May's

Resident of the Month

Richard enjoys a wide variety of foods, but especially loves meatloaf. One song that would get him out on the dance floor is “Hound Dog” by Elvis Presley.

If he could have a superpower, he would choose to have more strength. His favorite season is fall because there are fewer mosquitoes and allergies.

Richard grew up in Morrison, Wisconsin, on a farm with his mom, dad, three brothers, and one sister. They had lots of sheep and even a chihuahua. One of his favorite childhood memories is celebrating birthdays with his family and enjoying a good cake.

His advice to others is to stay in school and keep learning. At Caraton Commons, Richard enjoys the people, the activities, and the activity staff. He says everyone treats him well, and it truly feels like home.

May's

Employee of the Month

Mikierra has been working at Caraton Commons for about 7 months. She enjoys her job because she loves helping residents and making their day better. In her free time, she enjoys taking trips with friends, reading, shopping, and spending time with her boyfriend. Looking ahead, she sees herself living in a beach house in Florida in 10 years. One fun fact about Mikierra is that she has six siblings, and all of their names start with “Mik,” which surprises many people.
