# Songs Management

The screenshot displays the FaithTeams web application interface for managing songs. The browser window shows the URL `dashboard.faithtteams.com/songs/4549`. The page features a top navigation bar with links to Dashboard, People, Events, Messaging, Contributions, Tools, and Admin. The main content area is titled "Songs" and includes a filter section on the left with options to filter by name and author, and by tags. A list of songs is shown on the left, including "Break Every Chain" by Jesus Culture, "Build My Life", "Build Your Kingdom Here", "Glorious Day" by Kristian Stanfill, "God of Ages" by Hillsong Worship, "i Speak Jesus", and "In the name of Jesus". The right panel displays details for the selected song, "Break Every Chain", including its duration (5 minutes) and BPM (0). An "Attachments" section at the bottom shows a video thumbnail of Tasha Cobbs Leonard performing "Break Every Chain" (Live At Passion City Church) on YouTube.
