Welcome

Welcome to Caraton Commons in De Pere, where compassionate, assisted living and memory care come together in a warm, welcoming community. Our dedicated team is available 24 hours a day, 7 days a week, providing personalized care and peace of mind for both residents and their families.

At Caraton Commons, we believe every resident deserves to live with dignity, comfort, and independence. Our individualized care plans are designed to meet each person's unique needs while encouraging them to remain as active and engaged as possible.

Residents enjoy comfortable accommodations, delicious home-style meals, enriching daily activities, and meaningful opportunities to build friendships. Whether participating in a favorite hobby, attending an event, or simply relaxing with neighbors, there's always something to look forward to.

Our specialized memory care program provides a safe, supportive environment for those living with Alzheimer's disease or other forms of dementia. With compassionate caregivers and thoughtfully designed programming, we focus on enhancing quality of life while promoting comfort and familiarity.

At Caraton Commons, we're more than just a care community—we're a family. We invite you to discover the warmth, compassion, and exceptional care that make our community a place residents are proud to call home.

We would love the opportunity to welcome you for a visit and show you everything Caraton Commons has to offer. Come experience the difference that personalized care, dedicated staff, and a vibrant community can make.

Resident & Employee of the Month

Luann

Luann's favorite food is anything Mexican, and when it comes to music, she enjoys "Must Be Nice" by Lyfe Jennings and just about any song by Jelly Roll. If she could have any superpower, she would choose the ability to bless everybody, making sure everyone around her receives a blessing.
Of the four seasons, fall is Luann's favorite, especially because she loves the cooler weather.

She grew up in Wittenberg, Wisconsin, and one of her fondest childhood memories is the time she spent with her grandma.
If Luann could give anyone a piece of advice, it would be simple but meaningful: "Treat other people the way you want to be treated."

Luann grew up with her mother and father, along with her four sisters and four brothers. Today, family remains an important part of her life—she has three girls and three boys of her own!
What Luann likes most about Caraton Commons is all of the activities. She enjoys staying busy and says the activities help keep her happy and engaged each day.

Layla

We are excited to recognize Lyla as our Employee of the Month! Lyla will be celebrating two years with the company this November, and we are so grateful to have her as part of our team.
Outside of work, Lyla enjoys hiking and spending time outdoors. When she looks toward the future, she hopes to see herself working as a veterinarian.
Lyla's favorite part of her job is taking care of the residents and getting to know them. Her genuine care and the connections she builds with our residents make her such a wonderful part of our team.
