the friendly residents.

Magdelina

Magdelina has been with Green Bay Caraton Commons for 2 years and with the company for 7 years. She describes herself as a Disney adult and says her family is her pride and joy.

She is a boy mom who enjoys podcasts, trail walks, and playing Monopoly. In 10 years, she sees herself being a stay-at-home mom with more children.

Her favorite part of her job is seeing the residents smile and being a part of their everyday lives. One thing people may be surprised to learn about Magdelina is that she is a Sith Lord from Star Wars!
