As a family owned funeral home, we are committed to supporting every family we serve by providing meaningful and dignified services. We will never compromise providing a dignified service due to finances, as we are able to offer alternatives and options for every service.

We are also committed to treating every family we serve fairly and equally. We are humbled by the privilege to serve you and sincerely appreciate your confidence entrusted to us.

For your convenience we offer the following payment options which may be combined to satisfy the payment in full.

Full payment is expected the day prior to the funeral service or disposition

- **Cash or Check**
- **Automated Clearing House (ACH):** Electronic funds transfer (EFT) made between banks using account and routing numbers. No fee associated with using ACH.
- **Credit Card:** We accept all major credit cards. A 3% convenience fee will be applied to credit card payments.
- **Life Insurance Assignments:** We cannot accept policies that are not verified, under 2 years old that are contestable, or any work-related policy that cannot be assigned. We use C & J Financial, LLC to process all of our assigned insurance policies. Their processing fee is 3.98% and will be paid from the insurance proceeds.

Estates: We do not invoice estates due to the uncertain time frame. In cases where the decedent's estate must stand the burden of paying the funeral expenses, we ask the family representative(s) to pay the funeral expenses and file a claim or reimbursement from the estate.

ADVANCE PLANNING

It is never too soon to have a conversation with one of our Advance Planning Specialists. Our goal is to provide you with all the information you need, answer any questions you may have, and allow you to make the best decisions for yourself and your family.

There are many benefits to advance planning:

- Ease the decision-making burden on your family at an incredibly difficult time
- Lessen the risk of family conflict and ensure your wishes are followed
- Allow your family to focus on grieving and healing, and not the finances
- Spend down assets for Medicaid

Advance planning is a gift to your family. Learning about the options will allow you to make educated decisions, considering both your preferences and the needs of survivors. The cost to you is approximately one hour of your time, with no obligation to prepay.

To schedule an appointment, please ask your funeral director. You can also go to the Advance Planning section of our website for our online appointment scheduler. We make arrangements in our Pikesville, Columbia, and Annapolis arrangement locations, by Zoom, or by phone. If you don't see a day or time that works for you, please call our Advance Planning department at 410-653-9908 or email planahead@sollevinson.com.
